CANDIDATE FOR COUNCILMAN

I hereby announce myself as a candidate for councilman in the second ward at the election to be held on March 18th, 1935. Your vote and support will be appreciated.

GEORGE W. FRENCH.

NOTICE

I have been asked to state my position on the question of the construction of a Sewerage Disposal Plant for Chestertown and I do so publically so that there may be no mistake as to my attitude thereon.

I have always thought that the Voters and Taxpayers should have some say in spending of their money for major improvements:

If elected Mayor of Chestertown, I am in favor of submitting to the voters of Chestertown FOR THEIR DECISION the question as to whether the Sewerage Disposal Plant should be built.

PHILIP G. WILMER,
Candidate for Mayor.

WILL FIGHT TOLCHESTER SUBSIDY CUT

The Kent County Delegation is waging a fight to have the measure, which took away the subsidy to the Tolchester Company, resubmitted. This measure was put through the Senate by Se nator Phoebus at the last minute and Senator Brice did not have time to fight it.

The Kent Delegation composed of Senator Brice, Roy Strong and W. R. Hubbard are staging their fight on the possibility that the ferry service during the months between September and June would be eliminated if the subsidy is taken away. The Kent representatives will endeavor to have the $13,000 subsidy, which was included in Governor Nice's budget restored so as to assure the continuance of this ferry service which is practically necessary to traffic between Kent County and Baltimore.

Community singing affords an excellent opportunity for the exploitetion of good sheer.

CANDIDATE FOR MAYOR

In announcing myself as a candidate for Mayor at the election to be held on March 18th, 1935, I think you would want to know my attitude on two things:

I am opposed to any increase in the present tax rate. Every effort should be made to decrease it.

I am now and always have been opposed to the building of a Sewerage Disposal Plant until it has been submitted to and had the approval of a majority of the voters. Its construction and operation will compel a decided increase in the tax rate.

If my ideas on these matters are in accord with yours, I will appreciate your support and will do my best to carry out your wishes.

H.C BLACKISTON QUITS SHIPPING LINE

WAS CONSECTED WITH FURNISS WITHY LINE FORTY FIVE YEARS

Announcement was made this week of the retirement of Mr. Harry C. Blackiston, Director of the Furniss Whitey Steamship Company operation out of New York City.

Mr. Blackiston was born in Kent County in 1872 and spent his early boyhood here. At the age of 18 he went to work for the above named Company as a checking clerk and was promoted rapidly until he became director of the United States and Canadian branches of the company. When Mr. Blackiston first became connected with that company it owned four vessels, and since that time it has steadily increased until it now operates 300 cargo and passenger ships. His success is outstanding among the young men who have left Kent County and become prominent in the industrial life of the country. He is a half-uncle of Mr. P. Medford Brooks, of Chestertown.

COLLEGIANS AND ASCOS TIE

WILL PLAY OFF LEAGUE TIE

The Ascos came to the front in the Chestertown Basket Ball League Thursday night and defeated the Collegians to end the season in a tie between these two teams. The Collegians jumped into the lead in the first part of the season but could not keep far enough out in front to eliminate the agressive Ascos.

The date for the play off had not been decided at the timee of going to press.

FARM BUREAU BANQUET NEXT WEDNESDAY

The annual banquet of the Kent County Farm Bureau will be held in the gymnasium at Washington College gymnasium next Wednesday, March 13 starting at 7.30 p. m.

Among the speakers will be Edward A. O'Neal, President of the American Farm Bureau Federation. Gilbert W. Mead, president of Washington College. Charles T. Cockey, President Maryland Farm Bureau Federation and C. E. Wise, Sec. and Treas. of the same organization.

The dinner will be served by the By-Kota Club.

FIRE ALARM FRIDAY MORNING

Firemen were called to the fire house Friday morning when a truck caught fire at the home of Mr. S. E. Gordon on High street. Mr. Gordon extinguished the fire before the truck left the fire house.

TAKES OWN LIFE AT ROCK HALL

Milton Furst, aged 57 years shot himself in the head with a short gun at his home in Rock Hall Monday afternoon. He came to Rock Hall from New York State several years ago and a letter left to his wife indicated that he had planned his act. He is said to have been suffering from ill health.

The By-Kota Club of the Chestertown M. E. Church will meet Thursday evening, March 7th at the home of Mrs. George G. Pennington. Mrs. Joseph W. Lewis and Miss Margaret Barwick will assist the hostess.

If your good cheer emanates from the heart, count it truly genuine.

ANNOUNCEMENT

If elected Mayor of Chestertown on March 18th, 1935, I will propose the following changes:

1 That the salary of the clerk be reduced at least 30%. This reduction will save approximately $200.00 per year.

2 I stand for a reorganization of the reduction of the number of men employed from 4 to 2, and a consequent saving of several hundred dollars a year in the cost to our taxpayers.

3 That we employ a Town Engineer at a salary of $100.00 per year. This will save $200.00 over the amount paid in 1934 for the engineer employed by the Town Commissioners.

