The Social Wanderer

Dear Roamer:

The Time—the very tip-end of summer, the Place, Chestertown and surrounding country and Social News practically a blank page!! Certainly not the material for a very interesting letter is it? With the Regatta over, most everybody home from summer vacations and those who have been visiting either gone or packing their bags, probably in a day or so shows that the pattern of Summer has been woven, and now we stand at the threshold of Fall and Winter wondering what it holds in store for us. These in between days are dull, but after all it's a good time to relax, pick up loose ends, and recover from the tear and strain of the past strenuous weeks. Labor Day week end officially marks the close of the gala season, and to send it off with a punch, the Patapsco Squadron of the U. S. Power Squadron will cruise to Chestertown on Sunday, staying over until Monday. About 50 boats frm Baltimore, Washington and other Western Shore points will be on hand and at the present writing every effort is being made to dig up some excitement for these guests who are expected to number about 200. A dance at the Country Club, starting at midnight on Sunday is being talked of and so at least something unusual for the Community is in the offing.

Wednesday evening ot this week, Mrs. Roland Corey entertained at a bridge party in honor of Miss Harriette Welch who will shortly return to New York for the winter. Then on Thursday evening, quite a few Chestertown people travelled over to Sudlersville to a supper party given by Mr. and Mrs. John Stokes. Supper was served out of doors on their beautiful lawn, and altogether it was quite a delightful party. Friday night marked the last of the Cinderalla Cotillions. A nine piece orchestra made melody for the 'sweet young things' to dance by and as the last strains brought to a close these popular affairs, more than one young maid was loath to think of them as the end. Much credit is due to Mrs. Norris Harrison who was responsible for these five cotillions which encouraged so much entertainment for the younger crowd here this summer.

Teachers and professors are drifting back one by one, establishing themselves for the coming season. Miss Marie Bryan, a teacher at the Chestertown High School has taken a new apartment, and will live in the Wickes Apartments on Front St.

Among the visitors in town this week we find Miss Dorothy Dodge of New York who is the guest of Miss Elizabeth Brown; Miss Emma Beck who is visiting Mrs. Herbert Skipper; Miss Eva Connelly and little Joan Olp, of Haddonfield, N. J., who are guests of Mrs. J. W. Stenger.

Mrs. M. E. Brown has returned with Dr. and Mrs. S. H. Wright to their home here. Dr. and Mrs. Wright motored to Fairmount, W. Va., where they were guests of Dr. and Mrs. M. E. Brown and Dr. and Mrs. Freeman Linger. Mrs. Brown was the former Miss Alma Kelly.

Mrs. Lewis B. Sheen and son, Richard, of Montross, Pennsylvania, have been visiting friends in Kent County and other sections of the Eastern Shore.

Miss Margaret Brewer, former Dean of Women at Washington College was a week end visitor in town.

Miss Rachael Thomas, of Baltimore, was a guest over last week end of Mr. and Mrs. Elmer Thomas.

Mr. Morgan Browne, Jr., of Baltimore, is visiting at the home of Mr. and Mrs. Harry S. Russell.

And now for those who have been postponing their trips and vacations up until now.

Mr. and Mrs. Claude Truslow and daughter, Betty, have been taking a motor trip through the Pocono Mountains and en route home will stop at Montclair, N. J., where they will get little Peggy, who has been visiting with Mr. and Mrs. J. R. Collins at their home there.

Mr. S. Scott Beck, Mr. Scott Beck, Jr., and Mr. Richard H. Collins, Jr., left Sunday for a cruise on the Pilot Ship, the Marylander, as guests of Capt. Jack Delano, returning Tuesday. Mr. Scott Beck, Jr., however, remained at the Capes aboard the ship for a week longer.

Lt. Harry Derringer, U. S. N., of Yorktown, Va., came yesterday for a week's visit with his mother, Mrs. Alice Derringer.

Mr. and Mrs. W. R. Huey will leave this week end to visit friends in lower Delaware for a week.

Miss Madeline Baxter spent this week visiting friends in Philadelphia, Atlantic City and Malaga, N. J.

On September 12th and 13th, we have a Flower Show at the Armory to look forward to. Quite a few events will be staged in connection with the show, so it will be not only a floral and social occasion but a fashion and dramatic display as well.

