TO FORM A CONSERVATION CLUB

Centreville, Md.—All signs point to a large turnout in Centreville next Wednesday evening, October 9, when sportsmen of the five Upper Shore counties gather here to form a Conservation Club.

To aid with plans for the meeting, State Game Warden E. Lee LeCompte and District Wardens from Kent, Queen Anne's, Caroline, Cecil and Talbot Counties were here last Friday. They were guests of John P. Corcoran at the Pioneer Point Farms Gun Club for lunch.

As outlined by Mr. LeCompte an organization similar to the Conservation Club in the four lower Shore Counties is to be formed in the upper tier of counties.

He stressed the importance of the meeting and urged the attendance of sportsmen, oystermen, commercial fishermen, and everyone interested in conservation.

Mr. LeCompte said he was particularly anxious that officials and members of the Watermen's Protective groups be present. G. Ellsworth Leary President of the Kent County Watermen's Association, attended the conference here Friday, and said he would urge his group to send representatives here next Wednesday evening.

Talbot Denmead, President of the Maryland State Game and Fish Protective Association, is expected to be a speaker here, also J. D. Bondurant. President of the Maryland Sportsmen's Luncheon Club. Other speakers, previously announced include Merle E. Towner, Myer Rosenbush, and J. D. Steele, prominent Western Shore business men and sportsmen. Mr. LeCompte will also be back to Centreville for the meeting.

The organization as outlined will include the election of a President for the entire Upper Shore district, as well as a Presiident for each County. A seretary and treasurer will also be chosen.

A Dutch Treat dinner is to be served at the Centreville Hotel at 5 o'clock and the gathering will then adjourn to the courthouse for the business session. Those who do not attend the dinner are urged to come to the courthouse meeting. Deputy Game Warden John W. Perry is active in making local arrangements.

W. R. MOODY ON PRISON BOARD

WILL STUDY IDLENESS IN PRISONS

W. Raymond Moody, of Chestertown, has been named to a committee to investigate idleness in Maryland prisons. The local man's appointment to the committee, which was provided for by a resolution passed by the last Legislature, came at the hands of Emmanuel Gorfine, Speaker of the House of Delegates.

Mr. Moody, former secretary of the National Social Welfare League and organizer of the Social Welfare League of Maryland, was one of three appointees of Speaker Gorfine. The others were Daniel B. Chambers, Baltimore member of the Legislature, and Col. Stuart S. Janney, former member of the State Board of Welfare.

The committee will have a membership of nine. Governor Nice has named Judge Joseph N. Ullman, Robert E. Vining and Heber H. Votaw to the committee. Lansdale G. Sasscer, president of the Senate, has not made known the three appointments allotted to him.

No salaries have been provided for these appointees but a budget item of $1200 has been set aside for expenses.

MRS. BUXTON JUDGED MENTALLY ILL

CONFINED IN SPRING GROVE FOR OBSERVATION

Mrs. Thelma Buxton, accused slayer of her mother in law, Mrs. Effie Buxton in their apartment on Friday morning of last week, was taken to Spring Grove hospital, Baltimore, onMonday of this week for observation after being adjudged mentally ill by specialists who examined her Sunday morning.

Following a write of habeas corpus brought by Mr. S. Scott Beck, attorney for the defense, an agreement was reached with Stephen R. Collins, States Attorney, for a mental examination by Dr. George H. Preston, Commissioner of Mental Hygiene and Dr. Andrew Gillis, physchiatrist, of Baltimore. The agreeemnt was reached following a conference with Judge Thomas J Keating.

The Doctors concurred in their findings that Mrs. Buxton was mentally ill and should be placed in a mental institution for observation and treatment An order, carrying out the suggestions of the doctors, was signed by Judge Keating, Monday morning.

The case will probably be presented to the Grand Jury at the October term of Court and if an indictment is made, the time of the trial will probably depend on the mental and physical condition of the accused.

