Thursday, 7.30 p. m. Men's Chorus.

Friday, p. m. Christian Endeavor Meeting and Social.

The Curbstone Diplomat

WILLIAM S. COLLINS

How did it go at the first meeting of the Mayor and town council? Everyone should know the set up.

One question of much interest was the appointment of Chief of Police.

Mayor Wilmer and Councilman Wheatley, new dealers, voted for Mr. Thomas Kennard. Holdover Councilman Rogers and Barnes voted for the officer Mr. Samuel E. Cooper. Dr. Jones, new dealer voted for Mr. Cooper, which gave him the appointment.

On the clerkship Dr. Jones was for the appointment of Mr. Raymond Simpers. Mr. Barnes for Mr. Thomas Bowers and Messrs. Wilmer, Rogers and Wheatley for Mr. William Wheatley.

S. Scott Beck was recommended for attorney and there was no dissenting vote.

Other town officers and workman will be same except they have reduced the force one officer. Mr. Walter Bennett was dropped and the Saturday beat of Officer Collins was changed.

The retaining of officer Cooper one of the big campaign issues seems to have smoothed over. It is reported that the Chief of Police and Mayor are getting on just ducky.

When they have council meetings they really get into a huddle. This is speaking literally. Two of the councilman are a little deaf and so they all have to sit close. Mr. Wheatley, second ward councilman speaks a rather soft voice and they have to keep after him to speak louder. Soon we expect to hear him shouting all the time.

The town office was to have been where the Chamber of Commerce was but the building would not hold the safe. My the town must be rich. The new town hall will be in Mr. R. Hynson Rogers' law office.

All in all we are promised by the new governing body that the town will have no revolution this year. That's a help anyway.

Introducing one of the Transcript's features, 'Did You Know,' which used to run each week and will appear again for awhile. This is prepared by Mr. C. Cox Hopper of Baltimore, a former editor of the Transcript. Mr. Hopper was probably the most interesting newspaper writer Chestertown ever had. Mr. Hopper now spends a lot of his time at the Maryland Historical Society.

DID YOU KNOW—

That during the Civil War currency became so scarce in some of the Eastern Shore towns that the store-keepers found it necessary to issue curreney of their own, which was done in the form of notes of small denominations? It is known that Centreville merchants did this, and I suspect business men of Chestertown did the same.

DID YOU KNOW—

That the land on which the Love Point Lighthouse is built was ceded to the National Government in the year 1850, but the structure was not erected until 1860?

DID YOU KNOW—

That as early as 1752 a Bill was passed by the General Assembly of Maryland for, 'The more effectual destroying of squirrels and crows on Kent County,' and that on Kent Island, in 1656 countians were paid in tobacco for, 'the slaying of wolves and wildcats.

DID YOU KNOW—

That the name Baltimore, in Gallic, means, 'large town lands'?

Quaker Neck and the bright boys, Bill Baker wins honors and goes to Princeton next year. Gilbert Ingersoll won a scholarship to University of Maryland.

By the way 'Old Kent' has been indexed by Gilbert Ingersoll and will soon be printed in the book.

And now—Local girl makes good. Kent County should have some credit for the achievement.

Miss Dorothy Johnson a graduate of Washington College is becoming a singer of note. While a student at Washington College, Miss Johnson's voice came to the notice of Mrs. David B. Ford. Mrs. Ford took her in hand and she competed in an audition contest. Since leaving college Miss Johnson has continued her study of music and recently gave a recital in New York. She is a frequent visitor to Chestertown and Millington.

The following is a clippng from the Philadelphia Bulletin.

Coloraturo Soprano Charms In Concert At The Art Alliance

Dorothy Johnson, coloratura soprano who was winner of a national audition two years ago, charmed an audience at the Art Alliance yesterday afternoon where she was heard with other singers in a recital. Miss Johnson is a Baltimorean who is now resident of this city. She sang brilliantly and was especially enjoyable in the familiar 'Ah! Je Venux Vicre' from Gounod's 'Romeo and Juliette.'

