THE COMMISSIONERS OF KENT COUNTY, Messrs. Leonard Wilson, Charles D. Wood and Samuel C. Loller are to be congratulated on the administration of their office during the past year. The reduction of the tax rate last year to 93 cents was due largely to the action of the Legislature but the still further reduction this year to 84 cents is alone due to economical management of the County's affairs during the past year. This economical management is evidenced by the fact that the certificate list was cut almost to half of that of previous years, and as the certificate list is the expenditures over the levy of the previous years, the lowering of this list can only mean careful economy in office. The 84 cent tax rate for 1934-1935 is not a ficticious figure and a study of the levy for next year, which will be published next week, shows that larger provisions have been made for certain standard expenditures than have previously been made which promises a still further reduction of the certificate list next year and a step further toward putting the County on a cash basis. In the management of the office considerable credit is also due Mrs. Stewart Price, clerk to the County Commissioners.

### RAY! FOR MORGNEC

One of the curiosities of the age is an egg laid by a hen belonging to Mr. Bonn Towner, of Morgnec. It is perfectly shaped like a small gourd, handle and all complete.

### YOU CAN'T GET AWAY WITH THAT STUFF HERE?

Mr. Henry Plant who recently purchased the Hotel Chesapeake had two Princeton Students arrested for stealing towels from the hotel. hey were dismissed after paying cost to the amount of $11.00.

### GIVEN A SERENADE

Members of the Fire Company Band gave one of their members, Paul Sipola and iwfe a serenade Tuesday night. The noise brought the newly-weds out but when the band members yelled for a speech Paul went out and led the band instead.

### PRACTICED WHAT HE PREACHED

The late Dr. Titsworth was constantly reminding friends of Washington College to remember the institution in their will.

It is understood that Dr. Titsworth left $1000 to the Micou Library Fund.

### THE BAND DID HIM WRONG

When the band was returning from serenading Paul Sipola, they struck up some music coming down High St., but stopped when they reached Cross Street. B. Fox who claims Cross St. as the main business section said "The Band Did Me Wrong."

### A POLITICAL RUMOR

We understand that Senator Dudley Roe called up three people in Chestertown yesterday and asked them if he could expect the endorsement of Kent County for Comtrollership on the Radcliffe ticket. Who is going to speak for Kent County?

Mr. Roe is a hard worker and would probably do the ticket some good.

### CAN IT BE TRUE?

We hear from someone very much in on the political dope that Jackson will not step aside for Mr. Radcliffe, but that Governor Ritchie is very likely to do so.

### WHAT WE CALL TOUGH LUCK

Billy (Nick) Nicholson passed the examination for the U. S. Naval Academy and was already to enter. On the physical examination he was unable to pass the color test, that is distinguish some of the colors at a distance. He will have a chance to take this test again in two weeks and if he does not pass the test then he will be unable to enter the academy.

Billy Nick is a fine specimen of a man, a good athelete and very bright in his studies. If he does not get through the Navy is losing a good officer.

### PRESENTED TO ROYALTY

Mrs. Henry W. Catlin, formerly of Kent County was introduced to Queen Mary of England last week along with several other socially prominent ladies from Philadelphia and New York.

### ANOTHER TENNIS COURT

Mr. George Baldwin has torn down the old barn in the rear of his residence and will build a tennis court.

### AN EDUCATED PONY IS WITH US

Mr. S. G. Caldwell has a pony which used to perform at Atlantic City. Mr. Caldwell had the pony for awile at the farm of Mr. Leon Brown and it is now at Crumpton. The pony used to climb a ladder to a high dive with a lady riding him. Then with the lady still on his back would dive into a tank of water. The lady received $100 a dive and made one each day in the week and two on Sundays and holidays. In one of the dives a chip in the tank put one of the pony's eyes out. A vetenarian was called from California who came by areoplane to sew up the ponies eye. He charged $300 for his services.

The lady doing the act went blind and a relative of Mr. Caldwell's bought the pony and shipped him here.

The pony can do all kinds of acts such as counting, dancing and in fact they say he can do most any kind of a trick possible for a pony. He spends much his spare time in the pasture performing.

### SQUADRON MEMBER NO. 21

Mr. George Pennington was the only member of this years Power Squadron Class to take the examination. He got through and brings the total number of members here to 21.

### TOWN POLITICS

Next spring we have a town election. Reports come to us as follows: Harry Fallowfield has promised his neighbors across the street a sidewalk. He must be getting ready for something.

Mr. Robert Moffett has had over a hundred people come to him and ask him to run for mayor. It is understood Mr. Harry Cannon has also been approached on the subject. Friends of Mayor Satterfield will ask him to run again.

### AIN'T WE GOT FUN

Junny Strong, young son of Mr. and Mrs. Howard B. Strong is having a great time and is also showing other young people of the town some fun in a new Cris-Craft runabout.

Mr. Strong is local agent for the Cris-Craft Company and has purchased one of the smaller boats for demonstration purpose. To show how easy they are run he lets young Junny run the boat and has told him to take out anybody that wants to go regardless of who they are. Junny is averaging many hours driving the boat and it is reported that he has given over a hundred youngster a ride

### WAS HE TICKLED?

Two weeks ago in the Sunday Sun there appeared an article "Through the Windshield." It described Kent County and showed a picture of 5 horses to a plow. The picture was taken at the farm of S. S. Price at Lynch. The colored man driving the team said "Some people came here and did something but I don't know what they did." He did not know what a camera was and when shown the picture he was really tickled. Many people have wondered where the picture was taken.

NOTICE TO ALL DELINQUENTS
TAXPAYERS ON PERSONAL PROPERTY

We publish herewith a ruling from theAttorney General on the law governing the sale of personal property for taxes.

The law governing the sale of personal property for taxes in Kent County.

The local law on the subject may be found in Article 15, Sections 152-156, Flack's Code of Public Local Laws. Section 154, relating to sales, was amended by Chapter 310, Acts of 1933, and authorizes a sale of the property of a delinquent, or so much thereof as may be necessary, to pay the taxes with interest and costs. The general method of procedure is set out in Article 81 Sections 189 and 190 of Bagby's Code of Public General Laws (1929 Suppl.) Section 190 indicates that sale of personal property may be either at the Court House door, or on the premises where the levy is made.

Under the Law I will advertise and sell all or enough of the personal propery of all delinquents for 1930-1931 on the premises where they were levied upon if taxes are not paid on or before June 20th. This means all personal property that has been levied upon for 1930-1931.
