FARM BUREAU CONCRESSIONAL PROGRAM

PRESENTED AT ANNUAL MEETING THIS WEEK

Legislation the American Farm Bureau Federation will 'demand' from th present session of Congress was outlined to more than 1,000 Maryland farmers at the Lord Baltimore Hotel Wednesday by Chester H. Gray, the federation's chief lobbyist.

Speaking before the annual convention of the Maryland Agricultural Society and the Maryland Farm Bureau Federation Mr. Gray said his organization will seek:

Cessation of all price-fixing activities by the Federal Government.

Drastc revision of the NRA and its codes, with which, he said, 'the Farm Bureau Federation is gratly displeased.'

'More wisdom' in the selection of projects for the expenditure of Federal funds.

The 'proper amending' of the Agricultural Adjustment Act 'so that it will be a permanent piece of legislation instead of being merely an emergency treatment of an acute depression condition which faced us in 1933.'

Lower interest rates for agriculture.

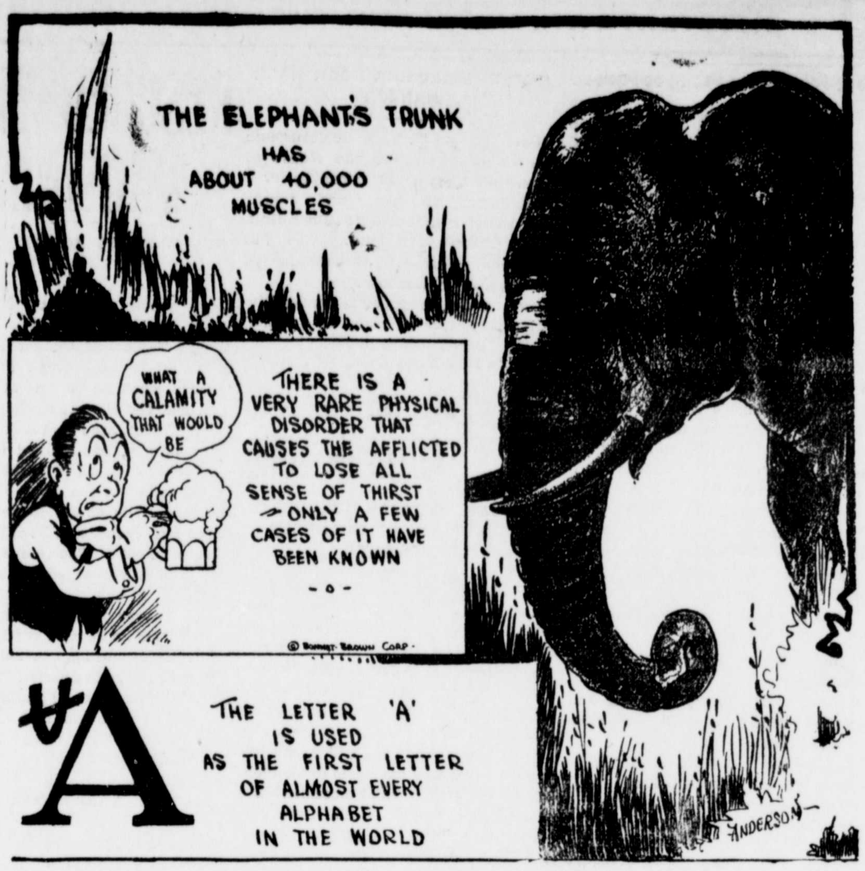

Revaluation of the dollar, 'as a most effective aid in raising prices of farm products.'

Centralization in the Department of Agriculture of all activities of the Federal Government which have a connection with land policy and land administration.

Elimination of speculation on the commodity exchanges, which he declared is 'now as vicious as it ever has been.'

Retention of competition in transportation facilities, 'so that all the citizens can get the largest extent of benefit possible out of efficient service in transport and in the lowest possible rates.'

Odd--But True

TRACTORS

It is not too soon to be making your plans for the tractor you will need for the early spring plowing and certainly there is a real need for power to grind feed, saw wood, etc., right now.

We have all sizes and types from the small F12 all purposes tractor to the large fore wheel or track tractor. A 'McCormick-Deering' or 'Farmall' tractor user is always a satisfied user. Ask them, and then ask us to tell you how easy it is to own one.

GUN SHELLS

If you have good gun shells you have nobody but yourself to blame if you do not get the game. We sell 'Super X' 'Winchester' 'Xpert' and 'Ranger' shells. Our prices are right.

TRAPS

We are selling a lot of traps to the experienced trappers who are getting ready for the opening of the muskrat season. Get yours now and do not waste any of the days you are allowed to trap. A rat or two will pay for good many traps. Prices as low as $1.25 per dozen.

Other Winter Items

Plumb Axes, Wood and coal burning heaters, Cooking ranges, Iron wedges, Cross cut wood saws, Coal hods.

If it is supplies for the farmer we have it.
