QUEEN ESTHER

There is no story more interesting than the one told of Queen Esther in the Bible. It was in the days of Artaxexes, King of Persia, that the king sent for his wife Vashti to come to him. For some reason she refused to come, and the king, who was accustomed to be obeyed at once, immediately divorced her. Then there was given out a decree that the beautiful maidens of the kingdom should come to the king's palace that he might choose another wife.

There were many jews in the City of Shushan at that time, among them, Mordecai, a very devout Jew who was This same Mordecai heard some officials at the palace planning to murder the king, so he rushed and informed on them thus saving the monarch's life. When Mordecai heard that the very prominent among his people, young virgins were to be brought to the palace he hastened to bring his own niece Esther, that she might be among them. Esther was very fair and when the Keng saw her he loved her and chose her for his wife.

Mordecai was very glad and, as he sat at the king's gate, his hope was that his people would be happier by Esther's marrage to the king. The king's chief Chamberlain was Haman. Now this man hated the Jews, and though he had every favor heaped upon him by Artaxerxes, yet he was miserable because Mordecai refused to bow down before him. Then he thought of the plan of persuading the king to put all the Jews to death. And so another decree went out that every Jew in the kingdom should be destroyed. How happy Haman was and his wife, Zereth told him to build a gallows that Mordecai might hang from it. When Mordecai heard that all the Jews were to be destroyed he sent for Esther and asked her to plead with the King to do away with his decree. Poor timid Esther, she was afraid to go into her husband's presence without his sending for her, but she sent word to the Jews to proclaim a fast and pray for her. Then she went into the King's presence with fear and trembling and he spoke graciously to her, and asked her what was her request. She told him she wanted him and Haman to come to a feast which she would prepare for them. Haman was very much delighted to be invited by the queen.

When they went into the feast the king asked her, "What is thy petition and what is thy request?" Then Esther told him all, and plead with him to spare her people, and told him all that Haman had done. So Haman was hanged upon the gallows erected for Mordecai and Mordacai was chosen chamberlain in his place.

What more pleasant occupation is there than sitting on the porch or in the garden and travel through foreign lands. There is no real effert there, only to read a book of travels, written by some one more venturesome than the readers.

Here we do not have to climb treacherous mountains, cross billowy, storm tossed oceans nor go through hot arid countries.

Anne Campbell has written a poem about travelling through foreign lands in a garden chair. The one who sat there was very lame, but every day in fair weather she was brought out, and surrounded by flowers, she went on her travels.

Perhaps she knew more of the countries than those who actually went to them for she saw them thru her minds eye. Imagination is a wonderful companion and if everyone, no matter how busy, would try this mode of travel he would find it very refreshing and come back to his work very much refreshed. Try it.

PLASTIC SURGERY

Women now adays need not mourn over ugly features nor any other deformity, that is if they have money enough to have them changed by a plastic surgeon.

The doctor who changed Dillinger's appearance for him changed it so completely that he has been arrested and put in jail for aiding criminals to escape.

The doctor who is doing a wonderful work in plastic surgery is Dr. Sheban, of New York. He has the most beautiful apartment in the city, surrounded by numberless attendants. His fee for one visit is often $75.00 while his charge for an operation is sometimes $10,000. Everywhere in his rooms are momentoes from grateful patients, many of them of the nobility of Europe.

In spite of his high charges he is very busy. Sometimes he is called upon to give moving pictures of his various operations. He cuts and slashes but when the wound is healed it leaves hardly a scar.

WE'D DO THE SAME

A Scot was walking with a Roman Catholic friend in London. On passing Westminster Cathedral his friend raised his hat, and the Scotsman followed suit.

At this his friend said: You're getting very pious, raising your hat as you pass the cathedral.

Was that the cathedral the Scot replied. I thought it was the Bank of England.

CECIL COUNTY

During the mouth of June an all-time record for a one month period was established at the Clerk of the Circuit Court's office in Elkton for issuing marriage licenses. The number of licenses issued during that period totaled 753, which is 145 above the number issued in June 1934 and sets an all time record.

In October the Elkton marriage mart is expected to do considerable more business due to the fact that the 3-day law goes into effect in Pennsylvania and altar-bound couples in that State will be forced to give three days notice before they are issued their marriage license. It is thought that the large increase in license issued in June was due to the fact that couples from New Jersey, New York and other states thought the three year law was already in effect.

Arguments of the roads case as filed by the County Commissioners of Cecil County against the State Roads Commission following the dismissal of Joseph T. Richards as supervisor of roads of that county was resumed before the Circuit Court of Tuesday of this week.

The bothersome and ruinous species of popillia japonica, which is defined as a small, bronze-green, very destructive insect, commonly known as the Japanese beetle, will find things very much to its liking this summer in Cecil County.

A welcome sign, in effect, has been hung out by the Insect Control Department in Maryland, following an announcement last week that control work will not be carried on this year due to an extreme shortage of funds.

WICOMICO COUNTY

The first brewery to open on the Eastern Shore started production last week at Salisbury. The beer put out at this brewery will be sold under the name of "Shore Beer."

Under the New Deal program Salisbury has become Federal headquarters for seven government agencies. The territory covered by these agencies range from three to nine counties.

Rid Yourself of Kidney Poisons

DO you suffer burning, scanty or too frequent urination; backache, headache, dizziness, swollen feet and ankles? Are you tired, nervous—feel all unstrung and don't know what is wrong?

Then give some thought to your kidneys. Be sure they function properly, for functional kidney disorder permits excess waste to stay in the blood, and to poison and upset the whole system.

Use Doan's Pills. Doan's are for the kidneys only. They are recommended the world over. You can get the genuine, time-tested Doan's at any drug store.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. ©1931 C. M. Co.
