Dr. Miles NERVINE *"Did the work"* says Miss Glivar *WHY DON'T YOU . TRY IT?*

After more than three months of suffering from a nervous ailment, Miss Glivar used Dr. Miles Nervine which gave her such splendid results that she wrote us an enthusiastic letter.

*If you suffer from "Nerves." If you lie awake nights, start at sudden noises, tire easily, are cranky, blue and fidgety, your nerves are probably out of order.*

Quiet and relax them with the same medicine that "did the work" for this Colorado girl.

Whether your "Nerves" have troubled you for hours or for years, you'll find this time-tested remedy effective.

# AT THE MOVIES NEXT WEEK

WHEELER and WOOLSEY'S current laugh delight is 'THE NITWITS,' with Betty Grable as Wheeler's new heart interest in this RKO Radio Picture at the New Lyceum Theatre.

For Wheeler and Woolsey to top anyone's brains is competition for the Eighth Wonder of the World; but for Wheeler and Woolsey to top the best brains on the detective force is a miraculous achievement.

Of coarse, it's in a movie—'The Nitwits' coming to the New Lyceum on Monday and Tuesday, July 1 and 2. And it is only their positive genius for doing the wrong thing at the right time that enables them to be better cops than Capain Jennings and Private Detective Darrell.

The boys are seen as scientific sleuths who desert the magnifying glass, the double-peaked hunting cap and the calabash pipe for a lie detecting machine which Woolsey perfects. The invention is capable of shocking the truth out of the most hardened liar, and Bob employs it on their own suspects, one of whom may have slain a song magnate and his auditor, and blackmailed many others.

No Wheeler-Woosley show is genuinely entertainment without music, and 'The Nitwits' ingeniously interweaves three popular melodies with the gripping melodramatic theme. The numbers, 'Music in My Heart,' 'You Opened My Heart' and 'The Black Widow Will Get You If You Don't Watch Out,' are performed by Wheeler, Woolsey, Betty Grable, and the musical comedy stars, Joey Ray and Joan Sanderson.

George Stevens directed Fred Keating, Erik Rhodes and Evelyn Brent in 'The Nitwits,' an RKO Radio Picture.

A new type of college story, one that does not depend on musical comedy or football for entertainment, is revealed in Paramount's 'College Scandal,' which comes on Wednesday and Thursday, July 3 and 4 to the New Lyceum Theatre.

The campus of Rudgate, a fictitious university, is selected for the locale of an engrossing murder mystery in this picture which introduces Wendy Barrie, English ingenue, to American audiences, in company with Kent Taylor, Arline Judge, Eddie Nugent and William Grawley.

A newcomer to the campus, Miss Barrie acquires notoriety overnight when two boys who have been paying attention to her are mysteriously murdered. Eddie Nugent seems marked for the third victim, but Arline Judge who loves him sets about unraveling the mystery with the aid of her brother.

How these amateur sleuths dare death themselves to track down their slender clues and, bring the supercriminal to justice furnishes a thrilling climax to the film.

The long and powerful arm of the federal government has proved a vital instrument in capturing some of the country's leading gangsters, and this theme supplies the interesting story of 'The People's Enemy,' RKO-Radio release coming to the New Lyceum on Friday and Saturday, July 5 and 6.

The story, authored by Edward Dean Sullivan, a former newspaperman, concerns Vince Salcone, a public enemy. The desperado has escaped all legal entanglements via technical loopholes designed by his lawyer, 'Traps' Stuart. Now he is charged with income tax evasion by Uncle Sam, and the going is not easy. Falcone is nipped.

Sullivan secured his story from the day's news, and the outcome of Vince Falcone's commitment to prison is said to present a powerful, thrilling climax.

An all-star cast has been entrusted with the leading roles of 'The People's Enemy.' Preston Foster, Melvyn Douglas, Lila Lee, Shirley Grey and Roscoe Ates are among the prominent players in this Select Production.

## FOR THOSE WHO REMAIN

When death visits a home, the first concern is to perform the last service to the loved one in a becoming manner. What ever is done must express all the reverance and affection that is felt at such a time. But in addition to this a further responsibilty rests upon the funeral director. It is his privilege and duty to lessen as far as lies with in his power, the burdens laid upon those who remain. By countless little acts of thoughtfulness he can make the way easier for them.

We consider this part of our work as important as any other. Our highest aim is to have our patrons look upon us as trusted friends, ready and anxious to render sympathetic assistance to those who remain behind.

B. R. FELLOWS,
ar27 Funeral Director.

## McCormick-Deering New 4

**World'a Most Popular Riding Cultivator**

A SLIGHT pressure on one of the pedals of the New 4 pivots the wheels and shifts the gangs at the same time—giving double-quick action in dodging plants or hills out of line.

The New 4 is a "balance frame" cultivator. When the gangs are raised by the master lever which is provided, the frame moves forward, balancing the cultivator and the driver nicely.

The thorough success of the McCormick-Deeaing New 4 has undoubtedly made the largest selling riding cultivator in the world. We will be glad to show it to you. We also have McCormick-Deering Cultivators in 2-row sizes and in types for use with the Farmall tractor.
