THIS BEING THE last issue of the Transcript befor ethe Democratic primaries next Wednesday, we wish to again point out the advisability of nominating th eentire harmony ticket. The harmony ticket is well named because it represents a ticket that has been made up through an agreement of the two recognized factions of the Democratic party in Kent county. This agreement was effected for the benefit of the Democratic Party in the county by avoiding a bitterly fought primary between the two factions. The necessity of electing the entire ticket is far more important than merely honoring the individual candidates who are seeking the various offices, because the defeat of any part of the ticket will greatly hamper a unified Democratic nomination in the future and would tend to create a free for all scramble of political aspirants which in a few of the counties in the State in past years has resulted in a chotic condition, the effect of which has been greatly to the detriment of the Democratic party. Many politically ambitious Democrats have sacrificed their personal ambitions to bring about harmony in the party and have not only endorsed the harmony ticket but are working to assure its nomination. The joining of the two factions and the adoption of this ticket undoubtedly should assure its election in the fall.

The men and women, whose names appear on the county ticket at the head of this column are men who have been life long Democrats, they are outstanding citizens of their respective communites, and have, together with their families and ancestors worked for the interest of the Democratic party. They are working day and night in support of the entire ticket and deserve the support of the registered Democratic voters of the county next Wednesday.

JUDGE THOMAS J. KEATING, candidate for Chief Judge of the Second Judicial Circuit, has the unanimous endorsement of the Kent County Bar with one exception and that member of the Bar has made no statement as to whom he favors. This endorsement is an evidence of the record Judge Keating has made in the Kent County Court as the Bar is in a position to judge his ability ad sum up his record. His seniority and experience on the Bench particularly qualifies and entitles him to the Chief Judgeship of this circuit.

## William Mason Shehan

### *Candidate For Chief Judge Of The Second Judicial Circuit Of Maryland*

Now that the case is about to go to the jury of all the voters to decide at the ensuing primary election, voters, by marking X opposite the name of William Mason Shehan for Chief Judge of Second Judicial Circuit of Maryland, will do so with positive assurance in the correctness of their judgment. And, they will be equally assured that the people of our Circuit in their local cases, and that the people of the State of Maryland in their appeals to the Court of Appeals of Maryland, may rely upon Mr. Shehan for intelligent and impartial administration of justice in the high office for which he is so eminently qualified.

Let us here review some of Mr. Shehan's outstanding attainments by reason of which he is entitled to receive, and undoubtedly will receive, the favorable consideration of the voters in the primary election to be held next Wednesday.

1. His high character and personal integrity are beyond question.

2. From the humble and limited position of a country boy, the son of parents of modest means, he has, through his own efforts, and through his willingness to serve others, achieved an outstanding position of leadership and distinction in the State.

3. Having started at the bottom, he has that keen and sympathetic insight into the problems of all the people that can be gained only by such experience.

4. Mr. Shehan's understanding of people has made it possible for him to serve them well, both in countless individual matters and in public service.

5. His wide and varied business experience is a decidedly important judicial asset.

6. His unsurpassed eminence and success as a trial lawyer reveals in him the legal qualification essential to the Judge sitting in Court trials.

7. An examination of the Maryland Report in which are found the record of appeal cases from the entire State of Maryland which have been decided in the Court of Appeals of Maryland give unmistakable evidence in the numerous cases tried by Mr. Shehan before the appelate Court that he is especially well qualified to be a member of that Court in connection with whose deliberations he has for many years occupied so prominent and so preeminent a position.

8. His legal attainments and learning have been so generally recognized as to have brought him practically every office of honor and distinction that could be accorded in this State to a leading lawyer, among which offices and affiliations, all of which have been without compensation, may be mentioned the following in which he has served:

PRESIDENT OF TALBOT COUNTY BAR ASSOCIATION.

PRESIDENT OF THE MARYLAND STATE BAR ASSOCIATION.

MEMBER OF THE JUDICIAL COUNCIL OF MARYLAND.

MEMBER OF THE AMERICAN INSTITUTE OF LAW.

MEMBER OF COMMITTEE TO REFORM CRIMINAL PROCEDURE IN MARYLAND.

His wide experience and wise judgment were made available to the State in his selection as a member of the Committee on Reorganization of the Departmental Government of the State.

His many other public services without compensation, upon commission appointed to give consideration to matters of great importance in which the people of the State were interested, together with the many services included in the enumeration above, which have extended over thirty years of public life, present to the people of our Judicial Circuit a record which deserves thoughtful consideration on the part of every voter.

9. It would be hard, if not impossible, to find anyone in the State of Maryland who has more unselfishly given of himself or to whom a reward may now more fairly be given in appreciation of public service than may now be done by each and every vote in favor of William Mason Shehan for Chief Judge of this Circuit.,

10. Without intending in any way to reflect upon either of the other candidates for this most important office, it can, however, be said that the people of this Judicial Circuit may be especially gratified that they have the opportunity through their vote to line up squarely and solidly with voters of our sister counties, whose votes will be given in assuring our Circuit and our State able, intelligent and fair administration of justice with the Honorable William Mason Shehan as Chief Judge of the Circuit.

Political Agent for William Mason Shehan.
