EASTON—The Hospital had 178 patients during July, according to a report made at the Hospital Board meeting on Monday. There were only 29 pay patients, 49 part pay and 100 free. It is this tremendous burden of free patients that is rapidly piling up a mountain of debt by the institution. The money paid by the State was earned in full the first four months of the fiscal year, and since then the free work has been a total loss.

SALISBURY—The Two Hundred and First Anniversary at old Green Hill Church will be celebrated at 11 a. m., on Friday, Aug. 24. This old brick church, built on the banks of the wicomico River in the year 1733, with its quaint family pews, and its high pulpit halfway down the side wall, is much the same in appearance as in the ancient days.

SALISBURY—T. Walton Toadvine, of near Fruitland held in the Wicomico county jail as a result of the accident on Main Street Saturday evening, August 4th will face seventeen charges when he is given a hearing in Peoples Court, Chief of Police N. H. Holland revealed Tuesday.

Writs charging Toadvine, whose automobile injured fourteen persons when it ran amuck on a crowded sidewalk and lodged in the window of the Dorman & Smyth hardware company store, with operating a car while under the influence of liquor, reckless driving, failing to stop after an accident, and assault and battery have been sworn out against Toadvine.

CENTREVILLE—Disappearing from the Love Point Ferry Sunday night, William Muth, Baltimore electrician and former resident of Stevensville, is thought by his family to have accidently fallen from the Ferry and drowned in the Bay.

Mr. Muth, who boarded the Ferry Sunday night with his wife and two children, was first missed at Seven Foot Knoll, at the entrance of the Patapsco River. A search of the boat at the time and again when she docked at Baltimore, failed to locate his whereabouts and it was believed he fell into the Bay unnoticed and was drowned.

EASTON—The long delay in building the Easton Postoffice has been due to the fact that the Postoffice Department has been unwilling to proceed with its erection because there were many of the business interests that were not in accord as to the location. Many of the uptown merchants and professioal, men with heavy mails, opposed thes ite down on Dover street.

SUDLERSVILLE—A distance equaling one time around the world and a third of the way 'round on a second trip—33,258 miles in all—is the record of William H. Jones, 70, of Sudlersville, who was retired August 7, after 35 years as a track walker for the Pennsylvania Railroad.

All that mileage was compiled between Roberts and Massey and Mr. Jones estimates that he has worn out 420 pairs of shoes—a pair a month providing he got a good pair.

He retires on a pension and has many friends will wish him a well-earned rest.