The report of the Coroners Jury on Friday afternoon of last week which viewed the body and heard three witnesses stated that the elderly Mrs Buxton came to her death as a result of injuries inflicted by the younger Mrs. Buxton.

WILL IMPROVE SLAG ROADS

WORK EXPECTED TO START SHORTLY

Work on resurfacing and improving Kent County's slag road system is expected to start within the next few weeks. The work will be done by the State Commission at the request of the County Commissioners.

At a meeting of the Commissioners of Kent County with the State Roads Commission on September 5th, the latter body definitely stated that all work on Kent County roads would definitely stop October 1st unless they were given assurance that an effort would be made by Kent County to pay an alleged indebetness of $200,000 to the State Roads Commission.

This statement put Kent County in the position of going through the winter months without any road improvement, having no equipment to work the roads, it having been taken over by the Roads Commission following the passage of the recent road law.

On Tuesday of this week the County Commissioners passed the following resolution which has been accepted by the State Roads Commission:

Whereas, It appears that Kent County is indebted unto the Maryland State Roads Commission in an amount approximating $200,000, and

Whereas, The appropriation of $1500.00 monthly by the Maryland State Roads Commission for the maintenance of Kent County's slag and dirt roads is wholly inadequate for that purpose, with the result that our slag and dirt roads will soon be impossible for travel; and

Whereas, The Maryland State Roads Commission has advised the County Commissioners of Kent County that it will not appropriate any additional funds for the maintenance of slag and dirt roads in Kent County until proper assurances are given that the present indebtedness due by Kent County to the Maryland State Roads Commission is repaid.

Now, Therefore, Be It Resolved, By the County Commissioners of Kent County, duly called in special session this 1st day of October, 1935, that our representatives in the General Assembly of Maryland be and they are hereby requested to pass an Act at the next reegular or special session of the Legislature authorizing the creation of a Bond Issue in such an amount as will permit Kent County to repray to the Maryland State Roads Commission what is due, and the proceeds of such Bond Issue to be used solely for that purpose, provided, however, that the Maryland State Roads Commission shall expend a sum not to exceed $20,000.00 for the preservation of the County roads through the winter months.

FOOTBALL HERE TODAY

WASHINGTON COLLEGE TO PLAY AMERICAN UNIVERSITY

BERRY

Charlie Berry, veteran back, will be in the Washington College starting lineup today as the Shoremen open their season on the local field with American University. Berry is a fine ballcarrier and blocker and the team's best forward passer.

Washington College will play its first foot ball game of the season this afternoon, Saturday, when American University will be the visitors. Coaches Kibler and Eraitis have been putting the local team through a series of scrimages this week in preparation for the initial game and the boys look good.

There are a number of candidates for each of the four vacancies in last year's line caused by graduation. The back field of Washington's unbeaten team of last year is intact with a year's experience to their cridit.

American University has the advantage of having played one game this season in which they met a very inferior team and scored at will. Their line will out-weigh the Washington line about ten pounds to the man Washington's backfield however is heavier and faster than the visitors and all indications point to a close and interesting game.

The remainder of the schedule is as follows:

October 12—Swarthmore at Swarthmore.

October 18—Johns Hopkins at Chestertown. This day will be celebrated at the college as Founders Day and annual Alumni Home Coming.

October 26—University of Delaware at Newark.

November 2—Mt. St. Mary's at Chestertown.

November 9—Susquehanna at Selinsgrove.

November 16—West Chester State Teachers at Chestertown.

DR. J. W. SUTTON MAY REFUSE BISHOPRIC

Following a recent statement in this paper, that the Dr. J. W. Sutton has been elected bishop of Vermont, we are copying the article from The New York—World Telegram.

Trinity Vicar Is Needed Here in New York, Many Declare.

Dr. J. Wilson Sutton, vicar of Trinity Chapel, 27 W 25th St., may decline the proffered elevation to the Episcopal Diocese of Vermont, according to many eminent co-religionists, who for obvious reasons cannot be quoted. Dr. Sutton, has given no public indication of his reaction to his recent election to the Bishopric in the neighboring diocese.

