KENNEDYVILLE M. P. CHURCH

The Christian Endeavor Business and Social Society of Kennedyville M. P. Church was entertained on Friday evening, October 13th at the home of Mrs. Hilda Bennett and her parents, Mr. and Mrs. Samuel Wiltbanks, on the farm.

It was a beautiful evening and a warm welcome was received by all of the sixty-five persons present.

The meeting was called to order by the President, Mrs. Geo. Johnston. It opened with a devotional service, song "Near The Cross," followed with prayer by their pastor, Rev. L. E. Haddaway. Scripture Reading by Miss Elizabeth Groves. Roll was called by the Asst. Sec., Miss Kathryn Atwell, dues collected. The officers and chairmen of various committees gave their report.

The pastor made several suggestions to improve the Society and Sunday evening meetngs. It was decided to hold a Hallow'een Party, the last of this month. Mrs. Norman Hopkins and Miss Elizabeth Groves invited the C. E. Society to meet at the home of Mrs. Hopkins for November month which was gratefully accepted. The following programme, in charge of Mrs. Hilda Bennett, was given.

Chimes," by Miss Alice Kennedy.

Reading, "Pete's Escape" by Mrs. George Glenn. A very interestng talk by Mr. Lester Coleman, of Baltimore.

A duet, "I love God's beautiful world," Sara Scotten and Frances Bennett.

Reading, 'I's it any body's business," by Miss Nola Hill.

Instrumntal Solo, "Robins Return," by Miss Anna Oliffe.

Refreshments were then served, consisting of ice cream and cake. About 10.30 p. m. all adjourned, having spent a very enjoyable evening.

7 p. m. Christian Endeavor, led by Miss Kathryn Kramer, topic, "How Christ has changed the life in Missionary Countries."

7.30 p. m. sermon by the pastor. All invited, The church will be warm and comfortable.

FORDS BREAK TRACK RECORD

"Three Ford cars—two V-8s and a 1931 "four"—won the first three places in the famous Laredo-Monterrey Road Race sponsored by the Mexican Automobile Association, an affiliate of the American Automobile Association, according to official reports of the race just received.

The two V-8s established the fastest time on record for the course. The third Ford won the same position in the class B event of the ordinary road races which formally opened the new Pan-American highway between Laredo and Monterrey three years ago.

The race was won by Eddy Byers, a veteran figure in Texas and Oklahoma road race circles, in a Ford V-8, with an average speed for the 138.6 mile race of 78.25 miles per hour.

International Alpine Trail

"Six Ford V-8 cars piloted by Dutch drivers triumphed conclusively over five European and two other American entrants in the fifth annual running of the grueling 5-day International Alpine Trial over 1,165 miles of Swiss, Italian and French mountain roads, according to official reports of the race just received here.

WHEAT AND CORN CROPS SHORT

FAR BELOW LAST YEAR'S AND FIVE YEAR'S AVERAGE

According to a report from the United States Department of Agriculture, made public this week, the wheat crop in the United States is the smallest in 37 years.

The five year average, 1926-1930 was 2,512 million bushels; the 1932 yield was 2,876 million bushels and the 1933 yield is estimated at 2,291 million bushels and the 1933 yield is estimated at 2,291 million bushels or 585 million bushels below the 1932 yield. The department states that with old grain on hand, wheat supplies are ample for food purposes but not much can be fed.

The estimated corn crop for 1933 in the United States is far below the average for the past seven years although slightly above the September 1st estimate. The estimated yield as of October 1st was 2,291 million bushels as compared with the average yield of 1926-30 of 2,512 million bushels. The 1932 yield was 2,876 million bushels.

Stocks of old corn on farms of 312,339,000 bushels on October 1st were equivalent to 12.6 per cent of the 1932 production. These are the largest stocks for any of the 8 years beginning in 1926 for which estimates are available.

In comparison to the national producton, the production in Maryland is estimated at 16,356,000 bushels which is 85,000 bushels short of last years crop but 1,931,000 bushels above the five year average, 1926-1930.

BETTERTON

The ladies of the Methodist Church served a most successful supper last Saturday evening. A great many suppers were served and there was an abundance of food. Ten of the Betterton members of the Masonic Order attended the service at Rock Hall Methodist Church ast Sunday morning and then had dinner in the Church House afterward.

Twenty five members of the Epworth League attended the annual district convention banquet held at Middletown on Thursday evening. The trip was made in the school bus. Miss Isabelle Brice and Miss Pauline Crew, Ernest Robinson and Hanson Smith were the delegates and attended the sessions on Friday.

Congratulations and good wishes to Mr. and Mrs. Eugene Massey, who were marrid last Saturday, October 7 in Chestertown. Mr. and Mrs. Massey will reside in one of the Starr bungalows on Bayside.

Mrs. Laura Crew and Mrs. George Brice are spending the week with Mr. and Mrs. Arthur Remington at Relay.

Miss Elizabeth Brice, of Baltimore, spent the week end with her parents, Mr. and Mrs. Arthur Brice.

The members of the Home Economic Club entertained the members of the Swan Creek Club at a luncheon at the Ferncliffe on Tuesday.

Miss Kathleen Anderson entertained a number of her little friends from four to five thirty on Monday afternoon in honor of her twelfth birthday, Arthur Newsome, Jr., entertained on Tuesday evening in honor of his eleventh birthday.

Services at St. Johns by the Boy will be held at nine thirty Sunday morning.

Miss Helen Turner has returned from a visit to relatives in Chester, Pa.

MILLINGTON

Mr. and Mrs. Robert Martin, of Wilmington, visited her parents, Mr. and Mrs. C. P. Jones last Sunday.