4 That we practice every other possible economy so that the tax rate can be reduced accordingly. Every town on the Eastern Shore, except Chestertown and one other, has reduced its tax rate since the Depression. Chestertown should and can reduce its tax rate.

5 Respecting a town disposal plant I want to assure every voter that I shall if elected Mayor refuse to take any action looking to the erection of such a plant unless authorized by a majority vote of the taxpayers to do so, I shall stand by this proposition notwithstanding the fact that on July 4, 1934, the present Mayor and Town Council voted unanimously to purchase a lot and did buy same for the location of a Disposal Plant, furthermore they made application for the loan to erect same.

Respectfully yours,
PHILIP G. WILMER,
CANDIDATE FOR MAYOR.

QUEEN ANNE'S TEACHERS ASK SALARY RESTORATION

About thirty Queen Annes county school teachers met Senator William R. Wilson in Centreville Monday at noon to solicit his interest in the passage of the bill introduced in the Maryland Assembly asking for a partial restoration of their salaries.

HOSPITAL PREPARED FOR MAJOR OPERATION

EQUIPPED WITH MODERN X-RAY APPARATUS

The Kent and Queen Anne's General Hospital of Chestertown has been equipped to take care of major surgery and the Board of Directors feel very fortunate in being able to secure Dr. Samuel J. McLannahan, of Baltimore to perform major surgery at this institution.

Dr. McLannahan is a graduate of Johns Hopkins and was Resident Physician at Union Memorial Hospital in 1932 and 1933. He has been doing surgery in Baltimore since leaving Union Memorial Hospital. Dr. McLannahan comes to us highly recommended by the leading surgeons of Baltimore City.

A major operation which was scheduled to be performed this week was postponed until next week.

The Board has had installed a General Electric X-Ray Machine with fluoroscopic attachment and are now equipped to take care of all X-ray work.

The approach to the hospital has been completed by building a sand and gravel road to the building and a large parking space has also been completed.

The public is cordially invited to visit o ur hospital and meet the nurses and see the equipment.

WEDDING DRESS REVIEW

WILL BE HELD AT ARMORY MAR. 15.

The wedding dress review, to be staged at the Chestertown Armory next Friday evening is creating considerable interest and old trunks are producing wedding dresses that had long been forgotten.

The review will exhibit wedding dresses over a period dating back more than a hundred years up to the present time. The old dresses will be worn by descendants of the original owners and as each dress is presented a description of it will be made giving a description of it and the period when it was originally worn.

Among the exhibitors of old dresses to be shown are as follows:

Mrs. Clark Grieb in her grandmothers dress.

Mrs. Linwood Sutton in her mother's dress.

Mrs. Simon Westcott and two daughters in three grandmothers dresses.

Harriett Louisa Rogers in her grandmother's dress. This dress was a substitute that was made the day before the wedding as the originally designed dress was burned the day before the wedding.

In addition to the review an orchestra will play music appropriate to the time when the dress was first worn.

MILK CONTROL BILL KILLED BY COMMITTEE

W. R. HUBBARD LEADS FIGHT AGAINST MEASURE

Milk producers of Kent County and in fact in the entire state have Wilbur R. Hubbard of Kent County to thank for his activity in a joint meeting of the Judiciary and Agricultural Committee in preventing a favorable report from the committees on the State Milk Control Bill.

The bill, of passed, would have set up a Milk Control Board in Maryland who would have jurisdiction over all milk sold in the State. To Kent County dairymen this would mean that they would have to pay a tax on milk sold to maintain this Board and also carry out its regulations in addition to the many regulatons of the Interstate Milk Producers Association and the Philadelphia milk distributors. In additon it would have compelled all milk dealers who are selling milk in Maryland to come under rigid regulations. Mr. Hubbard waged such an intensive fight in the committee that the bill was amended to exclude the Eastern Shore. He then assisted committee members from other parts of the State in killing the entire bill.

Mr. Hubbard is thoroughly familiar with the production and sale of milk by Kent with producers and his activity was in their interest.

The committee will report favorably on the Milk Control Board but it will be optional with milk producers as to whether they will come under its jurisdicton and the Board will also act as an arbitrator between producer and distributor.

SENATOR BRICE OPPOSES CLOSED HUNTING SEASON

INTRODUCES JOINT RESOLUTION IN SENATE

Senator Arthur Brice, of Kent County, introduced a joint resolution in the Maryland Senate opposing the closed season on wild water fowl and so notifying Federal authorities. The resolution follows:

Whereas, There have been indications to the effect that the United States Biological Survey would either close or restrict the present open season for hunting wild fowl in Maryland; and

Whereas, At present there seems no necessity for either closing or restricting the present open season for the hunting of such water fowl in Maryland, since there seems to be an abundance of such water fowl; and

Whereas, The closing, or even restricting, of the present open season for such hunting would work a very severe hardship on a large number of unemployed who have very little, if any, other means of livelihood during such season; therefore be it

Resolved by the General Assembly of Maryland, That the United States Biological Survey be, and it is hereby, requested not to close or restrict the open season now authorized by law, for the hunting of wild fowl in the State of Maryland, and be it further

Resolved, That the Representative from the State of Maryland in the Senate and House of Representatives of the United States be and they are hereby requested to urge upon the said United States Biological Survey the importance of this matter; and be it further

Resolved, That the Secretary of the State of Maryland be and he is hereby requested to transmit under the Great Seal of this State a copy of the aforegoing Resolution to the Secretary of the Department of Agriculture of the United States, and to the United Sates Biological Survey.

