CHESTERTOWN BOOTERS TIE NORTH EAST

RAIN ENDS THANKSGIVING GAME

Chestertown and North East played to a dead lock on Thanksgiving Day by a score of 1 to 1. The game was played at North East on a wet muddy field. The game was called after 20 minutes of play on account of rain and condition of field.

HURT IN AUTO CRASH

Mr. Walter Clark is in The Kent County hospital suffering from a broken arm and badly cut eye as a result of an accident at the corner of the river road from Chestertown to Millington and the Crumpton road.

Mr. Clark was driving a truck of the Nathan Furniture Company Thursday morning and was in collision with an automobile driven by a lady from Queenstown. With Mr. Clark in the truck was Percy Duesburg who received minor cuts about the face.

The truck was badly wrecked.

TWO MORE KENT PROJECTS APPROVED

According to a statement this week from Congressman T. Alan Goldsborough, two more Kent County projects have been approved by the Treasury Department and Mr. Frank H. Dryden, State Progress Administrator has been permitted to initiate work provided the work is justified. It was however emphasized that funds are available of only certain of the projects.

Among the State projects authorized under Federal funds are:

Improvements to the Chestertown Armory and construction of a rifle range to cost $6,414.

Planting oyster shells on Kent County oyster bars at an expense of $2,559.

TO BE ROTARY SPEAKER

Mr. E. O. Bretz, advertising manager of the Gulf Refining Company, will be the guest speaker at the regular meeting of the Chestertown Rotary Club next Monday night.

AUTO TAG BLANKS DUE TODAY

COUNTY AND TOWN TAXES ON AUTOS MUST BE PAID

Application blanks for 1936 automobile license plates are due to be received in Kent County today and Monday and Commissioner Rudy urges motorists to make applications early.

The tags this year will be white letters on black background which will be a new color scheme in this State.

All motorists in Kent County must pay their 1935 county tax on their automobiles and have the application blanks perforated before mailing them to the Commissioner of Motor Vehicles.

All residents of the towns of Chestertown, Rock Hall and Betterton must also pay the town tax on their automobiles before mailing application. This is the first time that this ruling becomes effective, it having been made into law by the action of the Legislature at the last session. The Treasurer of Kent County will collect both the town and county tax on automobiles and perforate license blanks showing they have been paid.

In reference to mailing application blanks, Commissioner Rudy says:

'The annual license rush can be compared with the annual Christmas shopping rush. It will be far more convenient to each and every one of you to mail your applications to this office immediately, and receive your tags without inconvenience and delay, rather than wait until the last moment, and spend weary hours in line waiting for your tags. In letting us have your applications early you not only help yourselves; but you will expedite matters at our office. For this we will be very grateful.

'Practically 150,000 motorists used the mail to secure their tags in 1935; if it is your wish to apply for your tags in person, won't you cooperate with this office and do this as soon as possible. The waiting line in years past has been a sorry sight indeed. Hundreds of car owners have stood in line, shivering in the cold and snow, or drenched in the rain, as the case might be, waiting to receive their tags. This can be so easily avoided by your coming to this office at your earliest convenience, rather than wait until the last possible moment.

TO PRESENT EAST LYNNE NEXT FRIDAY

FEATURES OF GAY NINETIES WITH SONGS OF THAT PERIOD

'Throw Him Down McCloskey,' 'In the Shade of the Old Apple Tree,' 'She Is More to be Pitied than Censured,' 'The Bowery,' and 'She's Only a Bird in a Gilded Cage' are a few of the songs of the 1890 decade which will feature the entre act entertainment at the Washington Player's revival of EAST LYNNE on Friday, December 6th, at William Smith Hall. Both a student and a faculty quartette will emulate the barber shop harmony of the day, while various soloists will contribute numbers reminiscent of the music halls, the social gatherings, and the street corners of the period. To those who remember the favorites of the past era, these musical numbers should prove doubly attractive, while those who do not will be greatly pleased to learn that the songs contain not

(continued on page five)

JAMES WEER DIED SUDDENLY

Mr. James Weer, aged 46 years, died suddenly of accute indigestion in the office of Dr. H. B. Simmons Thursday afternoon after being taken suddenly ill at the home of Mr. Harry Johnson.

Mr. Weer and family were guests at the Johnson home for Thanksgiving dinner and after dinner the men went for a walk with some hunting dogs. On the walk Mr. Weer became suddenly ill and was rushed to Dr. Simmon's office where he died shortly after arriving there.

Mr. Weer was superintendant of the milk station at Kennedyville, which position he has held for a long period of years and was a very highly respected citizen of that town.

He was a Past Grand Official and Trustee of the Odd Fellows Lodge of Betterton and at the time of his death was the Right Support to the Noble Grand.