Mrs. Clara Andrews her daughter, Dorothy and son, Robert, of Rochester, N. Y., were guests last week of her brother and sister-in-law, Mr. and Mrs. C. S. Church.

Mr. and Mrs. Elwood Moore, of Poughkeepsie, N. Y., spent this week with his brother and sister-in-aw, Mr. and Mrs. James D. Moore.

Mr. and Mrs. Crawford Shockley attended the funeral of his aunt, Mrs. Amanda Parker at Pittsville, Md., on Wednesday of last week.

Mr. and Mrs. William Voshell have taken an apartment in the Bayton house on W. Cypress St., now occupied by Mr. Neavitt Robinson.

Mr. and Mrs. Jesse Slaughter and daughter, Miss Margaret, Mr. and Mrs. Millard Slaughter, of Elkton and Mr. John Saughter and family, of Wilmington, visited the former's mother, Mrs. John T. Saughter, last Saturday.

The monthly meeting of the Queen Esther Circle, of Asbury M. E. Church was held last Tuesday evening at the home of Miss Frances Turner.

Mrs. Charles Duling has returned home after quite an extended visit with her parents in Amherst, Va.

Mrs. Annie Lyons and Mr. and Mrs. Leon Lyons, of Wilmington, were guests last Sunday of the latter's mother, Mrs. Annie Poore.

Mrs. George Powell returned on Tuesday of last week to her home in Pittsburgh, Pa., after spending two months with her son and daughter-in-law, Mr. and Mrs. George E. Powell.

Rally Day will be observed tomorrow, October 22 at 7 p. m. by the Epworth League of Trinity M. E. Church, South, a special program is being planned with Evelyn Jones as leader. All members are urged to be present. It will also be the occasion of Harvest Home when fruits, vegetables and canned goods will be solicited during the week by the committee and will be on display for the home for the Aged at Gaithersburg, Md., the Home Mission Project of the Epworth League. The public is cordially invited. If any, who are interested, are missed by the committee and would like to contribute, gifts will be gladly accepted at the service Sunday evening.

A very interesting Epworth League service was enjoyed by a goodly number last Sunday evening, the subject being, "Watchng the World grow smaller," the leader being Helen Seamans. As a special feature, two vocal solos were rendered by Mr. McKinley of Washington, D. C., who was a visitor in our community.

Mr. F. C. Numbers and daughter, Miss Helen visited Mrs. Mary Chandler, of Crumpton, last Sunday.

Mr. and Mrs. R. J. Taylor and Mr. and Mrs. J. W. Higman returned home last Saturday, after spending two weeks, visiting the World's Fair at Chicago and other points in the West. They report a very enjoyable trip. Mr. Taylor was relieved at the railroad station during his absence by Mr. H. H. Stauffer.

WELCOME!!

NEW BASIC MILK PLAN

INTERSTATE MEMBERS TO VOTE ON NEW DETERMINING METHOD

The Milk Producers Review announces a pan whereby its members may express their preference between two plans for determining the basic milk for 1934. Members are asked to fill out a coupon and to mail it back to the organization before October 21st. The first plan is the one in the Marketing Agreement which calls for the 1934 basic to be the average of the basic of 1933 added to the production of July, 1933, and the production of November 1933. No producer under this plan may increase his basic more than 1o per cent.

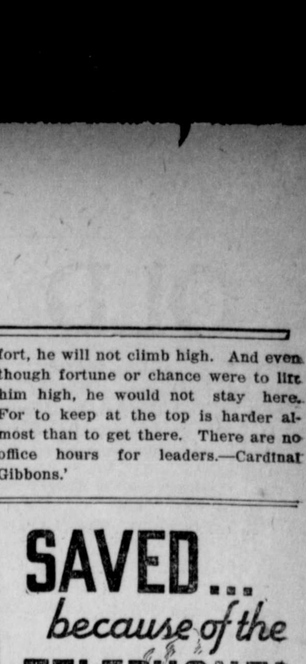

The second proposal suggests that "the monthly average of each producer's 1933 production records" be the basic allotment for 1934.

Doubtless there are arguments in favor of both plans. To the writer, however, it appears that the adoption of the second plan would be a destructive move tending to undo the benefits built up over a period of years. The basic and surplus plan is widely accepted as the best means of controlling production and stabalizing values that has yet been devised. Just why people suggest discarding this tried and proved plan is unclear. Certainly when controlled production is held out by the Admistration as the hope for success in agricultural adjustment, it would seem poor policy to swap a proved plan for one that apparently lacks in control features.

No one who will study the charts and grafs representing monthly production of milk and its price under the basic control plan on the one hand and compare them with the spotty production and extreme price fluctuations under old time conditions of not restraint on production, will take kindly the plan to discard the plan which has meant so much in stabalizing both production and price. The new proposal of using a yearly average as the basic seems to be a backward step, tending toward uncontrolled production with extremes of both over and under production to be expected. Such conditions lead to most unsatisfactory prices. Unless some control feature is introduced to stabalize both production and price, the plan leads to danger and distress. Every member should think, then mail the coupon.

'The higher men climb, the longer their working day. And any young man with a streak of idleness in him may better make up his mind at the beginning that mediocrity will be his ot. Without immense, sustained effort, he will not climb high. And even though fortune or chance were to lift him high, he would not stay here. For to keep at the top is harder almost than to get there. There are no office hours for leaders.—Cardinal Gibbons.'

SAVED... because of the TELEPHONE!

FIRE broke out in a farm home one Sunday morning after the parents had gone to church leaving five children, the eldest a boy of nine. The boy remembered to use the telephone to call help and neighbors arrived in time to put out the fire with little damage to the house.

The telephone protects your home and family. A single call may be worth more than the service costs in a lifetime. Rates are very low. Ask at our Business Office about them.
