BETTERTON

Captain and Mrs. Horace Brice quietly celebrated their fifty ninth wedding anniversary on March 1st. Among their letters of congratulation was from President Roosevelt.

The members of the Womens Home Economics Club held a luncheon at the home of Mrs. Arthur Newsome on Tuesday. The afternoon was spent in a lesson on rug making.

The second annual 'Get together' banquet of the Epworth League was held in the basement of the church on Wednesday evening, with about seventy five persons present. Mrs. Floyd Smith was the chairman of the banquet committee and a very fine dinner was served. An interesting program followed the dinner.

Mrs. George Brice and Mrs. M. V. Turner were among the delegates who went to Annapolis this week in behalf of the school bills.

Mr. Norman Crew who was operated on last week for sinus trouble is improving and expects to return home some time next week.

Mr. and Mrs. Charles Gooding and children, of Wilmington and Mr. Ernest Brice, of Philadelphia, were the week end guests of their parents, Capt. and Mrs. Horace Brice.

Mr. and Mrs. Harvey Stahr, who have spent the winter months in Florida have returned to their home here.

Mrs. Joseph Mooney, of Baltimore, spent the week with Mr. and Mrs. Harry Crew.

Lenten services will be held at the P. E. Church each Friday afternoon at 3 P. M.

WILLIAM S. COLLINS

Down in Centreville the management did just what I suggested should have been done here, in regards to the fashion show last year. Of course my suggestion was to make the affair more entertaining for the men. The women look at the dresses and the men look at the models. Home town talent will not do. Centreville at least got most of their models from outside of Centreville.

The play off between the Ascos and Collegians for the championship of the Chestertown basket ball league was really an exciting game. In fact the word thrilling could be used. The Collegians knew their basket ball but the Ascos had to much endurance for the old boys. In fact I believe the reason the league was organized was that some of the collegian players needed exercise to reduce the waist line.

Another local boy makes good. This week I saw the many pictures of Charles Harry Schrieber's baby. Harry is proud daddy as the baby can now stand alone.

Not satisfied with having 4 colored magistrates appointed in Baltimore and also a colored Coroner the Interracial Commission has asked for the following:

That negro teachers and supervisors get the same salary as white teachers and supervisors.

That the colored academy at Princes Anne, Md., be made a four year course.

That laws be repealed that prescribe for seperation of white and colored passengers on public carriers in the state.

Yes sir, it looks to me like they better build that new high school big enough to take in colored students at the present rate its coming.

FEEL TIRED, ACHY—"ALL WORN OUT?"
Get Rid of Poisons That Make You Ill

IS a constant backache keeping you miserable? Do you suffer burning, scanty or too frequent urination; attacks of dizziness, rheumatic pains, swollen feet and ankles? Do you feel tired, nervous—all unstrung?

Then give some thought to your kidneys. Be sure they function properly, for functional kidney disorder permits poisons to stay in the blood and upset the whole system.

Use *Doan's Pills*. *Doan's* are for the kidneys only. They help the kidneys cleanse the blood of health-destroying poisonous waste. *Doan's Pills* are used and recommended the world over. Get them from any druggist.

JOHN DURNAM DIES SUDDDNLY

WAS FOUND DEAD IN STABLE

John Durham, tenant on the farm o fE. Thomas Massey, near Massey, was found dead in the stable Thursday morning.

It is thought that he went to the stable Wednesday night to guiet the horses and after being missed for some time his wife and son instituted a search which ended in the stable where he was found dead. Dr. Copeland, of Millington, pronounced his death due to heart disease. He was 53 years of age.

FIRST MAJOR OPERATION AT HOSPITAL

The first major operation at the local hospital was performed on Wednesday of this week when Mr. Charles Wood was operated on fro double bilateral hernia. Dr. McLanahan, of Baltimore was the operating surgeon and the patient is recuperating nicely at this writing.

Little Billy Hadaway underwent an operation for tonsils at the hospital the same day.

MUSKRAT SEASON CLOSED FRIDAY

The closing of the muskrat season yesterday ended one of Kent County's most profitable short crops.

In most places the season was considered above the average and the price of hides averaged about 90 cents each, which is a little lower than last year but above former years.

It was back in medieval times.

'It's no fun trying to live in this coat of mail,' complained a cootie.

'No,' agreed the second parasite.

'Heaven help a feller on a knight like this.'

Warm Winds Aloft

The air-layer 145 to 220 miles above the earth, called the ionsphere, is fairly constant in temperature, and is disturbed by warm winds having a temperature of 300 degrees Kelvin, or about 80 degrees Fahrenheit, it was reported to the Physical Review, by Dr. E. O. Hulburt of the Naval Research laboratory. The ionsphere winds blow in all directions from the point directly beneath the sun, and their paths are similar to those of streams of a liquid poured on a rotating sphere. —Literary Digest.

Skating Old Sport

There are references to skating in the old Norse legends of Iceland, and in many of the early books of continental Europe. In England in the Twelfth century, skates were made from the brisket bone of an ox and fastened by pieces of leather to the soles of the wearer's boots. Thrusting a stick into the ice helped the skater move forward. An iron runner in a wooden frame was first used in the Fourteenth century, and this gradually developed into the steel skates.
