W. C. DEFEATS MT. ST. MARY'S

CLINCHES STATE TITLE WEDNESDAY AFTERNOON ON HOME FIELD

In a loosely played contest on the part of the Mountaineers, Washington College clinched the State Inter-Collegiate tile by downing Mt. St. Mary's 10-4.

The Mounts scored twice in the first inning once each in the fifth and seventh. The locals took the lead in the second when mis-plays by the visitors, two walks and Rhinehart double down the left field line accounted for 4 runs.

Evans pitched a tight game for Washington holding the visitors to 6 scattered hits. Good fielding by his team mates kept the Mounts off the bases.

One of the features of the games were two terrific clouts by Bill Nicholson which appeared to be home runs but one went directly in the hands of the right fielders hands and the other to the center fielder. Neither fielder had to move out of his tracks and were able to handle the line drives. A little to the right or left in either case would probably have resulted in a home run.

WASHINGTON UNDEFEATED IN STATE LEAGUE

Washington College won the State intercollegiate base ball championship this week when that team went through the entire season without a defeat by a league team. The local team won and lost to the University of Maryland although that team is not a member of the league.

Washington College has had a very successful athletic year, an undefeated foot ball team, a runner up basket ball team and a championship base ball team.

Galena, Md.—The Massey and Galena club lost 3 games in a row by going down to defeat Saturday before the West Kent team which have taken their last 3 games in a row. A mound duel between Harris and Grady was the best pitching that has been witnessed this year. Errors gave both clubs their runs. Harris had a shade over Grady when he yielded only four hits and fanned 14 batsmen while Grady allowed 6 hits.

VEHICLE LICENSE HEARINGS IN COUNTIES

For the convenience of Maryland's countians, W. R. Rudy, Commissioner of Motor Vehicles, will send a license examiner to the various county seats to hold hearings on the revocation and suspenson of motor vehicle licenses. This service will start June 3.

Hearings will be conducted in the same building at which operator's licenses are issued, but hte examiner will not be able to operate on a definite schedule, but will have to be governed by the number of offenses docketed for the different localities. All offending drivers will be notified at least three days in advance by registered mail when and where the hearings will be conducted.

It has been the practice to summon motor vehicle volators to the Baltimore office for hearings, but the Commissioner said he believed 'it was unjust to burden the operator with this additional expense.'

'The long trip to Baltimore City from the Eastern Shore, the Southern and Western parts of the State, is a financial hardship which will thereby be eliminated,' he said.

'I trust,' Commissioner Rudy added, 'that this innovation will meet with the wholehearted cooperation of the county people, so that it shall not be necessary to revert to the present sys-

SUMMER PLANS FOR ADULT EDUCATION CLASES ANNOUNCED

Although the adult general classes will be closed at the end of May, plans are being made for instruction to be given during the summer months in such special fields as gardening, canning and life saving.

It is urged that all waterfront communities take advantage of the latter opportunity and that all groups of women interested in canning will accept a chance of having definite, specialized instruction along that line. Individuals interested should attempt to interest others and report any demand for classes to Mrs. Reba Wharton, Office of the Board of Education, Chestertown, Md.

As in all adult classes an enrollment of ten or more people sixteen years of age or older is required. Each group decides how often it is convenient for them to meet.

Prospective teachers must show adequate training and practical experience in their respective lines of instruction. Appointments in Kent County will be made by Louis C. Robinson County Superintendent of Schools, Chestertown, Maryland.

NOTED AVIATOR HERE

Those attending the sale at the store of J. S. KKreeger which starts today, will have the opportunity of meeting one of America's war aces.

Captain William E. Loeber, under whose personal supervision the sale is being conducted, entered the British Royal Flying Corps in 1915 and in Jan., 1918, transferred to the American forces. During his war experience he was shot down three times and has many bullet and shrapnel wounds.

Following the war he opened an aviation school at St. Louis, his home town, and among his pupils was Colonel Charles Lindberg.

The Kreeger sale, an unusual event at that store is expected to be one of the attractions in town starting today.
