Foreign Advertising Representative
THE AMERICAN PRESS ASSOCIATION

Entered at the Postoffice at Chestertown, Md., as Second Class Matter.

THE WATERMAN'S Protective Association of Rock Hall are opposing any change in the present oyster laws of Maryland. Efforts are being made at Annapolis to change the present cull law permitting the catching of smaller oysters and temporarily lifting the ban on the use of oyster dredges in the upper bay. It is contended that if either of these measures are passed it will deplete the oyster bars and further glut an already glutted oyster market. Oyster packers favor the change and say that under the existing laws they will have to close packing plants and lay off large numbers of employees. If the price of oysters could be raised to a higher level the supply would be increased as at the present prices it is hardly worth while for tongers to try to make a living.

RECENT ACTION OF the Maryland Legislature in trying to solve the question of relief in this State points to an early elimination of the present relief problem. Present indications point to the fact that part of the relief burden will be thrown directly on the counties and if that measure is passed and it is necessary for the counties to increase the tax rate to meet this increased burden a large proportion of it will automatically disappear. Under the persent Federal relief each county has its Board of Welfare who have certain powers as to the administration of relief but are bound by Federal regulations. Then again the payment of the relief burden is not felt directly. If this burden is thrown on the counties and tax payers are compelled to dig down in their pockets to meet it, much of the present relief will soon become a thing of the past.

CONGRATULATIONS are in order for the State Roads force for their activities during the snow storm this week. The clearing of the roads is an important piece of work but far more important is the rescue of motorists who were stranded on the hghway. Were it not for the activity of these men rescue parties of citizens would have had to face the storm in an effort to help men women and chidren to shelter who were not properly clothed to get out of their cars and fight their way through the snow without more serious results. Doing a job under ordinary conditions is admirable but when men do their work under great obsticles they should be considered heroes.

The President's Ball, to be held in armory next Wednesday night deserves the support of the entire community, particularly in the fact that seventy per cent of the proceeds will be used for the support of the local hospital. Communities are expected to build and maintain hospitals and Kent county should share its part of this burden.

WILL NAME ASSISTANT POSTMASTER HERE

According to present indications a special executive order will be passed naming an assistant postmaster for Chestertown. There has been no assistant postmaster in the local office since the death of Mr. Fred S. Russell last summer.

Should the executive order be passed Mr. Alvin Coleman will be named to that post. He is the senior employee in the office having served as a postal clerk for 22 years.

Doctors Know!

. . . and they use liquid laxatives

You'd use a liquid, too, if you knew how much better it makes you feel.

A liquid laxative can always be taken in the right amount. You can gradually reduce the dose. *Reduced dosage is the secret of real and safe relief from constipation.*

Just ask your own doctor about this. Ask your druggist how popular liquid laxatives have become. The right liquid laxative gives the right kind of help—and the right amount of help. When the dose is repeated, instead of more each time, you take *less*. Until the bowels are moving regularly and thoroughly without aid.

People who have experienced this comfort, never return to any form of help that can't be regulated! The liquid laxative generally used is Dr. Caldwell's Syrup Pepsin. It contains senna and cascara, and these are *natural* laxatives that form no habit. It relieves a condition of biliousness or sluggishness without upset.

To relieve your occasional upsets safely and comfortably, try Syrup Pepsin. The druggist has it.

Dr. Caldwell's SYRUP PEPSIN
