W. C. COMMENCEMENT MONDAY

CONFERRING OF DEGREES TO END 154TH COMMENCEMENT

BACCALAUREATE ON SUNDAY

The 134th Commencement at Washington College, which started on Thursday of this week, will end Monday morning with the conferring of degrees at William Smith Hall and an address by Hon. Hugo L. Black, United States Senator from Alabama.

The June week program started Thursday with the President's reception to the Visitors and Governors, Faculty and Senior Class at the home of Dr. Mead. The Commencement play, presented by The Washington Players, was held that evening. One of the plays presented was written by James T. Anthony, of Chestertown, a member of the graduation class.

The June Fete, under the direction of Miss Doris Bell was held Friday afternoon, followed by the Commencement ball that evening.

Saturday afternoon's program will consist of the dedication of the Eliza Cullen Dick Memorial Reading Room at Reid Hall to be followed by a base ball game, Alumni vs. Washington. An Alumni dinner dance will be held that evening in the gymnasium together with the annual meeting of the Alumni Association.

Dr. Gilbert W. Mead, President of the College, will deliver the Baccalaureate Sermon in William Smith Hall Sunday morning at 11 a. m.. A musical program will be presented by the College Musical Association at 3.45 that afternoon.

ECONOMY! Do We Want It?

How easy it is for the candidates for Governor of Maryland to yell about how much money they can save the State. Economy seems to be the keynote of every speech.

In 1932 Roosevelt was elected president and Big Jim Farley the newly appointed postmaster general was going to cut the post office expenses. Big Jim started and how is it working.

In some small towns they have stopped the door delivery. A howl goes up from residents. Rural routes are to be consolidated and without any trouble at all a carrier can go out and get nearly every patron on his route to sign a petition against the consolidation. If the post office windows in Chestertown were closed part of the day, would Chestertown kick up a big howl? Well that is what they are doing in some small towns.

Money was saved on the air mail contracts. From Memphis we receive a paper which is friendly to Roosevelt. A big editorial lambasts Jim Farley on his air mail contract. According to the paper the old company had large fast planes and gave excellent service, also having plenty of room to carry passengers. The new company has cheap inferior planes, are not giving as good service and do not have room enough to carry many passengers. They claim that passengers service on the new planes is not dependable.

The cut in salaries of post office clerks is not so popular with business people, when they consider that the government regulates the salaries business concerns are to pay.

Last fall Kent County had a tax payers meeting. Proposals were made to abolish several departments such as the agricultural, etc. It was soon apparent that every department had its friends, who were determined it should not be touched.

If you can cut costs without cutting service you are all right but it is a hard thing to do.

The Betterton Beach Club had a good crowd at their dance on Wednesday but they did not consider it good enough.

The managers of the Chestertown base ball team are finding themselves embarrassed with too many players. They all want to play and they cannot use but nine at a time.

Massey Hines outboard motor boat makes more noise and less speed of any outboard on Chester River. Some of his friends on Water Street are not howling with delight about Massey's new purchase.

On the first page of this paper are advertisments for five candidates for sheriff. That is one race for which there is no second prize.

Will Rogers is back from Europe and will be on the air again starting this Sunday night.

The Cross Street Association came out thirty dollars ahead on their celebration.

W. G. SMYTH WITH TREHERNE REALTY

Announcement was made this week that Mr. William G. Smyth has become associated wih Treherne Realty Associates, local real estate firm.

Mr. Smith is familiar with the real estate business having represented a national real estate agency here at one time, and is also will acquainted with Kent real estate. His association with this progresive firm is a decided asset.

APPLIES FOR SEWERAGE LOAN

ASK LOAN FROM P. W. A. TO MEET HEALTH ORDER

PASSES ORDINANCE AGAINST FALSE FIRE ALARMS

The Mayor and Council of Chestertown met in regular session last Monday night and had a busy three hour session.

After deliberation of several months the council voted to apply to the Federal C. W. A. for a long term loan of $43,000 for the purpose of meeting an order from the State Board of Health that a sewerage disposal plant be built.

Of this $43,000 loan, $12,000 will be an outright gift by the Federal Government and the remaining $31,000 may be carried over a period of thirty years at an interest rate of four percent. At the present time P. W. A. funds are not available but according to Dr. Abel Wolman, State engineer of the P. W. A., it is thought that this loan can be made in the near future. The Council hesitated for several months to apply for the loan due to the large wage requirements by the P. W. A., but since the builders code has been signed requiring contractors to pay P. W. A. wages on all construction, it deemed it wise to take advantage of the liberal provisions of the loan.

The sewerage plan will pipe all of the sewerage of Chestertown down the Quaker Neck road to a disposal plant on a lot recently purchased by the Council from the Spranklin estate near Radcliffe Creek where it will go through a disposal plant. This will meet the requirements of the State Board of Health in their efforts to remove all raw sewerage from the Chesapeake Bay and tributaries.

A delegation from Maple Avenue petitioned the Council on Monday to reduce the proposed 36 ft. width of that street which is to be widened under the new Washington and Maple Avenues construction plan. The request was made to prevent the removal of certain trees and the proximity of certain homes and business places to the proposed curb and gutter. The petition was not granted, the Council taking the position that a 36 ft. width is necessary due to the fact that this street is part of the main highway and the addition width is necessary.

The Council granted the request of Mr. R. Lee Robinson that the fence in front of his property on Philosophers terrace, which was removed during the C. W. A. construction, be replaced and the right-of-way through his property be changed.

Passes Fire Ordinance

The council, at the request of the Fire Company, passed an ordinance making it a misdemeanor to sound the siren at the fire house on a false alarm. This request was made due to the fact that two false alarms have been turned in within the last two weeks, once by two white boys and again Sunday night of last week by a colored boy. The colored boy was arrested and sentenced to 30 days in jail on a charge of disorderly conduct. The new ordinance imposes a fine up to $25 for its violation which according to the Charter, is the maximum that can be imposed under an ordinance.

