A STUDY OF THE MAP should dispell all arguments from the various points on the Shore, particularly the neighboring town of Centreville, as to the value of the Chesapeake Bay bridge. The highway suggestion represents a large road construction program to be built with Federal road funds. It is not suggested for immediate construction but is a plan for an eventual tie in for main highway on the Shore to be completed over a period of years. The plan is suggested with no idea of blocking any highway now planned but is merely constructive criticism of the present survey of a highway direct from Georgetown to Cambridge leaving many of the historical old towns which are of interest to tourists far from the boulevard. We feel that the various counties on the Shore should interest themselves in a constructive way in the newly proposed Shore boulevard.

LOCAL FARMERS HAVE been compelled to go to the various employment agencies in Baltimore to get sufficient help to cut thge corn crop due to the fact that the recent storm blew the crop down so that it will have to be cut by hand. It certainly points out the fact that there is practically no unemployed able bodied men in this county who are willing to work. The experience of one of our local farmers in Baltimore who upon applying at the Federal Re-employment Agency in that city found that there were no corn cutters available leads to the belief that the unemployment in that city is not as serious as it has been supposed, or is it that the laborers have worked out means of levelihood without working. It will be remembered that in recent months relief had to be halted in one of the Western States in order to get the wheat crop harvested.

LOWER KENT HORSE SHOW A SUCCESS

LARGE FIELD OF PARTICIPANTS COMPETE

The first annual affair held on the Howard Leaverton farm for the benefit of the Rock Hall Fire Company proved a success and worthy of praise to all participants. The local display of horsemanship was excellent with fair and competent judging of all events. The weather was perfect encouraging an appreciative and friendly crowd to contribute to the show.

The field of entries was much larger and more enjoyable than had been anticipated. The children with their entries deserve particular mention for their work and skillfulness in riding and in helping their mounts to perform admirably. Real sportsmanship was displayed and merited much enthusiasm.

Mr. Ernest Hepbron proved an efficient announcer.

Miss Alverta Brice and Mr. Charles Wilson acted as judges of the different events with the following results:

Forty-three horses were entered in the first annual Lower Kent Horse Show, held last Saturday on the farm of Howard Leaverton, near Edesville. The show was staged for the benefit of the Rock Hall Volunteer Fire Company.

INFANT DAUGHTER DIES

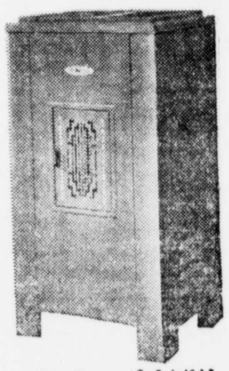

Roberta, infant daughter of Mr. and Mrs. E. J. Lussier, of Rock Hall, died Friday at the Kent and Queen Annes General Hospital. Burial services were held at Old St. Paul's Church last Saeurday in charge of the Rev. William Wyllie. Ralph H. Usilton was the funeral director.

NOTICE TO THE PUBLIC

The Ladies Auxiliary of the Chestertown Volunteer Fire Company have kindly offered their services to solicit donations for the maintenance of the Fire Company for the ensuing year. The Fire Company believing that the Public did not want a carnival held in Chestertown this year, have decided on a donation plan to raise necessary funds. Now it is up to the friends of the Fire Company to give generously and back up the Boys in carrying out what they believe were the wishes of the Citizens of the Town. Your donation to this cause will be greatly appreciated.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.
