GREATEST CIRCUS TO BE IN BALTIMORE

RINGLING BROS. AND BARNUM & BAILEY COMBINED, PRESENTING HUNDREDS OF NEW FOREIGN FEATURES, IN SEVEN-RING AND STAGE PROGRAM DECLARED TO BE FINEST IN HISTORY.

Offering its millions of patrons the largest and best program in its brilliant annals, the mighty Ringling Bros. and Barnum & Bailey Combined Circus, is scheduled to exhibit in Baltimore, May 22, and May 23, and on that date the world's largest big top will be filled with sensational new features from all over the globe, including the topmost arenic acts of every European nation, except Denmark.

The Greatest Show on Earth will arrive on four long, railroad trains of double-length steel cars, carrying 1600 people, seven herds of elephants, 1009 menagerie animals and 700 horses, to say nothing of 31 great tents and countless tons of riggings, grandstands, properties and paraphernalia.

New European troupes are the Walkmirs, Antaleks, Romeos, Maschinos, Polis, Buemrangs, Demenatis, Willos, Lauries, and Torrence-Dolores—sensational aerial and acrobatic novelty offerings. The largest aerial ballet ever produced, led by the the Lydia, the Rooney, the Annetta and Nelleta troupes, and the largest liberty horse act ever seen are new thrills from abroad.

Mlle. Gillette, who leaps from the dome of the big top; the Otaris, who fly in masses from an aerial cross; the two Wallenda troupes in new hair-raising high wire feats; Dorothy Herbert, riding reinless hurding horses over fire jumps; the great Con Colleano, forward somersaulting star of the tight wire; the largest acrobatic display ever seen, with the Yacopis, the Danwills, the Lyenos, the Yom Kams, the Demenatis, the Hadjis and Hassans; the celebrated Loyal-Repenskis, the famed Rieffenachs and the great Walters, bareback riding stars; the two Guice Troupes of comedy aerial flyers on the lofty bars; the Flying Concellos, with Antoinette, only girl ever to accomplish a two and a half somersault to hand to hand catch; the famed Flying Comets; Hugo and Mario, who are fired in a split second from the mouth of a giant cannon across the upper reached of the big top—these are but a few of the preeminent artists among the 800 performers with The Greatest Show on Earth—Ringling Bros. and Barnum & Bailey.

Still anoher feature is Col. Tim McCoy, the screen's most outstanding western star, at the head of his congress of rough riders of the world—boys, cowgirls, Cossacks, Mexican vaqueros, Australian bushrangers and Plains Indians. Col. McCoy, scout, soldier and friend of the Indian, idol of American youth, will also present his Indian Villiage in the center of the vast menagerie oval.

LAUGH AT REPAINTING
'Til 1940 . . . Paint With

Lucas
Tinted Gloss House Paint

Four to five years used to be dangerously long between house-paintings, but not when you use Lucas Tinted Gloss. Here's how it will protect your house: Every brushful will spread an even coat of metallic and lasting pigments across the surface with a solid coating that weather can scarcely affect. And pure linseed oil will sink into the pores, hold tight, and never dry out enough to flake or chip.

Years from now that surface will be a little thinner but it won't be cracked. It will still serve to protect your home against sun and rain and heat and cold. It will be the most inexpensive paint you ever used.

Tell your painter, "Use Lucas Tinted Gloss." He'll appreciate it. He knows its quality. He knows that it keeps itself clean and white for years. Get a color card today. You'll like the many attractive shades.