TO HONOR CHURCH HILL SOLDIER

Edgar Potts tomorrow, Sunday at Church Hill cemetery. Potts was Maryland's first soldier to be killed in the World War and tomorrow the insignia of the Rainbow Division will be placed on his grave.

SATTERFIELD AND WILMER FILE FOR MAYOR

FRENCH, WHEATLEY, RASH, JONES AND FALLOWFIELD FILE FOR COUNCILMAN

Mayor C. N. SaStterfield and Philip G. Wilmer filed their candidacy for Mayor of Chestertown with the Supervisors of Election last Saturday which promises an intensive fight for that office on election day, March 18th. Both candidates have adopted a platform of opposing the construction of a sewerage plant in Chestertown without an affirmative vote by the taxpayers of the town and this week Mr. Wilmer added to his platform a reduction in the police force, reduction in the salary of the clerk and advocated a general reduction in taxes.

Both candidates are conducting an active campaign and their supporters are making a canvas of those eligible to vote.

In the election of Councilman of the Second and Fourth Ward an equally intensive campaign is being conducted. In the Second Ward Mr. George W. French and Charles F. Wheatley are candidates for Councilman. Mr. French is engaged in the insurance business and is seeking re-election and has served on the Council for a number of years. Mr. Wheatley is cashier of the People's Bank and has served as one of the town auditors for a number of years.

In the Fourth Ward there are three candidates for Councilman, George W. Rash, who has served on the Council for the past four years, Dr. J. S. William Jones, Dean of Washington College and Harry Fallowfield, a contender for that office four years ago.

The election on the 18th promises to be quite different from that of two years ago when Mayor Satterfield and Councilman R. H. Rogers and John W. Barnes went into office without opposition.

The office of the Supervisors of Election was the scene of much activity on Monday of this week due to certain provisions of the Kent County Charter with reference of eligibility to vote.

In 1933 an amendment was made to the charter which provided that no tax payer who had not paid all taxes due by the last Monday in February would be eligible to vote. This provision caused much contention and is not definitely settled according to the opinion of some of the taxpayers.

STILL POND MEN OBSERVE LADIES NIGHT

Last Wednesday evening the Odd Fellows Hall in Still Pond was the scene of the First Ladies Night observed by the Men of Still Pond. There were one hundred twenty-five guests, the banquet was in charge of Mrs. Baynard Harper and Mrs. Edward Dittman with many of the ladies of the Church assisting. The program with Captain Pete (Howard Rasin) in charge consisted of Vocal numbers and recitations. Major Ben Fellows was the engineer in charge of an elaborate decorative scheme arranged entirely of flags varying in size from minature to mammouth ones.

Mr. and Mrs. Laurie Hackett and Mr. and Mrs. Franklyn Stork were Fraternal Delegates from Betterton.

The Men of Still Pond observe the third Wednesday night of each month as a Supper meeting. While simple in its form the plan reaches every man in the Church and Community each month. Howard Rasin is the general captain, Elwin Ford, Treasurer, the group chairman are responsible for their respective neighborhood. Harrison Cornelius, Lynch; Allan Joiner, Still Pond Creek; Warner Geary and Walter Anthony, Turners Creek; Howard Toulson, North Still Pond area; while the Villiage is under the supervision of Edward Fellows, Charles Clark, Harry Jones, Thomas Mann, with William Clark Benjamin Fellows, and Ralph Geary captains at large.

The next men's night will be March 20th, supper 6.30 p. m.

CENTREVILLE ELECTRIC PLANTS NETS PROFIT

According to a statement by the Town Commissioners of Centreville, the municipally owned electric plant showed a net profit of $18,356 after deducting interest on out-standing obligations.

W. C. ENDS BASKETBALL

ELIMINATED IN LEAGUE CHAMPIONSHIP RACE—WINS OVER DELAWARE

Washington College was eliminated in the State collegiate basket ball race last Saturday night when that team lost to Loyola in a game that was won by the visitors in the last few minutes of play.

Loyola started a scoring streak at the start of the game which gave them a 15 to 10 lead at half time.

In the second half Washington overcame this lead and gained a three point margin. From then on it was [illegible] and tuck, first one team leading by one point and then the other. Washington was gradually wearing the visitors down when Skipp, local center was put out of the game on the four personal foul rule. This broke up the combination that was gradually gaining the upper hand, and when Horowitz star forward was forced out of the game for a short time on account of an injury, Loyola took advantage of the break and gained a one point lead which was quickly followed by two long field goals. With this five point advantage the viistors closed in on a tight defensive game holding Washington scoreless until the final whistle blew with the score 34 to 29.
