STATE DAIRY GROUPS AWARD ANNUAL PRIZES

Richard Blackburn, Caroline county; Alton R. Kemp, Frederick county; and the Maryland House of Correction, Howard county, have been namd winners of silver trophies offered each year by the Guernsey, Jersey and Holstein breed associations. These trophies are awarded to dairymen whose herds make the largest average production of butterfat, as determined by records of the herd improvements associations.

This is the third year in succession that Mr. Blackburn's herd of Guernseys has received first place for that breed, it was announcd in The Journal last week. The herd of nineteen cows, all of which have been raised by Mr. Blackburn, produced an average of 424 pounds of butterfat and 8,699 pounds of milk.

The prize winning Jersey herd of Alton R. Kemp is composed of thirty-three purebred animals, all of which were raised by the owner. These animals averaged 8,732 pounds of milk and 424 pounds of butterfat.

Holstein honors this year went to the herd of the Maryland House of Correction at Jessups. This herd is made up of forty-five cows which were selected by Louis McL. Merryman, prominent Baltimore county breeder and former president of the Guernsey Breeders Association of Maryland. The House of Correction herd averaged 13,734 pounds of milk and 441 pounds of butterfat.

RACES OVER FOR SEASON

LARGE ENTRY OF BOATS AT DR. WILMER'S REGATTA

Sailboat racing on Chester River is over for the summer as far as any thing is scheduled at present.

Since early in the summer Sunday sailboat races have been held. These were divided into two series. Doc. Sterling's Rexall took the first which was for the Kellogg-Smith trophy and Harry Wilmer's Albatross took the second series which was for the Commodore Wilmer trophy.

Following this came the Chester River Regatta which provided plenty of racing for all types.

Dr. Wilmer's crowd from Indiantown have been very prominent in the races this summer. Last Sunday he had a regatta of his own. The participants were the boats taking part in the weekly races. The schedule of events included a race for Barnegats and a free-for-all handicaps. This handicap carried over from the last series staged by the Chester River Yacht and Country Club.

Henry Wilmer son of Dr. Wilmer took the Barnegat race in the famous 'Albatross,' while his cousin Harry Wood took second place with the 'Alice.' Gilbert Ingersoll in the 'Day Dream' took third honors.

In the free-for-all handcap, Dr. Wilmr's starboat, 'Alandra,' with the skipper himself at the tiller, outdistanced all rivals but was disqualified by the judges. Douglas Moore's 18 ft. sloop, unnamed, was declared the winner with Henry Wilmer's 'Albatross' second and 'Frolic,' piloted by William Foss, third.

Doc. Sterling's Rexall finished fourth.
