TO STAGE SHOW FOR AMBULANCE

THREE NIGHT PERFORMANCE OCTOBER 10, 11 AND 12TH

TO BE PRESENTED UNDER DIRECTION OF WHEELER PRODUCING CO.

The Board of Control of the Chestertown ambulance wish to announce that preliminary arrangements have been made for the production of a big local show here on October 10, 11 and 12, proceeds to go to the ambulance fund.

As most of our readers are aware, the ambulance has been out of service for some time, and funds are needed for some necessary repairs before it can again be put into service for Chestertown and vicinity, and the proceeds from the coming entertainment are to be used for that purpose. The benefit is to be sponsored by the Board of Control, which will have the assistance of practically all of the local organizations and churches in Chestertown in making the affair a success, and the support of Chestertown and vicinity is solicited in this worthy cause. The ambulance is a big and much needed asset to our community , and we regret that lack of funds to make needed repairs has forced its withdrawal from the service of the community.

Mr. and Mrs. Wheeler of the Wheeler Producing Company, well known to the residents of Chestertown and vicinity, having staged many very successful shows here in past seasons, and who have many personal friends here, have been engaged to stage their new musical comedy production, 'Mixed Pickles,' which will have a large cast of our local talent.

As an added attraction, the kiddies, who are always a feature with the Wheeler shows, will have a prominent part. 'Mixed Pickles' is a big new musical comedy offering in three fast action acts, bubbling over with mirth, melody and side splitting laughter, the action interspersed with pretty and attractive singing and dancing chorus numbers. The show will be elaborately presented with all new costumes, scenery and electrical effects, and the reputation that Mr. and Mrs. Wheler have gained in our community in past years for presenting good high-class entertainment, is sufficient guarantee that 'Mixed Pickles' will be a worth while entertainment. Rehearsals are to commence on Monday, October 1st.

WILMINGTON PRO WINS GOLF OPEN

H. S. RUSSELL LEADS AMATEURS

The continuous rain last Sunday did not halt the Eastern Shore Open Golf Tournament at the Chester River Yacht and Country Club last Sunday.

Sixty Amateurs and professionals competed in the 27 hole match in spite of the rain and crowded the local course to a point where the sponsors are coninced that the rain was a blessing in disguise.

Charles Schneider, professional at the Concord Country Club near Wilmington, with a score of 113 for the 27 hole match turned in the low card to win a medal and $60 in cash prize. He shot the last nine holes in par, 34, to nose out his nearest competitor H. S. Russell of the local course, by one stroke. Russell won second place but in order to maintain his Amateur standing had to pass up the $25 second money and accept the Amateur trophy.

Al Treder, Washington professional won the second money with a card of 115 and Andy Gibson and George Diffenbaugh split the $15 third prize with 117 strokes each.

Nelson Halsey, of Baltimore was second in the Ameature list with a 117 card and Frank Roesch, of Washington and B. R. Richards, of Newark, tied for third with 118 each.

CAT ANSWERS ADVERTISEMENT

Calling your attention to an advertisement that appeared in the Transcript two weeks ago.

NOTICE, MY KITTIES ARE GONE

Last Friday night I saw my two little gray and white kittens go to bed and when I got up Saturday morning I could not find them. They were so little they could not have run away. I miss them so much and will offer a reward of 25 cents each for their return and will not ask any questions.

MISS JANE BROOKS,
Phone 52 202 Water Street
s8-tf.

Well Miss Jane Brooks did not find but one of her kittens. However a little girl wrote to her from Earlville and offered to give her six kittens and we understand she has been offered some more.

The Monday after the advertisement appeared a real joke was played on us. A cat must have seen the advertisement. On opening the door to an outbuilding which we use for storing paper we weer run over by a cat scramming from the inside out. That did not bother us at all but we heard a faint cry and saw a little kitten with its eyes open but unable to navigate very far under its own power. Only the one was there, so we figured the mother cat was trying to help Jane Brooks out.

Poor little kitten and the mother had left it. Milk was purchased but we could not get the little kitten to drink. Finally the milk disappeared, mother cat had sneaked back. Now mother cat has become tame enough to jump in your lap when she is not wanted. The office force is keeping her well fed with fish roe, sardines, hamburg and milk.

A bar room is no place to raise a child and a printing office is no place to raise a kitten. The mother has a habit of bringing the kitten into the shop and both are liable to get hurt in a machine.

