WILMINGTON DAY NOV. 14

MERCHANTS MAKE ELABORATE PREPARATIONS FOR ANNUAL AFFAIR

Wilmington merchants, under the auspices of the Mercantile Section of the Chamber of Commerce, have designated Wednesday, November 14, as the 'Official Fall Wilmington Day' in that city.

Every possible effort has been made by retail merchants of Wilmington to provide the most attractive and economical merchandising event which has been offered to the housewives of the Del Mar Va Peninsula and adjacent counties in Pennsylvania and New Jersey for many years. In every line of retail merchandising, including articles of all home utility, clothing and the miscellaneous items used by every member of the famiy, and, in fact, through a wide generality of articles for every purpose, the most thorough effort has been made by Wilmington retailers to furnish economically, thoroughly and satisfactorily the requirements of the thousands of visitors who, get experience has shown, invariably take advantage of the unusual offerings made on these semi-annual special days.

In addition to furnishing shoppers an opportunity to avail themselves of rare bargains, this event will offer also an opportunity to inspect, as a result of the wide co-operation of merchants, the display of the latest Fall creations in wearing apparel for the entire family, as well as the latest thing in household equipment of every character. For the last month the various committees representing the Mercantile Section, as well as the participating merchants, have been exerting every effort to conduct a merchandising event which will be remembered as the premier one of the series initiated some years ago, not only in thorough preparation and unusual displays of seasonable merchandise, but in the range of prices.

In anticipation of the great influx of purchasers which always greets this event, purchasing authorities of Wilmington stores for weeks have been combing the markets for additional last word stocks to meet anticipated demands. Arrangements also have been made through the cooperation of the Police Department, that every police courtesy possible will be offered by that Department, as usual, to out of town motorists.

IF YOUR BREATH HAS A SMELL YOU CAN'T FEEL WELL

When we eat too much, our food decays in our bowels. Our friends smell this decay coming out of our mouth and call it bad breath. We feel the poison of this decay all over our body. It makes us gloomy, grouchy and no good for anything.

What makes the food decay in the bowels? Well, when we eat too much, our bile juice can't digest it. What is the bile juice? It is the most vital digestive juice in our body. Unless 2 pints of it are flowing from our liver into our bowels every day, our movements get hard and constipated and ¾ of our food decays in our 28 feet of bowels. This decay sends poison all over our body every six minutes.

When our friends smell our bad breath (but we don't) and we feel like a whipped tomcat, don't use a mouthwash or take a laxative. Get at the cause. Take Carter's Little Liver Pills which gently start the flow of your bile julce. But if "something better" is offered you, don't buy it, for it may be a calomel (mercury) pill, which loosens teeth, gripes and scalds the rectum in many people. Ask for Carter's Little Liver Pills by name and get what you ask for—25¢. ©1934, C.M.Co.