He is survived by his widow and two sons, Joseph Weer, a student at Chestertown High School and Edward Weer, a student at Washington College, a small daughter, Marie Weer; also a sister, Miss Annie Weer.

Funeral services will be from the home on Sunday at 2 p. m. to be conducted by Rev. Ferguson of the Kennedyville Presbyterian Church and Rev. Henry Caldwell. Interment will be made in the Kennedyville M. P. Cemetery.

GETS 4 MONTHS IN CUTTING CASE

James Miller was sentenced by Judge Vickers in the Lower Court on Monday to 4 months in the House of Correction for cutting Morris Graves in a drunken brawl at Smith's colored beer emporium on Cannon street, Saturday night. Graves received 30 days in the county jail on a disorderly conduct charge.

Graves was stabbed just below the chest and would have been more serious had not a bystander grabbed Miller's arm.

THIRD NATIONAL BANK TO PAY DIVIDENDS

TEN PERCENT OF DEPOSITS PAYABLE DECEMBER 16

Announcement was made on Friday of this week by the Trustees of the Third National Bank that a dividend of ten per cent has been declared to depositors and will be payable December 16th.

Since that bank closed three years ago the Trustees, Messrs. Howard Baldwin, Donald F. Stam and W. Robert Huey have been liquidating the assets of the bank in a way so as to return the best possible dividends to depositors and the dividend to be paid next month represents an accumulation of $50,000.

COAL COMPANY FORMED HERE

UNDERSTOOD WILL BUY BACCHUS COAL YARD

An application was granted this week for the formation of a corporation to be known as the Bacchus Coal Company, Inc., with E. Massey Hines, Lucy B. Hines and Frank B. Hines as incorporators.

Although at the time of going to press negotiations had not been completed, it is understood that the new corporation has purchased the coal yard of Mr. J. D. Bacchus on Cannon street and will take over the business Monday morning with Mr. E. Massey Hines as general manager.

It is also understood that Mr. Bacchus will retire from active business, having been in the coal business in Chestertown for fifty four years.

BAY BRIDGE AGAIN DISCUSSED

For many years the possibility of a Chesapeake Bay Bridge has brightened and dimmed any number of times until at the present time real hopes for the structure will create little excitement untily actual construction is started.

This week the announcement that sufficient financial backing in addition to the Federal grant is in sight is encouraging but does not create a great deal enthusiasm. There are too many ifs, and whens a Federal grant is made.

In the minds of the public an accounting from the Chesapeake Bay authority will be called for if the bridge is not built at a time when Federal funds are flowing.

COUNTERFEIT MONEY ON SHORE

So much counterfeit money has been found on the Eastern Shore that a special agent of the Secret Service Department has been stationed at Easton.

Most of the bad money has been detected in the central and southern parts of the Shore and in Easton the Council of that town has issued special instructor cards to merchants pointing out quick and easy ways of detecting the counterfeit bills.

VETERANS SERRVICE OFFICER HERE DECEMBED 12TH

Thomas B. Edwards Service Officer for the handling of ex-service men's claims, will be in the Court House in Chestertown, Md., on December 12, 1935. All veterans who have claims they wish assistance in handling, incident to Compensation, Insurance, and Hospitalization, will be given a hearing and assistance in obtaining all benefits provided under State and National laws.

There is no charge whatsoever for this service.

CUTS FACE IN CRASH

Mandrell Leonard, 5 year old son of Mr. and Mrs. A. J. Leonard, of Chestertown was painfully injured about the face yesterday when thrown against the windshield of a Peerless Fertilizer Company truck.

The truck, driven by James Leonard, brother of the injured child, was entering a woods when it hit a tree limit the impart throwing the youngster against the windshield.

COON HUNTERS TO STAGE DINNER

COON HUNT PLANNED AFTER WARDS

The Eastern Shore Coon Hunters Club will hold their annual dinner at the Ferry Tavern just across the bridge from Chestertown which will also mark the reopening of that hotel under the management of Mr. and Mrs. Ralph Stewart on Saturday, Dec. 7th.

The menu at the dinner will consist of coon and turkey with all the trimmings, and after the dinner a coon hunt will be held.

The dogs for the hunt will be furnished by the members of the association and the place of the hunt will be announced at the dinner.

The public is invited to the dinner, Dutch treat, and join in the hunt after wards. The association is planning to make it a gala event. A good hunt is assured as two coons will be realesed for the occasion.

SANITATION PROJECT STARTED

Under the P. W. A. Administration a new sanitary project has been started and sponsored by the County Health Department. This project is similar to the one carried on under the C. W. A. and consists of erecting the new Government type sanitary privies in the rural sections. The project is under the supervision of Mr. W. L. Wilkins who has rented the vacant garage owned by Jones and Satterfield near the railroad station. A number of relief cases have been assigned to Mr. Wilkins.

