TO THE GUNNERS OF HARFORD, CECIL AND KENT COUNTIES:—

The Biological Survey Commission, by their ruling of a few months ago, have practically made a sanctuary of our Susquehanna Flats thereby rendering useless thousands of dollars worth of equipment and depriving hundreds of citizens of gainful employment. Many are of the opinion this drastic ruling was not warranted by the facts and that the arbitrary action on the part of those responsible was most inopportune.

For the purpose of discussing ways and means of effecting legislation that will benefit our people and at the same time protect our wild fowl, a meeting will be held in Red Men's Hall, North East, Cecil County, on Friday, December 6th, at 8 p. m. All persons interested in this sport, or in a change in the present situation, are urged to attend this meeting to give those assembled the benefit of their views.

Sincerely yours,
HAROLD E. COBOURN.

MUNICIPAL VEHICLES EXEMPT FDOM TAX

According to a ruling handed down by Herbert O'Connor, Attorney General of Maryland, all motor vehicles owned by the State, Counties or Towns are exempt from taxation for tags, title or new automobile title tax.

FARM BUREAU AND GRANGE STUDY TAX PLAN

WILL SUBMIT SUGGESTIONS TO LEGISLATURE

Members of the Joint Tax Committee of the Maryland State Grange and Maryland Farm Bureau Federation met in Baltimore today to consider a tentative tax report to be presented to both organizations at their annual sessions. This committee has prepared a very comprehensive report, 16 pages script and 17 pages tables, dealing largely with the tax revenue requirements of the state and local governments for relief purposes, and the possible sources of revenue to meet such requirements.

The committee is stressing economy throughout the report and is studying the tax legislation passed by the last session of the Legislature to give it a background before the proposals that will be made. First consideration is being given to the possible curtailment of relief expenditures by changes in administration and financial support.

It is suggesting various sources of revenue that are now being utilized in other states and has prepared data indicating the probable yield and revenue from such sources in Maryland, for example, the yield from a state income tax, sales tax, special commodity tax, including beer, whiskey, cosmetics, amusements, utilities and others. All recommendations will be submitted to the State Grange and the State Farm Bureau Federation for their respective action.

Those in attendance at the meeting were: D. G. Harry, Chairman, W. P. Walker, S. H. Devault, H. H. Nuttle, Pres. Cd. Farm Bureau Federation, C. E. Wise, Jr., Secty. Md. Farm Bureau Federation, D. C. F. Weagley, Pres., Washington Co. Farm Bureau, T. B. Symons, Thomas Massey, Pres., Kent Co. Farm Bureau, E. D. Hotler, Secty., State Grange, A. G. Ensor, Past Master State Grange.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get those two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Accept a substitute. 25c at drug stores. ©1981 C. M. Co.
