CANDIDATE FOR MAYOR

In announcing myself as a candidate for Mayor at the election to be held on March 18th, 1935, I think you would want to know my attitude on two things:

I am opposed to any increase in the present tax rate. Every effort should be made to decrease it.

I am now and always have been opposed to the building of a Sewerage Disposal Plant until it has been submitted to and had the approval of a majority of the voters. Its construction and operation will compel a decided increase in the tax rate.

If my ideas on these matters are in accord with yours, I will appreciate your support and will do my best to carry out your wishes.

NOTICE OF DELIQUENT COUNTY AND STATE TAXES FOR 1931, 1932 AND 1933.

All taxes for these three years on both Real & Personal Property must be paid before March 15, 1935.

All taxes for the above years not paid by or before that date will be advertised and sold to satisfy said taxes. Personal Property will be sold on the premises where ever located. Only enough to satisfy deliquent taxes thereon. I shall run this notice through the month of January in order that every taxpayer in the county may be advised of what must be done before I vacate this office.

H. S. STARTT, Treas.

$37,013.24 IN BACK TAXES OVERDUE

INCLUDES 1930, 1931, 1932 AND 1933

PROPERTY WILL BE LEVIED ON AFTER MARCH 15TH

According to a statement made by Mr. H. Stockton Startt, there is $37,014.24 in back taxes due Kent County for the years 1930, 1931, 1932 and 1933 and unless these taxes are paid by March 15th, work will start levying on the properties in preparation for tax sales.

For 1934 which represents taxes which were due Setember 1st, 1934, there were $38,048.72 yet unpaid January 31st, 19395. A portion of this amount has been paid since that time and a recent act of Legislature sets August 15th as the time when the property may be levied on for tax sale for taxes due the preceeding September.

The unpaid State and County taxes for the years 1930, 1931, 1932 and 1933 are as follows:

1930—County $1508.72; State $176.05.
1931—County $2976.15; State $346.46.
1932--County $16,270.74; State $2,435.98
1933--County $16,258.63; State $3,934.77.

County Treasurer H. Stockton Startt during the last four years, has endeavored in many ways to collect the above unpaid taxes. He has established a partial payment plan whereby any portion of the taxes may be paid at any time and through this method has materially reduced the amount of overdue taxes. However as the county is badly in need of funds he has definitely set the date of March 15 for the levying on property for which the taxes have not been paid for the years 1930, 1931, 1932 and 1933.

A good proportion of the unpaid taxes for the past three years is on the same property 9and it is interesting to note that there is only a $12.11 difference between the unpaid taxes of 1932 and 1933.

ROCK HALL HARBOR SHOULD BE DREDGED

ROCK HALL HARBOR SHOULD BE DREDGED

Efforts are being made by the town officials of Rock Hall through Congressmas T. Alan Goldsborough to have the harbor of Rock Hall dredged by the Federal Government.

Congressman Goldsborough was sheduled to be at Rock Hall last week to meet with officials of that town to discuss the matter but was unable to keep the appointment.

The dredging of Rock Hall harbor should receive every consideration by the Department of Engineers due to its shallow condition and the amount of boat traffic in and out of that harbor.

Points Out Danger of State School Budget Cut

WOULD INCREASE LOCAL TAX RATE OR PUT BURDEN ON PARENTS

(BY LOUIS C. ROBINSON)

The following article which was embodied in a letter from Louis C. Robinson, Superintendant of Schools for County, to the presidents of the Parent-Teachers Associations of Kent County points out what Governor Nice's proposed cut in the State school appropriation would mean to Kent County.

To Presidents of Parent-Teacher Associations in Kent County:

As superintendent of schools in Kent County, it is my duty to see that you are informed regarding the effects on the local school situation that will be caused by the reductions in the State budget for schools during the next biennium if those cuts are not provided for in the Governor's supplemental budget that will be presented to the Legislature in the near future.

For some years prior to last school year the State paid in the Equalization Fund counties, of wihch Kent is one, the entire cost of transporting both elementary and white high school pupils. To help the State meet an emergency during the current two-year budget period, one-half of the cost of transporting high school pupils was placed on the counties. An attempt was made by the counties to absorb this additional expense without increasing the local tax rates. In Kent as in some of the other counties this attempt failed because the local board of education did not have a substantial balance at the beginning of the current biennium, August 1, 1933. In fact, one-half of the high school transportation which the State threw back on the county was one of the main factors which caused the present deficit of the school board.

Unless the Governor provides in his supplemental budget money with which to pay all of the transportation of high school pupils during the two-year period beginning August 1, 1935, either the tax rate in Kent County will have to be increased three and one-tenth cents (3:1 cents) on each $100 of assessable property taxable at the full county rate to pay or onehalf the cost of that item or this expense will have to be borne by the parents of the high school children who are transported each of the next two years.

This last arrangement would, in the opinion of the members of the Board of Education of Kent County and the writer be most unfair. It is not at all just to expect parents of high school pupils living in isolated communities, because of this circumstance, to contribute more to the cost of educating the children of the county than do those parents who are fortunate enough to live near high schools. There will be no alternative, however, if neither the State nor the County takes care of this expense. The State is in a far better position to do it than the county. May the writer, therefore, suggest that you write at once in the name of your parent-teacher association to Governor Harry W. Nice, Annapolis, Maryland, urging him to include in his supplemental budget funds with which to pay the half of high school transportation that was not provided for in his first budget? It would help this cause further if you would send a copy of your letter to each of the following representatives of Kent County in the Maryland Legislature:

Mr. Arthur H. Brice, Senator from Kent County, Annapolis, Md.