Those wishing the new type sanitary toilet may obtain same through application to Mr. Wilkins and the only cost is the actual material used. The building with the concrete slab is made with Government labor and the Government provides for the transportation to the farms and the erection withou any cost. The project gives people in the rural sections an opportunity to obtain a sanitary toilet at a very nominal cost. The project is one sponsored by the Government under the P. W. A. allotment funds. The direct supervision is under the State Board of Health and the County Health Department.

Chest Clinic

Dr. Seth Hurdel will hold a Chest Clinic in the Health Center on December 2nd at 10 a. m.

MRS. MARY E. MASLIN DIES AT ROCK HALL

Mrs. Mary E. Maslin, wife of Mr. Milton Maslin, of Rock Hall, died on Tuesday of this week at the Kent and Queen Anne's General Hospital.

She was 85 years of age and was the daughter of the late Mr. and Mrs. Jackson Wickes, who were among the most prominent residents of the lower part of Kent County. She has been a life-long member of Wesley Chapel and until her death was probably the oldest living member of that congregation.

Besides her husband, she is survived by the following nieces and nephews, Mrs. John C. Wood, Mrs. James Wood, Mrs. B. Neal Wilson, Miss Annie Sappington and Mr. Frank Sappington, all of Kent County.

Funeral services were held at Wesley Chapel on Thursday at 2 p. m. by Rev. W. A. Donaway. Interment was made in the adjoining cemetery.

WAR ON COAL BOOTLEGGERS

War has been declared on coal bootleggers in the town of Easton by the Council of that town by the passage of an ordinance requiring all coal dealers selling coal in the city limits to take out a license at a cost of $5. In order to obtain the license one must have a coal yard, scales, a weigh master, etc., thus prohibiting the sale from unreliable and out of state dealers.

The ordinance is designed to protect local merchants from unfair competition in the same way that the Council has enacted similar ordinances in the past designed to protect merchants in other lines from unfair competition. It is enacted to prevent the bootlegging of coal which is often of illegal origin.

Bootleg coal is being sold by trucks in all parts of Kent County.

JOSEPH BRICE GETS FEDERAL POST

Mr. Joseph Brice was this week appointed a Federal road inspector in this district comprising the counties of Kent, Queen Anne's, Caroline and Talbot Counties.

For a number of years Mr. Brice has been a State Road Inspector in this district. Hi snew appointment will be under the Federal office of Mr. William Elliott at Easton and will be with Federal aided roads in this district.

MR. WALTER BENNETT AT EASTON JOURNAL

Mr. Walter Bennett, Jr., who has a position at the Easton Journal is making good at his job and is well pleased with the same.

He has been a supply at the Transcript office, for some time, and all of his friends here wish him well.

$70,000 WHEAT CHECKS RECEIVED

MAKES TOTAL OF $300,000 TO KENT FARMERS FROM PROCESSING TAX

The delayed checks to Kent County farmers, totalling $70,000 were received on Monday of this week and were distributed throughout the county this week. This represents the balance due on 1934 wheat contracts and the first payment on the 1935 wheat contracts.

The checks this wetk made a total of approximately $300,000 paid Kent farmers for reduction of acreage in wheat and corn and reduction in the number of hogs raised over the past three years under the Agricultural Adjustment Administration.

These payments come from a processing tax paid by millers on each bushel of wheat and corn processed through their mills and is returned to farmers in proportion to their acreage and bushel reduction under their signed contracts.

As to whether a farmer signs and complies with an A. A. A. contract is entirely optional with each individual grower, but the popularity of the plan among local farmers is evidenced by the fact that approximately 90 per cent of the farms in the county are under contract. Many of the remaining 10 per cent are unable to comply with the contracts due to the fact that sufficient wheat was not grown during the record period and also to dessension between landlord and tenant.

2-DAY OYSTER BEDS CLOSED

Recently-reopened oystering areas at mud Rock in Tangier Sound and at Parkers Rock in Chesapeake Bay off Anne Arundel County were colsed last Saturday until Monday, Dec. 9, to prevent glutting the 'Thanksgiving market and depressing oyster prices.

The reclosing of these productive areas was announced by Robert F. Duer, chairman of the State Conservation Commission at his home here Oystering was stopped with the end of work yesterday.

The two rocks were opened to oystermen on Nov. 15. They had been restocked and closed for some time previously to allow planted oysters to mature. Conservation officials estimated that since they were reopened 75,000 bushels of oysters had been taken from Parker Rock and 70,000 bushels from Mud rock.

RECOMMEND 60 BUSHEL POTATO EXEMPTION

Since the publication last week of the proposed details of the new potato tax law, the National Potato Advisory Committee has recommended the exemption of five bushels be raised to 50 bushels.

If this new suggestion by the committee is accepted by the A. A. A. and considering the importance of the committee, it no doubt will be, it will exempt practically all potato growers in Kent County. It is estimated that with the exception of 15 or 20 growers, Kent Farmers do not sell more than 50 bushels of potatoes a season.

