The Curbstone Diplomat

WILLIAM S. COLLINS

What's Wrong with this Country?

Maybe nothing is wrong with it and there was no need for the President to ask the Reverend Gentlemen for their advice.

Mr. and Mrs. Gilpin Brown probably think there is something wrong. They attended a movie in Philadelphia Thursday night and parked their car on a very congested street. When they went to their car which is a roadster they found the top and windbreakers had been stolen. Probably they think something is wrong with the country.

Over in Queen Anne's the newspapers are having a squabble about the merits of Congressman T. Alan Goldsborough. Whether he is the most wonderful man on earth or no better than the average man. One thing does strike me funny. A hugh government project is on to drain the big ditch. This will reclaim and enhance the value of real estate bording on the ditch.

People owning that real estate bought it for a very cheap price due to the fact it was not drained properly. The government will spend a hugh amount of money to reclaim the land. Then on the other hand they are paying farmers, not to grow crops. Looks like something is wrong. Too much politics.

Another case. There have been some of our people that have been as you might say 'Up Against, it.' Their pride has kept them for going on the relief. That pride is good for our country. All these people want is work. To get work on the government projects, a person has to stoop, plead, and get on the relief roll. That is a bad thing to put a man in that position before he gets work on government projects.

To industry that is struggling along the government is offering to much competition. Labor has been encouraged not to work. It looks like the wrong way if the country is to go ahead.

RELIEF WORKERS TO HOLD JOBS

Herbert R. O'Conor, Attorney General of Maryland, in a ruling just handed down, has decreed that all old employees of the Bord of State Aid and Charities are safe in their jobs and can be removed only for cause. The ruling applies to all of the county welfare units in Maryland whose personnel is appointed by the State Board.

The ruling was made at the request of Smuel E. Shannahan, of Easton, Director of Charities of the Board of State Aid and Charities. Mr. Shannahan reported to Mr. O'Connor tht under a ruling of Harry C. Jones, State Employment Commissioner, all of the county welfare employees of the State Board would have to take new examinations to keep their jobs, and if they failed they would be replaced by others who passed.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Accept a substitute. 25c at drug stores. ©1931 C. M. Co.
