DR. GILBERT W. MEAD, President of Washington College, justly took exception to a statement made this week by Colonel Amos W. Woodcock, President of St. John's College, in which he urged Governor Nice to appoint a committee to investigate the cutting of fees to certain students attending State aided College. Any statement that includes the colleges of the State unfortunately in the minds of the public includes every college, although in this particular case it eliminates St John's because Colonel Woodcock would not have to ask the Governor to investigate the fees charged at a college where he had direct control of the fees paid. Colonel Woodcock must have had some particular college or colleges in mind that he as a citizen and educator in the State felt it was his duty to have investigated, yet it is regretted that he did not specify the colleges under suspicion rather than publicly condemn all the colleges in the State. Dr. Mead's request that Washington College be exempt from investigation is based on his intimate knowledge that fee cutting for athletics, etc., does not exist at that institution. To the average citizen investigations by politically appointed committees amount to little as their reports rarely bring out the real facts but rather dwell on some particularly desired findings. The State aided colleges of the State make an annual financial report to the Board of State aids and Charities and also Washington College makes a complete annual report which is sent to State officials. It is hard for us to believe that the reports from the higher educational institutions in the state do not speak for themselves.

## COUNTY PENSON FUND AVAILABL

Kent County's share of the compulsary old age pension bill, passed at the recent session of the Maryland Legislature is available and the delay is due to the holdup in final approval of cases.

The Commissioners of Kent County levied $3,000 for this purpose in the June levy and have set that sum aside for the purpose.

There are approximately 75 cases now on the Federal and State relief rolls of the county who can probably qualify for old age pension, which under the present setup will be the first to receive the pension. There are approximately 100 other applications which have not been thoroughly investigated as to their qualifications.

The W. P. A. projects in this section of the Shore, including the C & D Canal and the repair and painting of Kent County School properties have taken approximately 19 cases off the local relief rolls. This, together with old age pension will materially lessen the relief burden in the local office.

At the present time there are 130 cases on the Kent County relief rolls. The replacemnt of 75 of these by old age pensions and 18 by work projects will bring the present relief roll to 55 cases. These fifty-five cases are composed of assistance to mothers and to cases of chronic illness which can be helped only by direct relief. This present cutting down on relief will put this county in a position to accept the recent Federal ruling that all direct relief will stop November 1st.

In handling the old age pension funds, there will be no amount alloted to any one case but will be applied in proportion to the needs of the individual case.

It is understood that the State and County are ready and will shortly start the old age pension on a 50-50 basis and when Congress finally approves their proportion of the fund it will be worked on a basis of the county one sixth, State two sixths and the Federal Government three sixths.

# COURT ADJOURNED SATURDAY

### CAROLINE NEGRO RECEIVES 18 YEAR SENTENCE

The October term of the Circuit Court for Kent County adjourned on Saturday of last week after presiding for two weeks of the most serious criminal docket in this county for many years.

A verdict of not guilty was returned by a jury in the case of State vs. G. Ellsworth Frazier for assault. The verdict was met with general applause among the spectators in the Court room.

Wallace Washington, colored of Caroline county charged with assault upon a little four year old white girl, case removed from that County, was found guilty of assault with intent by a Jury Friday afternoon. The Court, in pronouncing the sentence of 18 years in the Maryland Penitentary, said that it is very fortunate that the court is so seldom called up to try anyone for such a vicious crime. The penalty for the offence ranged from 2 years to death.

The juries were discharged until December 23rd and February 24th at which time they were ordered to report unless notified otherwise.

Taken to the Maryland House of Correction on Tuesday of this week were: Amos Goldsboro for 1 year; Alonza Dorsey for 6 months; James Capel for 2 years; Edgar Capel for 2 years; William Ford for 2 years and Clint Williams for 1 year.

With Sheriff Bennett on the trip yesterday were his son and chief deputy, John N. Bennett, Jr., Earl Pinder and James Kernan. Deputy Archie Lesage was in charge of the jail during the absence of the sheriff.

### RESOLUTIONS OF RESPECT

Whereas, it has pleased Almighty God to remove from our midst the soul of our deceased friend and fellow member, Samuel J. Johnson, the Board of Directors of the First National Bank takes this means of expressing our deep loss, our appreciation of his sterling character, and his long and valued connection with this institution. Mr. Johnson was known among the members of this board as a man of quiet and reserved manner, yet always was deeply concerned for the welfare of the bank as well as for the interests of its patrons, whose business affairs he zealously endeavored to protect and with whom his dealings were always fair and impartial. The board regarded the deceased not only as one of its most conservative members, but valued his influence in the upper secton of the county where he spent practically his entire lifetime among those whose business connection with the bank had much to do with its success. We feel keenly the loss of this good man from our association. He was not only constant in his attendance at the board meetings when in health, but his judgment on matters of business connected with the institution was of inestimable value. Therefore be it resolved, That the Board of Directors takes this means of expressing to the family of the deceased as well as to the general public, its keen sense of loss sustained in the death of Mr. Johnson, and directs that a copy of this resolution be spread upon the minutes of the board, a copy sent to the family, and that the resolution be published in the county press.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL
And You'll Jump Out of Bed in the Morning Rarin' to Go
If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.
For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.
If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.
It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.
But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1981 C. M. Co.
