DOUBT METEORITE THEORY

The belief that a mass of rock and ore, found last week on a farm near Rock Hall, might be a meteorite collaped today.

A report of Philadelphia mineralogists who were asked to examine the fragment said it was a peice of ilmenite, a mineral commonly found on the Eastern Shore. The assertion that it was a meteorite was advanced by John F. Usilton, tenant of the farm. He said it had not been there previous to his finding it and pointed to a burned fence post nearby as evidence of his assertion.

Jesse J. Coop, Washington College physicist, who asked the Philadelphia Academy of Natural Sciences to study the fragment, is now trying to ascertain what composes the mass. He earlier had found signs of coal in it.

GEORGE W. FRENCH.

NOTICE

I have been asked to state my position on the question of the construction of a Sewerage Disposal Plant for Chestertown and I do so publically so that there may be no mistake as to my attitude thereon.

I have always thought that the Voters and Taxpayers should have some say in spending of their money for major improvements:

If elected Mayor of Chestertown, I am in favor of submitting to the voters of Chestertown FOR THEIR DECISION the question as to whether the Sewerage Disposal Plant should be built.

PHILIP G. WILMER,
Candidate for Mayor.

CANDIDATE FOR MAYOR

In announcing myself as a candidate for Mayor at the election to be held on March 18th, 1935, I think you would want to know my attitude on two things:

I am opposed to any increase in the present tax rate. Every effort should be made to decrease it.

I am now and always have been opposed to the building of a Sewerage Disposal Plant until it has been submitted to and had the approval of a majority of the voters. Its construction and operation will compel a decided increase in the tax rate.

If my ideas on these matters are in accord with yours, I will appreciate your support and will do my best to carry out your wishes.

RELIEF CLASSES PROVE POPULAR

ADULT EDUCATION WINS A PLACE IN KENT COUNTY

EXTENSIVE PROGRAM INCLUDES MANY COMMUNITIES

At the close of February, thirty-six adult classes were reported in Kent County. This program includes classes which offer instruction in a wide variety of subjects. Shorthand, Business Arithmetic, Sign Lettering and Show Card Writing, Homemaking, Home Nursing, Group Singing, and General Academic subjects are being studied. Seventeen teachers are employed in the county to carry on this important work.

Members of these groups show high interest in their work and express much gratitude for the opportunity for improvement and development being offered. Many interesting stories are told by the teachers about individuals who are directly benefited by this chance to supplement their early education free of charge. Several communities have found the music groups one of the most worthwhile unit activities even attempted.

Classes are being organized among relief people for the purpose of teaching the women sewing and home management. Much is expected of these classes in the way of giving practical training which will help these people to use their small resources most advantageously and thus become more independent.

HOW LONG IS A PIECE OF STRING

AFTER ANSWERING THAT 'UNANSWERABLE' QUESTION TRY 'HOW FAR CAN A DOG RUN INTO THE WOODS?'

Personnel heads at the farm credit administration are reported to be tearing their hair.

So says the Evening World-Herald, of Omaha, Nebraska.

All applicants for jobs must pass an intelligence test. This test included two 'unanswerable' questions, it is learned, until along came a smart graduate of the University of Iowa.

'How long is a piece of string?'

'How far can a dog run into the woods?'

Applicants were supposed to mark 'no answer.' The supposition being that anyone who attempted to answer would not be fit for an FCA job.

The Iowa boy forced Dr. Henry F. Hubbard and his staff to think up some news ones when he wrote:

'A piece of string is twice as long as the distance between the center and either end.'

'A dog can run only half way into the woods; after that he's running out of the Woods.'

Somewhat embarrassed, Dr. Hubbard would not admit that his test had ever included these questions. Or this one:

'If 'A' gave a mortgage on a mule to 'B' and the mule had a colt, who would own the colt.'

Answer: 'A mule can't have a colt.'

ANNOUNCEMENT

If elected Mayor of Chestertown on March 18th, 1935, I will propose the following changes:

1 That the salary of the clerk be reduced at least 30%. This reduction will save approximately $200.00 per year.

2 I stand for a reorganization of the reduction of the number of men employed from 4 to 2, and a consequent saving of several hundred dollars a year in the cost to our taxpayers.

3 That we employ a Town Engineer at a salary of $100.00 per year. This will save $200.00 over the amount paid in 1934 for the engineer employed by the Town Commissioners.

4 That we practice every other possible economy so that the tax rate can be reduced accordingly. Every town on the Eastern Shore, except Chestertown and one other, has reduced its tax rate since the Depression. Chestertown should and can reduce its tax rate.