So with these few remarks, I am going to leave you. I won't be with you next week, and I want you to miss me just a little, but I hope to be back on the job, the week after, chuck full of news for you. You'll probably enjoy a rest as much as I.

Yours for a vacation.
THE WANDERER.

Mr. and Mrs. Rollison Baxter and family spent Wednesday of this week at Atlantic City, N. J.

Mrs. Clarence Hurd and son, Pat, spent several days this week with friends in Wilmington.

Miss Janet Atwater has been appointed teacher of History and Music at the Denton High School for the coming year. Miss Atwater is a graduate of the Chestertown High School and of Washington College and since her graduation has been employed in government relief work.

BAXTER—FALLS

Miss Clorea Baxter, daughter of Mr. and Mrs. Charles A. Baxter, of Queen Anne's County, and Mr. Don T. Falls, Jr., son of Mr. and Mrs. Don T. Falls, of Chestertown, were quietly married in Baltimroe on Monday of this week.

The bride is employed by the C & P Telephone Company and the groom holds a position with the Gulf Refining Company.

ENTERTAINS LEGISLATORS

MRS. EVELYN HARRIS HOST TO SENATOR FRAZIER AND PARTY

Senator Frazier and son, of North Dakota, accompanied by Congressmen Lemke and Burdisk, were recent guests of Mrs. Evelyn Harris at Howell Point. All are staunch Republicans. They feasted on fried chicken and all that goes with it. Peaches and Bartlett pears were sampled and Senator Frazier stated that the corn looked better than any in the West and that the Bartlett pears were the best fruit he had ever eaten.

The guests found the pear trees so heavily laden with fruit that rabbits were eating the fruit from the ground.

Senator Frazier and Congressman Lemke are co-authors of the Frazier-Lamke act that would post-pone farm mortgage debts for three years.

Among the visitors at 'The Maryland' on Queen Street during the week were:

The following is the order issued to boats of the Patapsco Squadron:

August 29, 1935

Dear Skipper:

At a very successful meeting held at the Club, Tuesday evening, the following plans were made for the cruise:

Rendezvous behind Fairview Park Saturday night. For those desiring to go together to Rock Creek from the Club leave Ferry Bar at 4.00. We are trying to arrange a dance at Fairview Saturday night.

Colors at the gun 8 a. m. Sunday; five minute gun at 8.25 and underway at 8.30. Love Point at approximately 10.30 where we will pick up boats from the Magothy.

Proceed up the Chester River to Deep Point eight miles below Chestertown, anchor there and watch some thirty sail boats race.

At 3.30 or 4 up anchor at a gun signal and at a second gun signal five minutes later, proceed on to Chestertown Yacht Club, tying up at Club docks to clean up, prepare supper, eat, etc.

The plans for the evening have not yet been prparedd as we are waiting to hear from the Chestertown gang, but we expect to meet the squadron members from there, introduce all of our crew and possibly make some plans for joint doings next year.

We will have music with us and the Chestertown Club House is situated right on the water near the Club docks.

Colors at eight Monday, leave Chestertown at 9.00 A. M. and return to Rock Creek for the afternoon to swim, etc.

Leave Rock Creek at 6 P. M. and return to Club.

We will cruise at approximately 6.5 knots in single column formation, if weather permits, four boats lengths apart. This is the simplest formation being simply follow the leader, who will be, if present, Commander Flentje, if not present, Vice Commander, Rappelyea or myself. My boat is the Goldfish.

Yours truly was named Flag Lieutenant for the cruise and we will keep track of all boats to see that no one in need of assistance is without it. So, it is important that every boat on joining the squadron report to me, on the Goldfish, and on leaving for any purpose whatever, report before going. This is necessary to prevent any unnecessary delays or searching parties.

We have made arrangements to have movies taken of the Fleet either just bfore arriving at the Chestertown Club or from the Club docks. Keep your eyes open for the photographer and be sure to get your picture taken. It should make an interesting film for a squadron night next winter.

It was decided not to race on this cruise, but to hold the cup over until a real race could be arranged.

Further details on Sunday night's doings will be given out Saturday night.

We'll be seeing you.

W. R. BOEHME, Lieutenant.
