Odd--But True

TRACTORS

It is not too soon to be making your plans for the tractor you will need for the early spring plowing and certainly there is a real need for power to grind feed, saw wood, etc., right now.

We have all sizes and types from the small F12 all purposes tractor to the large fore wheel or track tractor. A 'McCormick-Deering' or 'Farmall' tractor user is always a satisfied user. Ask them, and then ask us to tell you how easy it is to own one.

GUN SHELLS

If you have good gun shells you have nobody but yourself to blame if you do not get the game. We sell 'Super X' 'Winchester' 'Xpert' and 'Ranger' shells. Our prices are right.

TRAPS

We are selling a lot of traps to the experienced trappers who are getting ready for the opening of the muskrat season. Get yours now and do not waste any of the days you are allowed to trap. A rat or two will pay for good many traps. Prices as low as $1.25 per dozen.

Other Winter Items

Plumb Axes, Wood and coal burning heaters, Cooking ranges, Iron wedges, Cross cut wood saws, Coal hods.

If it is supplies for the farmer we have it.
