NOTICE TO ALL DELINQUENTS TAXPAYERS ON PERSONAL PROPERTY

We publish herewith a ruling from theAttorney General on the law governing the sale of personal property for taxes.

The law governing the sale of personal property for taxes in Kent County.

The local law on the subject may be found in Article 15, Sections 152-156, Flack's Code of Public Local Laws. Section 154, relating to sales, was amended by Chapter 310, Acts of 1933, and authorizes a sale of the property of a delinquent, or so much thereof as may be necessary, to pay the taxes with interest and costs. The general method of procedure is set out in Article 81 Sections 189 and 190 of Bagby's Code of Public General Laws (1929 Suppl.) Section 190 indicates that sale of personal property may be either at the Court House door, or on the premises where the levy is made.

Under the Law I will advertise and sell all or enough of the personal propery of all delinquents for 1930-1931 on the premises where they were levied upon if taxes are not paid on or before June 20th. This means all personal property that has been levied upon for 1930-1931.

AUTO ODDITIES

(1) The car in which "Wild Sam" Purvis won the championship 100-mile road race was strictly a stock car, having only the top, fenders and windshield removed. (2) High compression heads and faster and more powerful motors have brought about an increase in the use of aluminum pistons to a point where those used in 1933 would make a tower 300 feet square and 779 feet high. (3) This diminutive Austin racer with a supercharged motor recently set a world's record of 122.74 M.P.H.