5 Respecting a town disposal plant I want to assure every voter that I shall if elected Mayor refuse to take any action looking to the erection of such a plant unless authorized by a majority vote of the taxpayers to do so. I shall stand by this proposition notwithstanding the fact that on July 4, 1934, the present Mayor and Town Council voted unanimously to purchase a lot and did buy same for the location of a Disposal Plant, furthermore they made application for the loan to erect same.

Respectfully yours,
PHILIP G. WILMER,
CANDIDATE FOR MAYOR.

WORTON STORE PROPERTY SOLD

The store property in Worton owned by Mr. Herbert Matthews was sold this week to Mr. P. O. Jones, of that town. The property includes a ware house, garage and a store. The transaction was made by the Betterton Realty Company of which Mr. Charles Brice is Agent.

SPECIAL TEST ON CHARTER CLAUSE

WILL BE HELD BY CIRCUIT COURT TODAY

A test case to get a ruling by the Circuit Court on a paragraph in the Charter of Chestertown as amended in 1933, will be held at the Court House here this morning, Saturday at 10 a. m.

The hearing will be held before Associate Judges Thomas J. Keating and Owen D. Knotts and involves the legality to vote in the town election next Monday of 72 residents who had not paid their town taxes before the third Monday in February which was February 18th.

The hearing will be held on a petition filed by Philip G. Wilmer against the Supervisors of Electon, Messrs. Lawrence G. Brown and William F. Malin.

The paragraph in the Charter which is in question states among other things that a person who has paid his taxes before the third Monday in February may vote. The contention refers to the proper method for the Supervisors to notify and strike the names off the registration book.

Mr. S. Scott Beck will represent Mr. Wilmer at the hearing and Mr. Harrison W. Vickers will represent the Supervisors of Election.

FEDERAL GRAND JURY INDITES BOOTLEGERS

SIX MEN FROM KENT COUNTY TO BE TRIED NEXT WEEK

The Federal Grand Jury, in session in Baltimore, indicted six residents of Kent County who are charged with assault on Federal and local officers with shot guns during a raid on a still near St. James Church.

The indictment alleges that on January 6 on the Charles A. Meekins farm, near Smithville, William T. Roe, the officer, while in the exercise of his duty, was assaulted, interfered with and resisted by the defendants who fired at him with shotguns.

Those indicted were:

Albert L. Clayton, John Clayton, Merritt M. Meekins, Edward Butler, Jefferson Freeman, John W. Wilson.

Mr. Roe was assisted in the raid by local Deputy Sheriffs, John N. Bennett, Jr., and Arthur Lesage. During the exchange of shots Albert Clayton, one of the assailants, was wounded. Following the shooting the officers picked up 38 empty shot gun shells that were evidently fired by those indicted.

Those who testified before the Grand Jury on Tuesday were Federal Officer William T. Roe, Kent County deputies John N. Bennett, Jr., and Arthur LeSage all of whom took part in the raid; Sterling Townshend, an employee of the American Store who sold sugar to the bootleggers; Sheriff John N. Bennett; Horace Johnson who had welded some of the bootleggers equipment and Charles Meekins, tenant on the farm where the still was found.

It is understood that Wilbur Rodney who is accused of being implicated in the operation of the still but was not at the scene of the shooting, was indicted by the Grand Jury for violation of the Federal liquor laws.

The trial of those indicted is scheduled to be held before Federal Judge Calvin Chestnut next week.

115 SIGN CORN-HOG CONTRACTT

APRIL 1ST SET AS DEAD LINE FOR SIGNING CONTRACTS

With approximately 115 farmers already signed the corn hog contracts with the A. A. A. it is estimated that a last minute rush will bring the total up to 212 which was the number signed up last year. April 1st has been set as the dead line at which farmers may sign contracts.

At a vote by mail campaign conducted last year Kent County farmers were unanimous in desiring a continuance of the corn-hog program.

The provisions of this year's contracts are more liberal than last year in the fact that they call for aminimum reduction this year of 10 per cent as compared with 20 per cent and 30 per cent last year. The price allowed for the reduction this year is 35 cents a bushel as compared to 30 cents last year. Another provision of this year's contract allows farmers to use the ground left out of corn for the growing of any other crop with the exception of field corn.

WEDDING DRESS REVIEW LAST NIGHT

FIFTY-TWO DRESSES SHOWN

At the time of going to press on Friday much interest was being shown in the Wedding Dress review scheduled for last night at the Cnestertown Armory.

The committee received entries up until Thursday night and the last report showed fifty-two. This assured a display of dresses dating from 1823 to the newest 1935 models.