So we are asking for a good home for the cat and kitten. Both mother and kitten are pure white, not a colored hair of any sort on either. Don't be bashful, every home should have a cat; this pretty family is your if you come for it first.

Mr. Marion Smith after studying the election results of all the counties on the Shore announces that Kent gave Conley less majority than any other county.

The Flower Show in the armory was quite a success and had the largest attendance yet. Mrs. Grace Maxwell and gang deserve a lot of credit for putting it over bigger than ever. By the way, just about everything held at the Armory has been quite a success.

Nice who won the Republican nomination for governor only received 26 votes of of 1001 cast.

Something else that Chestertown has to be proud of is the Public Library. Trying to give the people the best they can, they keep adding new books which cost money. The blue song 'The Rent is Due' is sung to them like everybody else. Right now the Library is after new supporters. Donations of a dollar or more will be greatly appreciated.

Chestertown's Liquor Store lost two grocery customers last week but they took in over a hundred dollars in one day on the sale of liquors. Quite a gain.

Another gang that profits by elections is the churches. All church suppers before the primary were well attended and there is no reason why th ones before the election will not be well attended also. What is more nearly all the churches are planning on having a supper. As one member said the primary got us out of debt and what we make on the supper before the election will be all profit. It helps newspapers, election officials and politicians besides a lot of others. Glory be to politics.

Chestertown has a real winter atmosphere about it. College students roam the streets. Gill Bros. again break all records for noise when the high school students go there at noon time. Many more cars in town and people on the streets at nights than in summer time. Movies have large attendance. Coach Ekiatis thinks his foot ball team will be improvement over last year and remember they did not do so bad last year. The College has a large enrollment, many handsome freshman boys and rather crafty looking janes according to the S[illegible] of the basket ball squad. It is said but true that practically all boating, swimming, trips to Betterton and other summer time doings are over.

FIREMEN EXTINGUISH BURNING CAR

A model T. Ford owned by Mr. O. E. Yerkey, of Quaker Neck, caught fire in front of Metcalfe Bros. office Monday night and the entire top part of the car was destroyed.

Mr. Yerkey had just purchased five gallons of gasoline at the Metcalfe pumps and was standing in front of his car counting the money to pay for it. According to his statement he thought the headlights of the model T were unusually bright and he looked up to find his car in flames. He and other men who were there at the time pushed the car away from the buildings and the local fire company soon extinguished it.

NEW PUMP FOR WATER WORKS

WILL BE PUT IN SERVICE NEXT WEEK

According to present plans the new pump and well, recently installed by the Chestertown Water Board will be put in service next week as an addition to the present system.

The new pump and well will deliver a minimum of 225 gallons a minute which will increase the capacity of the present system by at least one third. The pump and well have been thoroughly tested for mechanical efficiency and the Water Board is awaiting the final approval of the State Department of Health as to the water analysis test before putting it into service.

After next week the water system of Chestertown will have a capacity at least 600 gallons a minute which can entirely replentish the 112,000 gallon mains and storage tank in three hours.

FIELD TRIALS ATTRACTS MANY ENTRIES

LOCAL DOGS PLACE IN EVENT AT CHESTERVILLE

Coon dogs from four states and their proud owners vied for honors last Saturday on the John Hollett farm near Chesterville in Kent County when the Eastern Shore Coon Hunters' Association held their field trials.

A large gallery was rewarded by seeing some of the leading money dogs of the East stage closely contested heats and finals.

Generally considered the high spot of the day was the pot chase in which 24 dogs were turned loose at one time to tongue the trial over a quarter mile course and all, it seemed, arrived at tree at the same time to leap high against the trunk of the tree and deliver a brand of 'music' that tickled the ears of scent bag veterans.

Winners in the various events were as follows:

First heat—Line dog, Sambo, Coon Club of New Jersey.

First heat—Tree dog, Trump, Townsend of Rock Hall.

Second heat—Line dog, Nell, Boulden of Cecilton.

Second heat—Tree dog, Spare Ribs, Paden of Pennsylvania.

Second heat—Line dog, Speed, E. Cole of New York State.

Third heat—Tree dog, Beauty, Boulden of Cecilton.

Final line prize went to Speed.

Final tree won by Spare Ribs.

In the pot chase, Dixie, owned by Boulden of Cecilton, won first line. Driver, owned by Crumpton, won first tree.
