CHESTERTOWN HIGH SCHOOL FLASHES

(By EMORY M. HINES, JR.)

The Boys' and Girls' Athletic Association sponsored the first card party of the year last night, Friday, at 8 p. m. A good number of the students, parents, and faculty attended and were rewarded with delicious refreshments. A few guests who were lucky at their game won prizes, but all enjoyed themselves throughout the evening. The Associations are grateful to all those who attend, as the money received for admission is one of the resources which provide funds to carry on our athletics.

After beating Sudiersville, winner of Queen Anne's soccer teams, Chestertown High School's booters went down in defeat, 6-0, before Chesapeake City, leader of Cecil County. The game, beng postponed from Monday because of the wet weather, was played this last Wednesday. Our opponents scored two goals against us in the first half; they obtained another, two points in the last half. Particular mention goes to Owen Smith who played a swell defensive game. Chestertown's boys now drop out of the soccer field for this season, which has been a fairly successful one.

The Dragon is coming back to its old style again, and ths year it is to be published in printed book-form with pictures of the graduating class included in it. The photographs were taken on Thursday, November 14th, by Mr. Eaton, Pierson Studios of Philadelphia. Proofs of them were received recently, and the class seems well pleased with them. This is an expensive undertaking, but the Seniors are willing to undergo the additional costs for the reward of a better yearbook. Here's looking forward to the publishing date of the 1936 edition of the Dragon.

A recent talk given in the Math Club, under the supervision of Miss Mamie Carroll, proved to be very interesting and humorous, yet instructive. The data was presented by Marie Miller while Mina Brown illustrated the main ponts on the blackboard.

The much favored winter indoor sport, basketball, opens its season ths Monday, with the prospective players 'rârin' to go.' Our '35 team ought to be a sure winner with such veterans as Ray Kirby and Johnnie Benjamin still with us. The team has an excellent schedule this year with many of the larger high schools and colleges being slated to be played.

Friday, November 22nd, was Patron's Day, the first of its kind in the high school. Parents of the students were allowed to visit the various classrooms throughout the day (Periods from 9 a. m. to 12 noon, and 1 p. m. to 3 p. m.) and see the type of daily work done. The students hope that their visitors noted the extremely crowded conditions under which they and their teachers have to work; also the very apparent lack of equipment for use in instructing different subjects such as chemistry and biology. When the occupants of our county realize this, they will understand the constant plea of the boy, girls, and faculty for a new high school.

KILLED IN DRUNKEN BRAWL

As the result of an argument which started at a filling station, on the main highway, near Kingston, Carl Chelton, 23, of Brinkleys district, was shot and instantly killed, around seven o'clock, last Sunday evening.

Edward Long, 26, of the same neighborhood, a married man with two children, who is alleged to have fired the fatal shot gave himself up to county officers and was taken to the jail at Crisfield.

It is said that both men were intoxicated and that, in preparing to leave the filling station, they got into an argument as to who should drive the automobile home.

L. WETHERED BARROLL, Attorney.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.
