FIRESIDE POEMS

BY REV. J. THOMAS PRICE
Chesapeake City, Md.

MY PHILOSOPHY

I have a quaint Philosophy,
To me seems well worth while;
No matter what your lot may be,
Just wear a cherry smile.

In business you may lose your grip,
And failure be your style;
You may not have the cash to burn,
But you can throw a smile.

The promises life made to you,
Your better self beguile;
May not materialize, but you—
Can face life with a smile.

What e'er the years may bring to you,
In blessing or denial;
A great big grin spread o'er your face,
Should always be your style.

And when my time has come to leave,
This world where men are tried;
And looking back on scenes of earth—
From the Eternal side.

I'll be proud of the epitaph,
Friends on my tomb may file;
"He lived and loved and always tried,
And left us with a smile."

The Social Wanderer

Dear Roamer,

Now that Summer is officially here, all the sports of that glad season are well under way around these parts. Every day one sees more and more boats on the river and every swimming port seems to be crowded with water fans. The closing of schools is another sign that play time is the present and so, play while the sun doth shine. Pretty little Bessie Dixon, the older daughter of Mrs. William T. Dixon, who has been attending school in Savannah all winter, has joined her mother out at Green Point Farm. The Bob Wilsons, who always come as soon as school closes, have opened up Fox Point, and their jolly "open house Sundays" initiated the season Sunday last.

Golf matches are still leading the Sunday sports for the men and so far we are the victors, although when our confident boys rode down to Preston, they worked a little harder than they thought they would have to. However, this Sunday, will not be so easy either as our foes will be the gallant Easton team and every effort will be exerted to end up the day with flying colors.

Mrs. H. Clay Brown, who is now in her new residence, the Tom Perkins' house, will have Mr. and Mrs. Holt Eliason as her guests, while her son and daughter will be enjoying western and northern sections of the country, respectively. Miss Elizabeth Brown has already left to visit a tennis camp in Maine for ten days, while Mr. Gilpin Brown leaves today with Mr. Richard Decker, of Philadelphia, on a motor trip to Chicago and the World's Fair. Mrs. Decker will visit Miss Catherine Beck during their absence. Mrs. Nettie Slaughter is now visiting Mrs. James G. Beck.

Professor and Mrs. Laurence Ford who have recently moved into the Wickes' apartments left on Tuesday for Canada to spend the summer.

Mr. and Mrs. Louis Whiting were guests last week end of Mr. and Mrs. David Ford. Mr. Whiting, the son in law of Mr. and Mrs. Ford, has recently graduated from the Johns Hopkins Medical School.

Dr. Tom Chambers, prominent surgeon of Baltimore, and Mrs. Chambers will be the week end guest of Dr. and Mrs. Frank Hines. Mrs. Guy M. Stone arrived Thursday to be the guest of Mrs. Eben F. Perkins for a few days.

Parties still seem to be holding ther own in the scheme of events, and ths past week, like last, hold at least three to their count; maybe others too, that I don't know about. Tuesday is rather a favorite day, for last Tuesday there were two, and so the same this week. Mrs. Jesse Maxwell entertained at a bridge luncheon out at Worton Manor in honor of Mrs. Nora Maxwell's niece, Miss Josephine Cockley, of Indiana. On Tuesday night, Mr. and Mrs. Donald Stam entertained atb ridge in honor of Lieut. and Mrs. Harry Derringer. Then on Friday night Mr. and Mrs. Jack Stenger entertained at bridge. All were very pretty and attractve parties. One party, last Saturday night, given by Mr. and Mrs. Frank Connelly was a very lovely affair, but I had mailed my letter to you before I knew about it, so that's why you missed it last week in your little epistle from me.

Wilbur Hubbard is having some of his friends for dinner each week, and entertained informally Thursday night.

The week ends up tonght with the annual Yachtsman's dinner at the Country Club and I know the Captains will hold forth on past attainments and future plans.

The little folk around here seem to be as fast in disposing of their tonsils of late, as some of the older ones were in the winter in getting rid of their appendix. Two more children who underwent a tonsil operation this week were little Peggy Metcalfe, daughter of Mr. and Mrs. Browne Metcalfe and little David Massey, son of Mr. and Mrs. Thomas Massey. Both youngsters are getting along fine at the time of this writing. I am glad to say.

Yours till I write again,
THE WANDERER.

While supervising the loading of hay on one of his farms, Mr. W. W. Chapman fell from the top of the load and broke his collar bone. The bone being set he is able to be about again.

Mr. Gutherie until recently lived in Chestertown where he represented the A. A. C. Fertilizer Company. He is now in the insurance business in Centreville. Miss DeLong is well known in Chestertown having visited at the home of Mr. and Mrs. Taylor Baxter.

Mr. and Mrs. Thomas Smythe, Wallis, of "Ellenwood," Cherrydale, Va., and Miss Anne MacDonald Hawley, of Minneapolis, Minn., are visiting relatives in Kent County and seeing the homes of their ancestors, the Comegys, the Everett, and Wallis families.

Dr. Lewis B. Whiting and Wife, formerly Miss Kathryn A. Ford, were week end guests of Mr. and Mrs. David B. Ford during College Commencement. Dr. Whiting was graduated in Medicine and Surgery from Johns Hopkins University June 12th and will interne at St. Agnes Hospital beginning, July 1st.

Mr. and Mrs. Charles K. Johnson, of Darby, Pa., gave to their daughter and son in law, Dr. and Mrs. William H. Moyer, of Chestertown, a four door Ford sedan for a wedding anniversary present. On June 27th, Dr. and Mrs. Moyer celebrate their third wedding anniversary.

Mr. Calvin Copper was the guest of his mother last week end.

THIS AD COST ME LOTS OF MONEY
BUT I'M RUNNING IT BECAUSE 2 OF THESE PRODUCTS WILL SAVE YOU PLENTY... AND ONE OF THEM, *THE GOLDEN PLY*, MAY EVEN SAVE YOUR LIFE

EVERY year thousands are killed or injured by accidents due to blow-outs. When you travel 40, 50 or 60 miles an hour, terrific heat is generated inside your tire. Rubber and fabric begin to separate—a blister starts—grows bigger and bigger until suddenly BANG! A blow-out! You can't steer, you can't stop.
But now every new Goodrich Silvertown has the Life-Saver Golden Ply that resists heat. Rubber and fabric don't separate, thus blisters don't form. Blow-outs are prevented by overcoming their great, unseen cause.
Silvertowns do not cost a penny more than other standard tires and they give you months of extra wear besides. Play safe. Let us put a set of these Golden Ply Silvertowns on your car.