The oldest dress entered is that of Mrs. Percival Merrick of Ingleside which was worn by her great aunt, Miss Elizabeth Ellewellyn in 1823. The second oldest is that of Miss Margaret Merrick who will wear her great grand mother's dress which dates back to 1839.

The dress will be presented starting with the most modern, and ending with the oldest.

The committee stated on Friday morning that there will be a big surprise at the end of the show but would not divulge what it will be. The show is for the benefit of the local hospital.

HELD FOR OPERATING STILL

VICTOR TRIBBITT HELD AT SALISBURY JAIL

Victor M. Tribbitt, of near Golts, was held under $1,500 bail by the Federal Commissioner at Salisbury on Wednesday of this week on a charge of possessing a still.

Deputy Sheriffs John N. Bennett, Jr., and Earl Pinder were in the vicinity of Golts looking for stolen goods. They entered Tribbitts home and found a five gallon still and twenty gallons of mash. Tribbitts home is near Number 10 School House.

At the hearing at Salisbury Tribbitt claimed that he used the still for making wine.

FIGHT POSTPONED

CENTREVILLE BOXING BOUTS WILL BE HELD MARCH 29TH

Due to unforseen difficulties the management has been forced to postpone the fights until March 29th. The Kid Cosden vs. Shreeves bout which many were looking forward to can not be arranged due to an infiction of boils of Shreeves neck. The management will probably match Kid Cosden with either Jack Stanley or Henry Gonzalles. One preliminary bout has been arranged between Dudley Bedford, of Centreville and Joe Rocke, of Ridgely. Another bout planned is young Earl Cosden, who created a sensation a week ago and Joe Rebet, of Centreville. A complete card will be arranged in a few days.

MERCHANTS PROTEST SALES TAX

Forty-two merchants of Kent County joined in a telegram protesting the proposed two percent sales tax.

Telegrams were sent to each of the three representatives from Kent County and one from Governor Nice.

The wording of the telegram was as follows:

'Merchants of Kent county opposed to sales tax as solution for relief. Would prefer an increase in State tax rate.

'If sale tax cannot be defeated, make it mandatory on merchants to collect same from consumers.'

CHESTERTOWN P. T. A. TO MEET

The regular monthly meeting of the Parent Teachers Association of the Chestertown Elementary School will be held at the elemtnary school building on Monday, March 8th at 8 p. m.

Mrs. Fred Cook, head of the health department of the State Parent Teachers Association will speak. A large attendance is requested.

ELECTION OF MAYOR AND COUNCIL MONDAY

SEVEN CANDIDATES ASPIRE FOR OFFICE

Next Monday, March 18th is election day in Chestertown and present indications point to much activity on the part of the cadnidates. Since the announcement of candidates two weeks ago the campaign has settled down to hard work and the soliciting of votes.

onMuch interest is being shown in the hearing before the Circuit Court this morning which will determine whether or not 72 residents of Chestertown who had not paid their taxes by the fourth Monday in February will be eligible to vote next Monday.

Much optimism is being shown by the various candidates which includes two candidates for Mayor, two candidates for Councilmen of the Second Ward and three candidates for Councilmen of the Fourth Ward.

Those aspiring for office are as follows:

For Mayor—C. N. Satterfield and P. G. Wilmer.

For Councilman from Second Ward, George W. French and Charles Wheatley.

For Councilman from Fourth Ward, George W. Rash, Dr. J. S. W. Jones and Harry Fallowfield.

The polls will be open form 9 a. m. to 6 p. m. and will be located in the office of the Register of Wills in the Court House.

W. C. FRATERNITY GOES NATIONAL

FIRST SOCIAL NATIONAL FRATERNITY AT LOCAL INSTITUTION

The Phi Signa Phi, fraternity of Washington College was taken into the national fraternity Theta Kappa Nu according to an announcement made yesterday by President Mead of the College.

This is Washington's first social national fraternity.

Theta Kappa Nee is a member of the National Inter-fraternity Conference. Its 45 chapters are mostly in the very small colleges of the country. One chapter is at Birmingham Southern College where Doctor Mead held a position before coming here. A chapter is also at Gettysburg College, Pa. and Hampden Sidney College of Va.

This fraternity has a very good scholastic record and aims toward this more than social or athletic activities.

GAS TAX BELOW EXPECTATION

KENT COUNTY MAY HAVE TO BOND TO PAY ROAD BONDS

The fact that present estimates of Kent's Share in the State gasoline tax is approximately $57,000 as compared to over $100,000 which it has been for several years will probably make it necessary to float a bond issue of approximately $110,000 to care for the retirement of road bonds and interest coming due in 1935 and 1936.