Water Board Before Council

The Chestertown Water Board appeared before the council with reference to the drainage from Philosophers terrace flooding the property of the Water Works.

TOLCHESTER SCHEDULE CHANGED

CHESTERTOWN LOSES TO CLAYTON

The Chesterton ball club journeyed to Clayton, Del., last Saturday afternoon and lost 14 to 6. Charlie Porter started on the mound for Chestertown and 11 runs were scored on him in 5 innings. Ed Robinson an old-timer took up the mound duties and did first class hurling for the rest of the game.

Chestertown Trims Tilghman's Island

With manager Bill Loller on the mound, the Chestertown team defeated Tilghman's Island at Easton Sunday 6-4. Money the regular catcher was absent and Eddie Blackway took up the catching duties in first class style.

Chestertown is adding continuously to its lst of players. Oliffe of Kennedyville, has been signed as another catcher.

Games This Week End

Chestertown will not play Saturday afternoon but will play at Hopewell this Sunday. Townshend cancelled their game with Chestertown this Sunday but another team will be scheduled.

Queen Anne Did Not Arrive

With the West Kent team doing a little fielding practice and a large crowd in attendance waiting, the crowd kept on waiting and West Kent kept on practising until they began to realize Queen Anne was not going to put in appearance.

The fact that Queen Anne did not put in appearance was a big disappointment to many fans as well as to the West Kent Club. The only advice we can give is to be careful how you schedule the Queen Anne ball club as they can not be depended on to live up to their word. They did about as low a thing on Sunday as it is possible to do.

West Kent To Play Sunday

On Sunday the West Kent baseball club will journey to Warwick to play Cecilton, champions of the Mid-River league. Sunday week Cecilton will play at the West Kent diamond at Chestertown.

High School Track Stars In Baltimore

Billy Usilton track coach at the Chestertown High School is in Baltimore at the annual State meet. Oakley Valliant, Charles Wheatley and Pete Peterson are counted on to come through as state champions in their track events.

WILL DECLARE TAX RATE NEXT WEEK

POSSIBLE REDUCTION IS INDICATED

The Commissioners of Kent County will strike the levy and declare the tax rate for 1934 on Tuesday of next week. The tax rate of 93 cents, which was in effect this year, is the lowest that has been enjoyed in this county for many years and there is a possibility that it might be slightly reduced on Tuesday.

State Tax Rate Reduced

The State tax rate will be reduced for 1934 from 25 cents to 22 cents by an act of the Maryland Legislature at their 1933 session. Although this reduction was made at that session, it was not to take effect until 1934.

The possible reduction in the rate for 1934 is indicated by strict economy in handling county affairs thereby bringing about a reduction in the certificate list.

The graduates are: Mary Ann Baker, Margaret Kathryn Edwards, Margaret Newnam Jones, Helen Marie Semans, Jeanette Elizabeth Myers, Alden Farnham Church, and Walter Irvin Lindsay.

FINE CROWD ENJOYS GRAND OPENING OF BEAUTIFUL BEER GARDEN

Knights of Terpischore and their ladies from all sections of the Eastern Shore of Maryland, and the State of Delaware were on hand last Friday evening for the grand opening of Jos. Engels, new and stricly modern Black Cat Casino featuring Leroy Smith and his orchestra and a Broadway floor show featuring Connie's "Hot Chocolates" direct from Connie's Inn in Harlem.

Attractively redecorated in the style of the finer New York night-clubs with table accommodations for eight hundred guests the grand opening went off with a bang and the owner-manager Joseph Engel was swamped by a crowd of well wishers as the final act of the one-hour floor show was completed.

Immediately after the show the management, announced the signing of Floyd Mills and his orchestra for an eight weeks personal appearance at the Casino each and every night in the week. There will also be a high class floor show starring head-liners of the stage each night.

C. H. S. ALUMNI BANQUET

The alumni banquet of the Chestertown High School will be held at the high school building next Friday, June 15th.

Following the banquet at which Professor George Goodwin, of Washington College, will be the principal speaker, those present will adjourn to the new armory when a dance will be held. The music will be furnished by Lewis Startt and his 8 piece orchestra.

RE-EMPLOYMENT HEADQUARTERS HERE

WILL HANDLE UNEMPLOYMENT FOR FIVE COUNTIES

The Chestertown Re-employment office has been made headquarters for the National Re-employment service Cecil, Kent, Queen Anne's, Caroline and Talbot counties and will handle the employment for all P. W. A. and Federal Highway projects in the five counties.

The staff is composed of Mrs. Nell C. Westcott, of Kent County, Mr. Orin Harrison, of Talbot County and Mr. E. O. Willis, of Queen Anne's County. These three members of the staff were formerly heads of the re-employment service in their respective counties.

FRESH AIR COMMITTEE TO MEET

The Fresh Air Committee, whose duty it is to provide homes for children from New York to spend a two weeks vacation in the rural sections, will meet at the Chamber of Commerce office Monday night at 7 p. m.

The committee is composed of Mrs. Nell C. Westcott, Chairman; Mrs. Margaret Massey, Mrs. Barber Bartley, Mrs. Jane Chairs, Mrs. Elmer Thomas, Mrs. Allen Urie, Mrs. James Bigelow, Mrs. Sparks Vansant, Mrs. Mary H. Davis, Miss Fannie Beckam, Miss Helen Schellenger.

The question has frequently been raised why Baltimore children are not accepted instead of New York children. The committee states that there is no organization in Baltimore who will be responsible for the children while they are on the vacation.
