NEXT THURSDAY IS Thanksgiving Day, a day set aside for the purpose of giving thanks for the crops that have harvested. While the recent depression has left many in dire financial straits, it must be remembered that these troubles were man made, and that during the year just ending there is much to be thankful for in Kent County. There has been an abundant of rainfall and the crops have been generally good. Nature has been kind to all walks of life and next Thursday should be one of prayer and Thanksgiving and a day on which to share our bounty of food stuffs with those who are less fortunate.

CATCHES GOLD FISH

Captain James Wilmer, of Betterton, while fishing in Still Pond Creek this week, caught a gold fish that weighed a pound. He took the fish home and is attempting to keep it alive. The fish is apparently of the carp family and Captain Wilmer says that he catches one of these fish each year.