The potato tax law is supposed to go into effect December 1st but from present indications the A. A. A. will not be ready to handle it at that time which practically means that this fall's crop wil not be affected.

W. T. H. WHITELY DIES SUDDENLY

William T. H. Whitely will known farmer of the Morgnec section of Kent County was found dead in his bed Friday morning. Although he has suffered from heart trouble for some time he was up and enjoyed a Thanksgiving dinner on Thursday.

At the tiem of his death he was tenanting the Brook's home farm in Morgnec and was preparing to move to the Bird Farm near Melitota. A number of years ago he conducted a livery stable adjoining the railroad station in Chestertown. This stable was destroyed by fire after which he engaged in farming.

Besides his widow who was formerly Miss Mamie Kirby, he is survived by the following children, Mrs. Elsie Jester, Mrs. Mary Chambers, Mrs. Louise Faucett, Miss Josephine Whitely, Miss Georgianna Whitely, Messrs. Harry, William and Paul Whitely, all of this county.

Funeral arrangements had not been made at the time of going to press.

RE-EMPLOYMENT OFFICE MOVED

NATIONAL REEMPLOYMENT SERVICE OFFICE TO LOCATED IN EASTON

Word has been received by Mr. E. O. Willis, Manager of the National Reemployment Serivce Office for District No. 3 with headquarters in Chestertown, and by the chairmen of the several counties, that the office is to be moved to Easton some time during the month of December, probably during the latter half.

When the Service was set up in Chestertown on June 1, 1934, after the consolidation of the five counties: Cecil, Kent, Queen Anne, Caroline and Talbot, Kent happened to be the most central location.

In August, 1935, Cecil County was removed from the Chestertown District to the Towson District, leaving District No. 3 with its central office located at the extreme northern end.

With the move, now planned, to Easton, District No. 3 is to take over Dorchester County which has heretofore been included in the Salisbury District.

The opening of the Choptank River bridge between Dorchester and Talbot Counties makes Easton a central point from which to serve the five counties.

The present staff will go in its entirely to the new office.

Kent's two staff members, Mrs. Nell C. Westcott and Mr. D. W. Allcutt are planning to commute daily. The other members of the staff are: Mr. E. O Willis, Centreville, Miss Pauline Roe and Mr. John W. Lankford, of Denton, and Miss Frances Marshall and Mr. Oren Harrison of Talbot County, near St. Michaels.

EDESVILLE WOMAN DISAPPEARS

WAS SICK WHEN SHE LEFT HOME

County and State authorities as well as the entire community of Edesville have been searching for two days for Mrs. Pauline Dnugoborski, of Edesville who got up out of a sick bed and disappeared from her home Thursday morning. She had been both mentally and physically sick and when her son, who was sitting in the room with her, fell asleep she got out of bed and disappeared. A bloodhound was used to try to pick up the trail on Thursday but due to the heavy rain was unable to follow it. It is feared that she might have wandered into nearby woods and is suffering from exposure.

Communication with her friends in Baltimore have failed to remeal any clue of her whereabouts. The search was still underway at the time of going to press.

RE-EMPLOYMENT REGISTRATION FOR DECEMBER

Those who are unemployed who wish to register or re-new their old applications with the National Reemployment service may do so at the following points in Kent County:

ROCK HALL—G. E. Leary's Store, 10 a. m. to 12 noon, Friday, December 6, December 13, December 20, December 27.

MILLINGTON—Fire House, 1.30 p. m. to 2.30 p. m. Friday, December 6, Dec. 13, December 20, December 27.

Chestertown—N. R. S. Office, 10 a. m. to 3 p. m. Friday, December 6, December 13, December 20, December 27.

COLLEGE GROUP AT ATLANTIC CITY

Washington College will be represented, at the annual meeting of the Association of Colleges of the Middle States, of which Association the college is a member, by President Gilbert W. Mead, Dr. W. R. Howell, Registrar, and Dr. Fred G. Livingood, Administrative Assistant. The meeting, which will be held at Haddon Hall, Atlantic City, is scheduled for Friday and Saturday, November 29 and 30. Dr. Howell will attend the session of the Registrars Association, meeting in conjunction with the general association, and Dr. Livingood will represent the college at the meeting of the Association of Deans and Advisers of Men.

OPENS RESTAURANT ON COURT STREET

Mrs. Catherine P. Ward opened a restaurant in the Thomas W. Perkins building on Court street, Chestertown this morning. The restaurant will be opened day and night for meals and light lunches. The building has been completely altered for restaurant purposes.

SUPPERS CLEARS $200

At the recent supper held by the Ladies Auxiliary of the Chesterttown Volunteer Fire Company, over $200 was cleared. The ladies wish to take this opportunity to thank the public for their patronage and cooperation.
