RED CROSS REPORTS BUSY YEAR AIDING DISASTER VICTIMS

Tornadoes, Fires, Hurricanes, Floods, Epidemics, Make Record of Year

The American Red Cross assisted sufferers in more disasters throughout the United States during the year ending June 30, 1935, than through any similar period in the peace-time history of the organization, Admiral Cary T. Grayson, chairman, revealed recently in commenting on the annual report which has just been released.

"The 128 domestic disasters in which the Red Cross extended aid during the fiscal year exceeded by 56 per cent the average over the past few years," Admiral Grayson said. "Not only was the period heavy in the number of disasters, but the geographical distribution was wide, with 37 States and 353 counties affected.

"Through these disasters and times of community distress, the Red Cross assisted 110,000 persons," the Admiral disclosed.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Accept a substitute. 25c at drug stores. © 1961 C. M. Co.
