ATTENDS OYSTER CODE MEETING

Mr. G. Ellsworth Leary of Rock Hall, President of the Maryland Waterman's Protective Association, attended a meeting in Baltimore on Monday and Tuesday of this week at which the new Federal Oyster Code was explained in detail.

Among the points brought out by code authority heads were the facts that the oyster call law will be rigidly enforced and that the law prohibiting the catching of sponge crabs is now being enforced to the extent that there are a large number of indictments against down the bay crabbers for catching sponge crabs. It was predicted that by prohibiting the catching of sponge crabs, that sea food will again be in abundance in Chesapeake Bay waters.