Among the reasons cited by those who anticipate a rejection of the changed status of the Trinity vicar, are that Dr. Sutton's local activities in associations, societies and general betterment movements are of greater value to humanity than in presiding over a small diocese whose clergy list is not larger than, if as large as, Manhattan alone. For several years past Dr. Sutton has been prominent in sociological movements, and societies in which he is a moving influence, are frank in their hope that he will see 'what a hole he will leave here in New York,' as one executive secretary puts it.

Dr. Sutton has been a recent visitor to relatives and friends here.

R.F.C. OFFERS $3,000,000 BRIDGE LOAN

WITH $4,500,000 P. W. A. GRANT WOULD LEAVE $2,500,000 BALANCE

In a letter this week from Jessie H Jones, R. F. C. Administrator, to Albert D. Graham, Chairman of the Chesapeake Bay Authority, it was pointed out that the Federal R. F. C. was willing to buy $3,000,000 of the Chesapeake Bay Bridge bonds if they were issued by the P. W. A.

This together with Federal offer of $4,500,000 by the Federal Government as an out-right grant toward the project brings the sum to $7,500,000 which the Government is willing to furnish toward the construction of the bridge

This leaves a deficit of $2,500,000 which must be raised by the state to reach the estimated cost of $10,000,000

In a statement this week, Governor Harry Nice said that he will urge the Legislature at the special session which is scheduled to be held in February to float a bond issue of $2,500,000 so as to insure the early construction of the bridge.

What action the Legislature will take in the matter remains to be seen. It is thought that the entire Baltimore delegation will be favorable and it is practically certain that the Legislatures from Kent and Baltimore counties will express their consent. The bridge bill which created the Bridge Authority and introduced by Senator Brice passed both houses of the Legislature with very little opposition.

More recent revelopments in the various Federal departments reveal the fact that since the P. W. A. grant of $4,500,000 was offered by Secretary Ickes, most of the funds have been expended and are not available unless additional funds are forth-coming.

Since the Chesapeake Bay Bridge was first proposed hopes for its completion have risen and aflien daily and it remains to be seen what tomorrow will bring forth.

KENT WHEAT MEETING PLANNED

TO START OCTOBER 14TH

County Agent, McVean, announces that supplies are now arriving for use in the Wheat Production Control sign up soon to be staged.

He plans to start the meetings of wheat grower's in their respective Districts during the week of October 14th. At these meetings the new contract will be explained and applications received for the new contract. The Community Committeemen will be called to a meeting for preliminary training before the sign up is started.

B. S. THOMAS DIES FROM AUTO INJURIES

ROCK HALL BOY HURT IN VIRGINIA

Benge S. Thomas, son of Mrs. Mattile Thomas and the late John T. Thomas, of Rock Hall, died on Saturday of last week from injuries received in an automobile accident in Virginia the day before. He was 21 years of ge and lived near Worton before moving to Rock Hall. The automobile he was driving was in a collison with a truck in Vienna, Va.

Besides his mother he is survived by a sister, Mrs. Howard Rickert and brother, John Thomas, all of whom with many other friends accompanied the body to Rock Hall Sunday and funeral services were conducted at the home Monday afternoon by Elder Schulte, of Washington, with the rites of the Seventh Day Adventist Church. Burial was made in Union Cemetery near Worton. M. V. Williams, undertaker.

APPLICATIONS FOR FERTILIZER LOANS HERE

A supply of forms necessary for applications for Emergency Crop Loans for the purchase of fertilizer or seed wheat or both, have been received at the County Agent's Office.

Farmers who can not secure local credit and who want the benefit of cash prices are eligible for loans, provided in the case or tenants, the landlord will waive his interest in his share of the crop. In other words the Government gets a crop mortgage covering the entire crop to the extent of its its loan.

