Services for Sunday, June 16, will be as follows:

Sunday School at the usual hour of 11 a. m. under the superintendency of George Carroll, using the lesson 'Christian Stewardship.' The pastor will be absent, attending the Maryland Annual Conference, therefore there will be no preaching service.

Our evening service will be under the leadership of Miss Sarah Morris and Elizabeth Lusby, using the topic: 'Why is Gossip Harmful?'

St. James grought the Conference year to a most happy and successful conclusion in the observance of Children's Day last Sunday. The church was filled to capacity and the children took their part in a most creditable manner. The spirit of cooperation and loyalty to this church manifested on this occassion was a joy to behold. The appeal for Foreign Missions and support of this church in realization of its financial goal resulted in an offering of $200.00. It was an occassion long to be remembered.

At the membership meeting held a few weeks ago, Mr. H. S. Startt was elected delegate to the Annual Conference assembling at W. Md. College this week, and Mr. S. J. Lee was elected alternate. The pastor by the largest vote ever expressed was given a unanimous invitation to return for the eighth year. The church has a most promising future.

IF YOUR BREATH HAS A SMELL YOU CAN'T FEEL WELL

When we eat too much, our food decays in our bowels. Our friends smell this decay coming out of our mouth and call it bad breath. We feel the poison of this decay all over our body. It makes us gloomy, grouchy and no good for anything.

What makes the food decay in the bowels? Well, when we eat too much, our bile juice can't digest it. What is the bile juice? It is the most vital digestive juice in our body. Unless 2 pints of it are flowing from our liver into our bowels every day, our movements get hard and constipated and ¾ of our food decays in our 28 feet of bowels. This decay sends poison all over our body every six minutes.

When our friends smell our bad breath (but we don't) and we feel like a whipped tomcat, don't use a mouthwash or take a laxative. Get at the cause. Take Carter's Little Liver Pills which gently start the flow of your bile juice. But if "something better" is offered you, don't buy it, for it may be a calomel (mercury) pill, which loosens teeth, gripes and scalds the rectum in many people. Ask for Carter's Little Liver Pills by name and get what you ask for—25¢. ©1934, C.M.Co.