CLERK TO ISSUE AUTO LICENSE PLATES

A bill was passed at the recent session of the Legislature providing for the issuance of automobile license plates by the Clerk of the Court in the various counties. This bill will avoid much of the confusion and delay in securing license plates in December.

A ten cent fee will be charged which is the same as the postage formerly paid for these plates. This law will not become effective until June 1st.

ANOTHER KENT BOY MAKES GOOD

John R. Lusby, Jr., son of Mr. and Mrs. Raymond Lusby has been honored with the appointment as manager of a large combination store of the American Stores at Ten Hills, Baltimore County. His father is a prominent farmer of Kent County and John is well known here and his large circle of friends wish him success in his new undertaking.

SELLS 40 FORDS IN MARCH

Eliason Motors hit a new high mark during the month of March when they delivered forty new V-8 Fords. The roads are full of them and the above company takes pleasure in demonstrating their new features.

NORMAN WYATT RECOVERING

Mr. Norman Wyatt, of near Massey, who it was reported last week by physicians that he could not live due to a shot gun wound in his head, is getting along nicely at the Easton hospital.

James Stewart, 16 year old boy, who is charged with shooting through the window at Mr. Wyatt's home and inflicting the wound, is being held at the Kent County jail.

IN MEMORIUM

In loving memory of my dear son, Joseph Clifton Everett who passed away five years ago April 4, 1930.

A precious one from us has gone,
The voice we loved is still,
A place is vacant in our home,
Which never can be filled.
Gone but not forgotten.
By His Mother.

WILLIAM BAKER TO ENTER PRINCETON

Bill Baker, son of Mr. and Mrs. H. M. Baker, of Quaker Neck, and a senior at Washington College plans to enter Princeton University next year where he will Master in Chemistry.

Bill is one of the outstanding students at Washington College being a member of the Scholastic Honor Society, editor of The Elm and prominent in the Dramatic and other societies at the College.

The London Bridge Chapter of the D. A. R. held their regular monthly meeting at the home of the Misses Stuart on Queen St. Mrs. Stewart M. Price Regent, presiding. Plans for the annual meeting in Washington this month were discussed.

HATCHERY CODE COMMITTEE RE-ELECTED

County Agent, McVean, announces that at a recent meeting the Kent County Compliance Committee was re-elected for the year 1935. The Committee is made up of Mrs. Harry T. Williams, Worton; Mr. O. E. Yerkey and B. Roe Wallis, both of Chestertown.

This Committee's function is to report the poultrymen of Kent County as affected by the code of fair competition for the Commercial and Breeder Hatchery Industry. In view of the fact that Kent has no commercial hatcheries, the work of the Committee is relatively light. The main function will be the referriug of complaints to the Regional Coordinator for this area. This person is G. R. Spitzer, Harrisburg, Virginia.

People who wish to file complaints of violations of the Code, should do so in writing, should give the names, dates, witnesses, addresses, and the specific evidence to back the claims. Unless definite information is given little action can be taken.

The Code for 1935 is much like that of 1934. The changes being mainly in the line of classificatfon and better definition. Egg dealers who handle hatchery eggs are now under the code as are dealers in young poults and chicks.

Maryland belongs in Region number 12, made up of the states of Delaware, New Jersey, Virginia, District of Virginia, and Maryland.

"PRECISION PELLETS" PRODUCE BETTER CHICKS FOR LESS COST

Pratts Precision Pellets End Waste—Cut Feed Bills 10 to 30%

Every chick needs a *full crop* for profitable growth. Crop X-Rays show that when mash is fed, the chick's crop is seldom filled. The chick does not get the extra food needed for quick, profitable growth. But when the easy-to-eat Pratts Precision Pellets are fed the crop is invariably filled with every needed ingredient—guaranteeing splendid health and growth. . . . Try feeding these new, economical balanced-diet Precision Pellets and see how your chicks thrive!—See how they save on feed!
