WOMEN'S ADVISORY COUNCIL MEETING

ALL SECTIONS OF KENT COUNTY REPRESENTED

(BY MRS. DOROTHY SKIRVEN)

Despite overcast skies, muddy lanes, and slippery roads, the spirits were not dampened of an enthusiastic gathering women who met all day Thursday at the Quaker Neck Community Hall; women who drove from all parts of Kent County to attend the regular Spring Advisory Council meeting composed of County Officers and Officers of the nine Homemakers Clubs of Kent County. Close to 100 per cent. were in attendance.

Mrs. T. H. M. Bramble as County President called the meeting to order and after the usual business routine, the chairman of the eleven committees told of coming events and plans for Club Work during the next six months. With the view and stick-to-it-iveness of these women every project should surely reach its goal.

Some of the high points were: for Foods, Miss Catherine Hepbron announced a very practical Cheese Demonstration to be open to all women in Kent in April, and a Canning Exhibit with prizes in the fall. For clothing with Mrs. Wilbur Morris, a Coat School is to be held in Kennedyville on March 6th, 6th and 7th. On the same days in Chestertown the Dress School is to be held; and both schools are open to anyone who wants to make a good looking, well fitting coat or dress.

Mrs. Elwood Burgess announced that under the House Furnishing Committee Classes in Slip Cover making are to be held May 6th, 7th, and 8th. In the Fall a class in Upholstery and speakers on Interior Decorating, Picture Placing, and Wall Paper will meet the different clubs.

Mrs. Jesse Maxwell as Flower Chairman had a full program planned with her committee, outstanding were the plans for the Flower Mart and Garden Party to be held at the Chestertown Armory on May 16th and 17th at which thirty booths will be occupied by well known flower houses, local business houses, clubs and churches.

The Rural Short Course to be held in June at College Park took its place in the program under the guidance of Mrs. E. V. Walbert who urged that more delegates be sent this year.

Community activity has plans in store for musicals, socials, suppers and the like with Mrs. J. W. Bigelow as chairman. The new library program will occupy the minds of the committee during the coming months; also the Recreation School during the week of March 18th at Chestertown High School.

Mrs. William Dempsey announced a new membership drive throughout the County as the share of the membership committee.

For poultry, Mrs. Pearson Bigelow is calling together a general poultry meeting this spring on Baby Chick Raising.

Mrs. Henry Clark gave plans for the County-wide meeting on April 4th at Millington with lunch served or box lunches to be brought. Those who have attended Rural Woman's Short Course need no further introduction.

Mrs. Allen Urie gave a most extensive report on the Hospital work. This is a new committee and after an appeal for work and materials of all kinds, an announcement was made of a special movie and a "Weddings dress fit of the hospital. The movie, which will be presented March 8th will feature Janet Gaynor in 'One More Spring.' The Wedding Dress Review will be held March 15th and promises to be a very pretty affair.

At noon a delicious lunch was served by the Quaker Neck Club who outdid themselves to have everyone have a nice sociable time.

The meeting adjourned at three o'clock. Those present were:

Betterton—Mrs. Laurie Hackett, Mrs. Joseph Crew, Mrs. Henry Clark, Mrs. Ida Stork.

Fairlee—Mrs. T. H. M. Bramble, Mrs. Dorothy Skirven, Mrs. William Wyllie, Mrs. Stockton Startt, Mrs. Howard Hadaway, Mrs. Frank Smith.

Mrs. John Redding, Chairman of the Music Committee, recommended that there be a Country Club Song and that there be a County Club Song and that to sing at Fairlee M. E. Church. First meeting to be held March 4th at 2 p.m.

Tobacco Quality

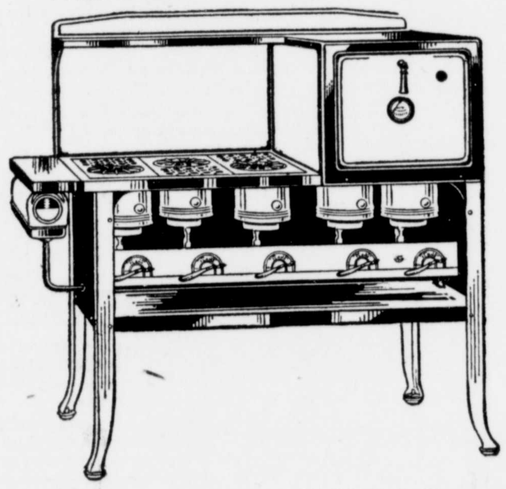

Tobacco quality is related directly to the nitrogen content of the soil in which the "weed" is grown, the United States Bureau of Plant Industry has determined. The soil's nitrogen content must be high for quality cigars and low for quality cigarettes. Maryland tobacco, it was found, is lower in nicotine content than tobaccos produced in other states.
