THE AMERICAN PRESS ASSOCIATION

ACCORDING TO A statement made this week by Mr. R. Gleason Maltoon agriculturists should at once sign an armistice with the blackbird and starling in order to control the insect pest that is rapidly gaining. It is true that these birds do considerable damage to crops but their damage is small compared to that done by insects. Bird life is the only definite means of controlling the Japanese beetle which is fast making inroads into this section, and it will probably be found that feeding birds with field crops is more definite and cheaper than the use of spray and bait.

LOCAL FARMERS ARE apparently little concerned over the present contention over the policies of the agricultural adjustment administration. Wheat contracts for the coming year are being signed daily and local farmers feel that they are safe in a contract with the Federal Government. The processing tax plan is one of the very few policies that has received the endorsement of practically the entire farming population of the country and farmers can rest assured that as long as politics reigns supreme there will be no danger of Congress doing away with a ruling that will antagonize such a mass of voters.

The Curbstone Diplomat

WILLIAM S. COLLINS

Here it is Friday and so much going on for a country place. First, just mentioning it, but it means nothing to me, a Republican rally is on at Tolchester.

Second, the annual Kent County Horse Show is in progress, which will as usual draw a crowd and how I would like to be there, were it not for the fact that the Betterton Regatta is on and of course I would rather be there. Saturday we have the Betterton Regatta again.

Next Wednesday for the benefit of Socred Heart Church an old fashioned tournament is on and this is followed on Friday and Saturday by the Annual Chester River Regatta. To fill matters up the Walter L. Main circus will also be here on Saturday. All are big events and it is too bad that they all come so close together. And, let's not forget the Commodore Wilmer sailing series this Sunday afternoon.

Doc Sterling, Carl Bordley and William Belt Townshend have shipped their boats by truck to Betterton to race in the regatta.

It certainly is true that a casual remark can get you in trouble. All the year some of our people have been talking about attending he St. Michaels regatta. I made he terrible mistake of suggesting that they ought to rent a large boat to view the races from. The next thing I was in the middle of it. The boat was rented and supposed to be in St. Michaels harbor Thursday night or early Friday morning and the people scheduled to come down. Everything was represented including the three Kent County newspapers.

Thursday night the boat was not there. Friday morning it was still not there. A trip down to Eastern Bay to see if it could be sighted. Then my coil burned out and after a long while we were towed in. A hasty call to tell the news and to tell them not to come. Later the boat shows up and another call to tell them to come.

After itg ot there a lot of people had a lot of fun but after all, let's hope no such patched up outfit attends our regatta. I beg the Miles River Yacht Club officials to forgive me for my part in, what was slangly called the dollar boat.

HARRIS FARMS SOLD

The Harris Farms, which were sold under a mortgage to the Pennsylvania Joint Stock and Land bank this week were bought in by the Mortgagor for $17,000 and $1,500.

BETTERTON

The community was saddened on Monday morning of this week when it learned that Mr. George VanDyke had passed away suddenly at the Hotel Rigbie where he was the night clerk, on Sunday night. His funeral service was held at the Methodist Church on Wednesday afternoon and the interment at Cecilton. Mrs. Harry Clark and Mrs. Mattie Turner are his surviving sisters.

Elaborate plans are being made of the Chamber of Commerce for the regatta that is being held Friday and Saturday.

Four picnics were here on Wednesday, The M. P. Sunday School, of Dover, the M. E. Sunday School from Church Hill, the Mite Society from Kennedyville and the Cooper family reunion from Worton. The largest crowd of the season was here on Saturday night, all of the hotels and cottages being filled.

A large congregation attended the Methodist church last Sunday evening. The Rev. Mr. George Appel, of Philadelphia, delivered the sermon. Rev. Ray T. Thawley, of Centreville, will preach this Sunday evening.

Mrs. Arthur Brice is spending a few days this week with Dr. andd Mrs. Talbott Brice, of Frederick, Maryland.

Mr. and Mrs. Arthur Remmington and son, of Relay were the guests of Mr. and Mrs. Bayard Crew this week.

Mrs. Philip Gooding and daughters, of Baltimore, and Mr. and Mrs. Charles Willis, Jr., are spending the week with their parents, Mr. and Mrs. Charles Willis.

Mr. and Mrs. Reese Crew, of Williamsport, spent a week of their vacation with his parents, Mr. and Mrs. Walter Crew.

The Epworth League, of Still Pond, will worship with the Betterton folks at their service on Sunday evening at seven forty five. There will be no service at the Episcopal church on August 18th as the minister Rev. Mr. Wyllie is on a vacation.

AMERICAN BOY MAGAZINE IS LOADED WITH ADVENTURE

'We try to make a subscription to THE AMERICAN BOY,' states Griffith Ogden Ellis, editor, 'a round-trip ticket to a world-wide adventure cruise.

'Most boys cannot afford the luxury of travel but they can afford to settle down under a reading lamp and take an imaginative trip to foreign lands in American Boy stories.'

American Boy stories, during the coming year, will take readers to the atols of the South Seas in a trading schooner, to the polar wastes behind a dog team, into the Canadian wilderness with the Mounted Police, through the Caribbean with the U. S. Navy, even to the far-away planet of Mars in a space ship!

There'll be true adventures among the lions and chimpanzees of Africa with Captain Carl von Hoffman, famous explorer and ethnologist. In addition there'll be stories about the favorite characters of a million boys—Bonehead Jim Tierney, detective; Square Jaw Davis, engineer; Hide-rack, the red-and-gold collie; Connie Morgan, and Douglas Renfrew.

There'll be vocational stories that will help the reader select his life work, advice on hobbies, sports tips from famous coaches and players, money-earnings suggestions, vacation hints, and worthwhile contests.

THE AMERICAN BOY costs only $1 a year, or $2 for three years, foreign subscriptions 50 cents a year extra. Send your name, address, and remittance to THE AMERICAN BOY, 7430 Second Blvd., Detroit, Mich. Service will start with the issue you specify. On newstands, 10c a copy.