Mr. Wilbur Ross Hubbard, Delegate from Kent County, Annapolis, Md.

Mr. Roy Strong, Delegate from Kent County, Annapolis, Md.

Other cuts for school purposes made by the Governor in his first budget that should be restored in his supplemental budget if the school systems throughout the counties are not to be seriously handicapped in their work are:

1. The reduction of $250,000 in the fund of $1,500,000 distributed to the counties on the basis of the 1930 census for the purpose of reducing the school tax rate in the counties to the

SHAKESPEARE CLUB TO PRESENT HAMLET

WILL BE FOURTH SHAKESPEARE PLAY PRESENTED BY COLLEGE CLUB

Shakespeare's Hamlet, to be performed March 8, in the Auditorium of William Smith Hall, will be the fourth offering of the Washington College Shakespeare Players.

Hamlet is the most ambitious undertaking these young people have so far attempted. On the other hand, it is a play which, probably because of its inherent beauty, seldom fails.

Critics have said that the play is the one above all others which Shakespeare wrote to please himself. If that is so, then he proved here that the surest way for an artist to please the public is to please himself first, for this has always been the favorite among the tragedies, not only of Shakespeare, but also of all other writers.

The play was written in 1601, just after Queen Elizabeth had executed in what seemed to many a tyrannical fashion, the popular favorite, the Earl of Essex. Essex's story need not be re-told here. He engaged royal forces under his command in an expedition already forbidden by the Queen; was found guilty of treason, and beheaded. He acted under private assurances from the Prime Minster, and undoubtedly with a more favorable outcome would have been landed instead of condemned. Popular indignation ran high. Murmurs against the tyranny of the crown rose.

Mr. William Oliver Baker, by now almost a veteran Shakespeare player, appears in the title role. He is supported by Miss Nola Hill as Ophelia, Mr. Robert Shaull as Polonius, and Mr. William McCullough as Laertes. Miss Marian Brown and Mr. Wesley Sadler enact the Queen and the King, with Mr. Arthur Greims as Horatio and Mr. Carroll Casteel as the Ghost.

PROGRAM FOR PEACE CONFERENCE

WILL BE HELD AT WASHINGTON COLLEGE NEXT THURSDAY

Miss Bessie L. Snow, of Baltimore, Executive Secretary of the League of Nations Association (Maryland Branch), has been added to the excellent group of discussion leaders assembled for the Annual Peace Conference being sponsored March 7 and 8 by the Washington College Y. M. C. A. at Chestertown. The topic of the conference will be 'Wage Peace Wage War?'

Dr. A. C. Goddard, of Wilmington; Dr. W. E .Gunby, of Newark, Delaware; Miss Pauline Albertson, of Salisbury; Prof. James H. Bishop, of Dover; and Mr. E. A. Schall, of Baltimore, are other outstanding leaders.

Registrations indicate that from that point of view the conference should prove a success. High school students, college students, delegates from churches, ministers, and any others interested in World Peace are invited.

This Conference will be the first in Maryland to combine high school students, college students, and ministers. It is the outgrowth of a conference held within the college on the subject of 'Pacificism and War Propaganda' under the leadership of Prof. James H. Bishop of Dover last year.

World Peace is considered by many to be the paramount issue of the day. Paul Harris of the National Council for the Prevention of War in a recent address expressed fear of a war involving the United States before 1940 leading to the destruction of democratic government and ushering in a post-war depression making the present one look sick by comparsion if the present foreign policy of the United States is pursued. He also said, 'The young voter has the most to lose by war. All relations between nations are endangered and peace ruined by another major war. War must be prevented by a new attitude in America.'

Since it is the young voter who has the most to lose by another war, the Washington College Y. M. C. A., is conducting the conference on World Peace for the voters of tomorrow and the more interested of the voters of today.

C. N. SATTERFIELD AND P. G. WILMER IN MAYORALTY RACE

GEORGE RASH, HARRY FALLOWFIELD AND DR. J. S. W. JONES POSSIBLE CANDIDATES FOR 4TH WARD COUNCILMEN

With the announcement this week by Mayor C. N. Satterfield that he will be a candidate for re-election, and the previous announcement of Mr. P. G. Wilmer as a candidate for that office, town politics is one of the principal topics of conversation here.

Both candidates, in their announcements have taken the stand of opposing the building of a sewerage disposal plant in Chestertown without a favorable vote by the tax payers. To date neither candidate has taken a stand on any other policy of town government. (See editorial on page 5.)

At the time of going to press on Friday only one candidate had filed with the Supervisors of Election, and Mr. L. G. Brown, Judge of election, stated this week that 12 p. m. tonight, Saturday was the deadline at which candidates could file for office. The one candidate who has filed for office is Mr. George W. French, candidate for Councilman from the Second Ward. Up to the present time Mr. French is unopposed in that ward. Mr. Charles Wheatley who has been mentioned as a candidate to oppose Mr. French stated Friday morning that he would not be a candidate.

In the Fourth Ward things are different as there is a possibility of three candidates for Councilmen. They are Messrs. George Rash, Harry Fallowfield and Dr. J. S. W. Jones, although we have received no definite announcement from any of these three.

There will be no election of Councilmen in the First and Third Wards, Messrs. R. H. Rogers and John W. Barnes, present Councilmen, hold over until 1937.
