WILLIAM S. COLLINS

Last week we commented on the Gonzales-Cosden bout like this.

"Most of the fans from here think the least Gonzales could have gotten was a draw. Cosden might be a better fighter but he has the judges to thank for his victory Friday night and not his own good work.

The Cosden boys are both good fighters and have won many. Bob still knows plenty about the ring but is getting a little old for the game. In his prime Cosden would have had no trouble with Gonzales, but he did not deserve a decision last Friday night."

Well good people, down in Centreville, one of those judges at the fights is John Moffett, formerly from Kent. John read the above, did not like it, and dropped in to see us about it when he was in town this week. According to Mr. Moffett all his friends in Centreville think the decision was just right. Included in these are the members of the Rotary Club, Superintendent of Schools and other leaders of the town including some who have been in the fight game.

But in spite of it all, a lot of the boys around Chestertown still think it should have been a draw.

We have all the respect in the world for Mr. Moffett's judging, good intentions and so forth, but we do think it is possible that he was wrong that one time, even after apoligizing to Mr. Moffett for everything else.

"THE HARD WORKING PUBLIC SERVANTS, HA, HA HA." Yes six, we have often heard that; a laugh at the hard working public servants. Well, fellow, Kent Countians, Messrs. Brice, Hubbard and Strong are working from morning to morning for our interests at Annapolis. Until the wee hours of this morning they were working on the Tolchester Co. subsidy. If they lose this fight is will probably mean no boat during the winter months.

It is hard to understand our friend the Queen Anne's Record. Claiming to espouse the best interests of the Nation, Queen Anne's county and the Eastern Shore fearlessly, whole-heartedly, they never miss a chance to take a slap at the proposed Chesapeake Bay bridge.

When they oppose the bridge they certainly do not espouse the best interests of Queen Anne's County.

Without going into all the favorable arguments for the project, which have been published time and time again, they should think about their own citizens. For example: which do you think the following would use, bridge or ferry? Paul Phillips and his Sudlersvillians, Uncle Henry Evans and his swimmers, Doc Stack and his Crumpton gang, Harry Wilson and his Ingleside farmres, our old friend, Freddy Wood and his dancers of Starr, Lefty Roe and his Wye Oakers, Hiram Dudley of the Tavern, Mike Akers and his Queenstown friends? The only people of the county I can imagine they are looking out for is, Miss Jean Long in Stevensville and Joe Evans, of Love Point. Even Joe would use the Love Point ferry.

Doc and Mrs. Hines have added to their family, Floppy a lovely little dog according to Doc and not so lovely according to the Mrs. Doc. Doc has been appointed nurse and from all reports there is a lot of nursing to be done.