Mr. C. R. Hare, Field Agent for the Emergency Crop Loan Office, plans to be at the County Agent's Office during the afternoon on Tuesday, October 8th to confer with applicants. County Agent's will assist farmers in preparing their applications, if they are deemed eligible for loans.

LOCAL C.C.C. CAMP ABANDOMED

LACK OF ENLISTMENTS IN C. C. C. WORK SAID TO BE CAUSE

The C. C. C. Camp project, scheduled for Kent County was definitely abandoned this week due to the lack of enlistment by the youth of this section in C. C. C. work.

The camp planned for Kent County was scheduled to be located on the Hill farm near Betterton Corners and the work of the men in the camp was to be devoted to the prevention of soil erosion in that section of the county.

Kent County was selected as the site for this camp as this county is outstanding in soil erosion due to the rolling farm land. The main object of the C. C. C. camps is to give work to the unemployed youth of the country and these various projects were selected as outstanding work in which practically the entire cost was for labor.

Construction work on the camp had not been started although some lumber and equipment had been placed on the camp site.

The C. C. C. camp in Caroline county got under way on Tuesday of this week when 200 men moved in. The work of the personel of this camp will be the drainage of the big ditch which divides Caroline and Queen Anne's. The purpose of the project is to dig out the ditch so as to drain the adjoining farm lands.

CHAMBER OF COMMERCE EXECUTIVE TO BE HERE

WILL MEET WITH LOCAL BUSINESS MEN AND WOMEN

The Kent County Chamber of Commerce has received word from Mr. L. P. Dickie, manager of hte Southeastern Division of the Chamber of Commerce of the U. S. A. that he will be in Chestertown from 10 a. m. until 1 p. m. on Tuesday, October 15 to confer with the directors and members of the organization.

Mr. Dickie is making a tour of all civic bodies affiliated with the National Chamber in Virginia, Maryland, and the District of Columbia to discuss with them, informally, matters of national concern which are of general interest to business.

The local organization extends an invitation to all Kent business and professional men and women to attend the Dutch treat luncheon meeting which will be held at the Chestertown Restaurant in the private dining room on that date at 12.10 promptly.

Those who expect to be present are requested to send or phone in their names to the secretary, Mrs. Westcott, Phone 115, not later than October 12.

EDGAR FONTAINE DIES AT POCOMOKE

Edgar Fontaine, of Pocomoke City, aged 87 years and father of Mr. E. Clark Fontaine of Chestertown, died at his home in that city last Friday afternoon following an illness of more than a year. He was prominent in the social and business life in that section of the shore his family having settled in Somerset county in 1657.

Besides his son in Chestertown another son, Gustavus H. Fontaine, Great Falls, Mont., and a daughter, Miss Lottie Fontaine, of Pocomoke City, survive.

Funeral services were held Sunday at 4 P. M. from the Presbyterian Church, Pocomoke City, with interment in the cemetery of that church.

MARY ELIZABETH CREW DIES AT BETTERTON

Mrs. Mary Elizabeth Crew, of Betterton, passed away at the home of her daughter, Mrs. Herman Crew, in her 79th year. She was a devoted member of the M. E. Church of Betterton and is survived by three sons, T. Bard Crew, John Y. and Joseph Archie Crew; one daughter, Miss Hettie Crew. Eight grand children one great grand daughter also survive. Funeral services were held at the home of her daughter, Mrs. Herman Crew, Friday afternoon at 2 p. m., Rev. Vaughn Moore assisted by Rev. Hopkins officiating.

Interment was made in Still Pond cemetery. The bearers were her grand children. B. R. Fellows, undertaker.

Dr. E. M. Dole, professor of History at Washington College, will give a brief historical sketch of the Delmarva peninsula and its relation to Kent County before the first Fall meeting of the Washington College Historical Society, next Wednesday evening, October 9th, at 7.30 in Romm 11, William Smith Hall. Everybody is cordially invited to attend the meeting.
