ACCORDING TO REPORTS by Congressman Kennedy this week, the Chesapeake Bay Bridge is more a reality than any time since it was first proposed. According the Mr. Kennedy, private capital is ready to invest part of the cost of the project and that angle has been received in Washington with a great deal of favor. As stated in this paper last week, if the people of Maryland are not willing to invest part of the cost of the construction of the bridge, which investment to have first lean on the bridge, then the Federal Government has a right to look at the project with a great deal of misgiving.

THE ACTION OF THE Chestertown Volunteer Fire Company last Monday night in deciding not to hold a carnival this year meets with the wishes of a majority of the people of the community. It will be remembered that last year donations of approximately $1200 were made to that company provided that a carnival would not be held. The action again this year puts the maintenance of the company again up to the citizens of this section of the county which after all is where the responsibility should rest.. The maintenance of an efficient fire company materially reduces the insurance rates in a community and practically assures the prevention of a serious loss of property. What ever system of raising funds that the fire company may abopt should have the support of the public if the company is to be kept in its present high state of efficiency.

## ATTENDANCE BROKEN AT BETTERTON CASINO!

All time records were broken at the Betterton Casino last week. A capacity crowd of close to seven hundred ptrsons packed the dance floor Saturday night and nearly five hundred were present Amateur Night last Thursday.

Saturday night dances are dressed up affairs with many girls wearing beautiful evening gowns and most men in white linen suits or summer tuxedos. They dance to music furnished by Dorn Francis Belvedere Hotel orchestra which is considered the best band ever engaged for the nightly dances at the upper bay resort. In engaging this expensive orchestra, the management is reaping a good profit on his investment.

Amateur nights have been great drawing cards and the crowds attending have been so great that many have been turned away. Last Thursday's prizes were won by Miss Helen Roach of Ridgely and Price Rolph of Chestertown. Othtr participants were Bunkie Bringman who hails from Chestertown and who got a big hand for his singing; Chas. Hickman also of Chestertown who played and sang; Mike Freeman, of Galena, who gave a fine exhibition of hill-billy songs; Phillis Lalli, of Norristown, Pa., who sang; Mickie Hollenberg, the rubber knee dance artist from New York; Ruth McKay, of Baltimore and Kitty Morton. One of the most popular numbers was the string music rendered by a trio from Wilmington. Third place was won by Ludy Gordon of Chestertown and Charlotte Cornelius, of Worton, who sang and danced. The Betterton chorus consisting of Rosemary O'Brien, Reta O'Brien, Sis Moore, Phillis Lalli and Esther McDorman opened the program. The popular and talented Mistress of Ceremonies—Miss Betty O'Hara and her brother Edward gave a beautiful interpretation of the Bolero dance.

On Monday night three boxing bouts were held on the dance floor during the dance intermission. Red Smith acting as promoter and referee kept the boys stepping lively throughout. The first bout was between Paul MacDermitt and Vance Wright; the second between Ben Robinson and Junior Newsome and the main bout of the evening between Ed Scala and Howard Smith.

The Hurdle dance of Tuesday night have been so popular that they will be held for several more weeks with prizes awarded to the winners. On Wednesday night prizes will also be given to the winners at the Masquerade dance.

## GIRBUS HERE NEXT WEDNESDAY

Something different in amhsement is promised show-goers of this vicinity when the fleet of trucks conveying the Beers-Barnes Shows arrive in Chestertown, on August 7th.

Presenting under their big tent what they term "The Biggest Show Entour for the Price of Admission," this company leaves little to be wanted in clean amusements.

Heading the list of well known artist of the show are two clever young ladies on the tight wire, Doris Barnes and Sadie Beers. These girls will thrill you with fast running, jumping and sensational tricks on that slender steel thread. Then, Ernesto the flexible marvel, Junk Bros., three funny clowns; Kirk Adam's trained dogs, ponies and monkeys and others, too numerous to mention.

Show grounds will be at Philosophers' Terrace. Be there and see this wonderful show.

### Antelope in Many Areas

Pioneers found thousands of antelopes ranging over the Great Plains and the deserts from Canada south to the Valley of Mexico, and eastward through what is now Nebraska. Antelope require large areas of wide, open country to thrive, says Nature Magazine. This has been growing less with the advance of civilization until now there are only a few small herds left in widely scattered territory. Possessed of an exaggerated sense of curiosity, they habitually place themselves in unnecessary danger, evidently depending upon their fleetness of foot to escape. When startled they raise the stiff white hairs of the rump patch. This conspicuous signal is visible for a couple of miles and is passed from group to group until all have taken alarm.

Robert Harley Fisher
vs.
Margaret Scioli Fisher

In the Circuit Court for Kent County

In Equity No. 2941

The object of the Bill filed in the above entitled cause is to procure a Decree for divorce a vinculo matrimonii.

The Bill states:

1. That on or about the 30th day of May, 1929, Robert Harley Fisher was married to one Margaret Scioli at Elkton, Maryland, by a Minister of the Gospel at that place.

2. That immediately after said marriage the said Robert Harley Fisher and Margaret Scioli lived in Philadelphia, Pennsylvania, which was then and there their home until September 9th, 1930.

3. That though the conduct of your Orator toward his wife, the said Margaret Scioli Fisher, has always been kind, affectionate and above reproach, the said Margaret Scioli Fisher on September 9th, 1930, without any just cause or reason abandoned and deserted him and declared her intention not to live with him any longer and that such abandonment has continued uninterruptedly for at least three years and in fact until the date of the filing of this Bill, and is deliberate and final and the separation of the parties beyond any reasonable expectation of reconciliation.

4. That the said Robert Harley Fisher has been a resident of the State of Maryland and has resided within the State for more than two years previous to the filing of this Bill for divorce. That he has resided and been a resident of Church Hill, Queen Anne's County, Maryland, from June 1932 until April 1, 1935. On April 1, 1935 he removed to Betterton, Kent County, Maryland, and has been a resident of Kent County, Maryland, since April 1, 1935.

5. Your Petitioner has never heard from his wife since she left him in September, 1930, but has been informed that she now resides in the State of Kansas. That there were no children born of said marriage.

It is thereupon, this 29th day of July, 1935, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 26th day of August next, give notice to the said Margaret Scioli Fisher, non-resident defendant, warning her to appear in this Court in person or by Solicitor, on or before the 9th day of September, next, to show cause, if any she has, why a Decree ought not to be passed as prayed.

## Pay By CHECK

THE modern and most convenient way of paying off your obligations is BY CHECK! It not only helps keep track of every penny spent but both the stub and the canceled check are definite records who received the money and when. Besides, it does away with the handling of large amounts of ready cash and the temptation to spend it.

Man or woman, this Bank welcomes your Checking Account. Come in and get full details.
