Kent Teachers Seek Return Of Cut In Salary

Appear Before County Commissioners

The Kent County Teachers' Association, in session here yesterday, voted to support the resolutions adopted at the July 26 meeting of the Board of Education which requested of the County Commissioners of Kent county the restorement of the salary cuts of teachers and other school employees of the county which total $14,431.90. A delegation composed of most of the teachers present at the meeting, and with Prof. W. A. P. Strang, president of the group, as spokesman. appeared before the County Commissioners yesterday in support of the resolutions.

The County Commissioners, apparently agreeable to the request, took the matter under advisement until such time as further information concerning similar action in other counties could be secured.

The resolutions adopted by the Board of Education and supported by the teachers were:

"WHEREAS, The teachers and the other salaried employees of the public school system of Kent County, Maryland had to accept salary cuts of 10 per cent to 13 per cent the past school year which made it possible for the county tax rate for schools to be lowered 7 cents on each $100 of assessable property taxable at the full county rate (the other 13 cents of the 20 cent reduction being made possible by the new State appropriation of $25,844 based on the 1930 United States Census for Kent County); and

"WHEREAS, The Board of County Commissioners of Kent County, Maryland, out of fairness to the school people surrendered 10 per cent of their salaries last fiscal year ending June 15, 1934, and required all other public salaried officials and employees in the county to accept a 10 per cent reduction in salary; and

"WHEREAS, The Board of County Commissioners decided when making the levy for the county fiscal year ending June 15, 1935 that the tax payers of the county no longer need the relief referred to above, as evidenced by the full restoration of the cuts in their own salaries and those of all of the other public salaried officials and employees outside of the public school system; and

"WHEREAS, The increase in the cost of living, during the past year which evidently actuated the county commissioners in restoring the salary cuts of themselves and other public officials and employees outside of the school system affects the school employees quite as much as the other public employees; and

"WHEREAS, It is reasonable to assume that the said county commissioners are as impartial as they were last year and are only waiting to be asked to restore for the school fiscal year beginning August 1, 1934 the amounts of the salary cuts to school teachers and other school employees; therefore, be it

"Resolved, That the Board of County Commissioners of Kent County, Maryland, be and it is hereby requested to restore to the teachers and other employees of the public school system of Kent County, Maryland, for the school fiscal year beginning August 1, 1934 their salary cuts which total $14,431.90.

"Resolved further, That a copy of these preambles and resolutions be presented to the Board of County Commissioners of Kent County, Maryland, at its next regular meeting."