This tremendous falling off in Kent's share of the gasoline tax is partly due to the discontinuance of the Federal Post Road Fund.

When Kent County bonded for $1,000,000 six years ago it provided for the payment of $80,000 a year which money was to be paid out of the new road construction fund due Kent County. In addition to the deficit of $23,000 in this one item provision must be made for lateral road bonds, the first installment of the slag road bonds and the maintenance of Kent's road system. This last item will probably have to be provided for in the levy of 1935.

HOMEMAKERS PLAN RECREATION ACTIVITIES

CHORAL UNIONS AND CLUB MEETINGS PLANNED

Miss Ethel Bowers of the National Recreational Association will be in Kent County at the Chestertown High School, Monday, March 18th, from 7 to 10 p. m. and every night that week until Saturday. The aim is to help communities plan for their recreation.

Club Meetings

Quaker Neck at Mrs. E. Y. O'Meara's at 1 p. m. Wednesday, March 30.

Kennedyville at Mrs. George Kennedy's at 11 a. m. Thursday, March 21.

Still Pond at Mrs. Harry Bidwell's at 11 a. m. Friday, March 22.

Miss Bowers will attend all these club meetings.

Notes On The County Choral Union Of Home-Makers Clubs

Women of Kent County who do sing and would like to sing more are most cordially invited to join the Kent County Choral Union under the auspices of the Homemakers Clubs, which meets every other Monday at the Salem M. E. Church in Fairlee at two o'clock.

The first of these 'sings' was held Monday afternoon and was well attended altho there is still plenty of room for more and the Union does want more to join. The primary reason is to prepare for special music for the County-wide Meeting at Millington in April; but perhaps above all this is desire to further a bond of fellowship among the women of Kent County through a deeper, keener, enjoyment of good music. Mrs. John Sweetman with her large experience along these lines is directing the Union and gives a lot of valuable instruction.

It is hoped that out of these gatherings will grow a permanent musical organization. There is no charge outside of a small contribution from each person of five cents which is used to pay for the coal to warm the church for these meetings.

Mrs. George Cornell has written the words for a song to be sung to the tune of 'Maryland, My Maryland;' a song which embodies the ideals of these clubs of Kent County and which will be sung at the County-wide meeting as well as at College Park by the Kent County Delegation.

The next meeting of the Choral Union is scheduled for Monday, March 18th at two o'clock.

GONZALLES SCORES K. O.

KNOCKS OUT SID BARRETT IN THIRD ROUND OF MAIN BOUT

Gonzalles scored a knockout over Sid Barrett in the third round of a scheduled 8 round bout at the Centreville Armory last Friday night. Barrett, a very clean fighter jabbed Gonzalles with his left continuously, but Henry was able to take it and landed his knock out blow in the third round.

Chick Chaffey, of Washington College lost a decision to Dudley Bedford in a four round bout. Chaffey put up a defensive fight from the first and did not land a hard blow the whole fight. Bedford waded in time after time but seldom did much damage as Charley would tie him up. Chaffey was knocked down for part of the count.

Kid Smith, of Betterton lost a decision to young Earl Cosden. Cosden out pointed Smith in the closing rounds and his fighting promises to continue the name of Cosden in the sport.

A comedy fight of 6 rounds was put on between Prince Saunders, of Washington and Gerald Reeder of Baltimore. Such dancing and Capers were never before seen at Centreville. It well took the place of a faked wrestling bout.

Reddy Shreeves of Va. again gained a decision over Jack Stanley, of Crisfield. Stanley put up a much better fight than at the other meeting. In the opening rounds he outclassed Shreeves and knocked him down for part of the count once. In the last two rounds of the six round bout Shreeves gained an edge.

All in all it was one of the best fight cards held at Centreville this year but did not quite come up to the card of 2 weeks previous.

ALL WASHINGTON NIGHT TONIGHT

BASKETBALL, BOXING AND WRESTLING ON CARD

For the first time in recent years the Varsity Club at Washington College will stage an All-Washington night at the armory tonight.

In addition to seven three round bouts between the students, Coach Geo. Ekaitis, collegiate light heavy weight champ while at Western Maryland will stage an exhibition match with Duyer, Captain of the football team.

The teams will line up as Marylanders and Out-of-Staters and a good athletic program is arranged.

'Why did you tell Joe you married me because I'm such a wonderful cook? I can't boil a potato.'

'But I had to give some excuse.'
