SCOUT EXECUTIVES TO MEET

PENINSULA WIDE GATHERING AT DOVER

Dr. James E. West of New York City Chief Scout Executive of the Boy Scouts of America will be the principal speaker at an area-wide conference of Boy Scout leaders to be held at Dover, Delawrae on Friday, December 13. Complete plans for the conference were announced on Monday by Charles H. Gant, of Wilmington, President of the Boy Scout Council, following a meeting of the Council Executive Board.

The Scouters' Conference is the first effort of the Scout Council to bring together the hundreds of men in Delaware and the Eastern Shore of Maryland actively giving leadership to the Scout movement locally. The men, representing 116 Boy Scout Troops operating in nearly every community of the peninsula, will gather in the Legislative Hall in Dover at 3 p. m. for group discussions on Scouting policies and program for the entire area. Camping, Court of Honor, Activities, Civic Service, Sea Scouting, Cubbing, Training and Finance discussions will be led by the chairmen of the Council Committees on these subjects, with the object of determining the best services which the Scout Council can render to the communities of the area. The rapid growth in Scout membership and interest thruout the peninsula in the past year necessitates this conference of Area and Wilmington Scoutleaders to plan effectively for continued progress in 1936.

Following the afternoon sessions, and a meeting of the Council Executive Board with all district representatives present, the conference will move to the Hotel Richardson for a testimonial dinner to the Scoutmasters of the Area, the Scout masters being guests of the Council. Dr. James E. West has definitely promised to attend, bringing a message from the National Boy Scout Council to the local leaders.

A featureof the Conference will be an elaborate Scouting exhibit, arranged by Council Publicity Chairman William A. Hart, of Wilmington. This will include Scout handicraft, camping, Scout and Troop equipment, Sea Scouting and other phases of Scouting. Scout movies and demonstrations by Boy Scouts are included as part of the exhibit.

Arrangements for the attendance of local Scouter delegations to the conference are being made by S. Lee Gill, Chestertown and Howard Owens, Betterton.

1935 POTATO CROP TAX EXEMPT

50 BUSHEL EXEMPTION ASSURED

The Potato Act effective December 1st does not apply to the crop harvested in 1935.

The County Agent's Office has received a number of inquiries concerning the freedom of the farmer to market potatoes after December 1st without the revenue stamp and without having been assigned an allotment in line with his previous marketings.

Before long farmers will have opportunity to make application for allotments of potatoes for market, but these allotments will apply to the crops planted and harvested in 1936.

In other words it is hoped that farmers understand that there are no restrictions on the marketing of any potatoes they may have on hand from their 1935 crop.

It has been decided that farmers who sold pottoes in excess of 50 bushels be subject to the securing of an allotment instead of the 5 bushel as originally planned under the Potato Control Act. The 50 bushel maximum sales proposition has been accepted meaning that relatively few Kent farmers will need to apply for an allotment.

Announcement....

ON Monday, December 2nd, The Coal yard and business operated for so many years by Jefferson D. Bacchus changed hands. On that day a new management took charge and will conduct this business under the trade name of THE BACCHUS COAL CO., Inc.. . .

It is our hope to retain all of the old friends who have so faithfully through the years patronized this establishment, to make new friends, and to improve, if possible, the service and quality which have been bywords of this business since it first began . . . . These things will be our aim . . . .

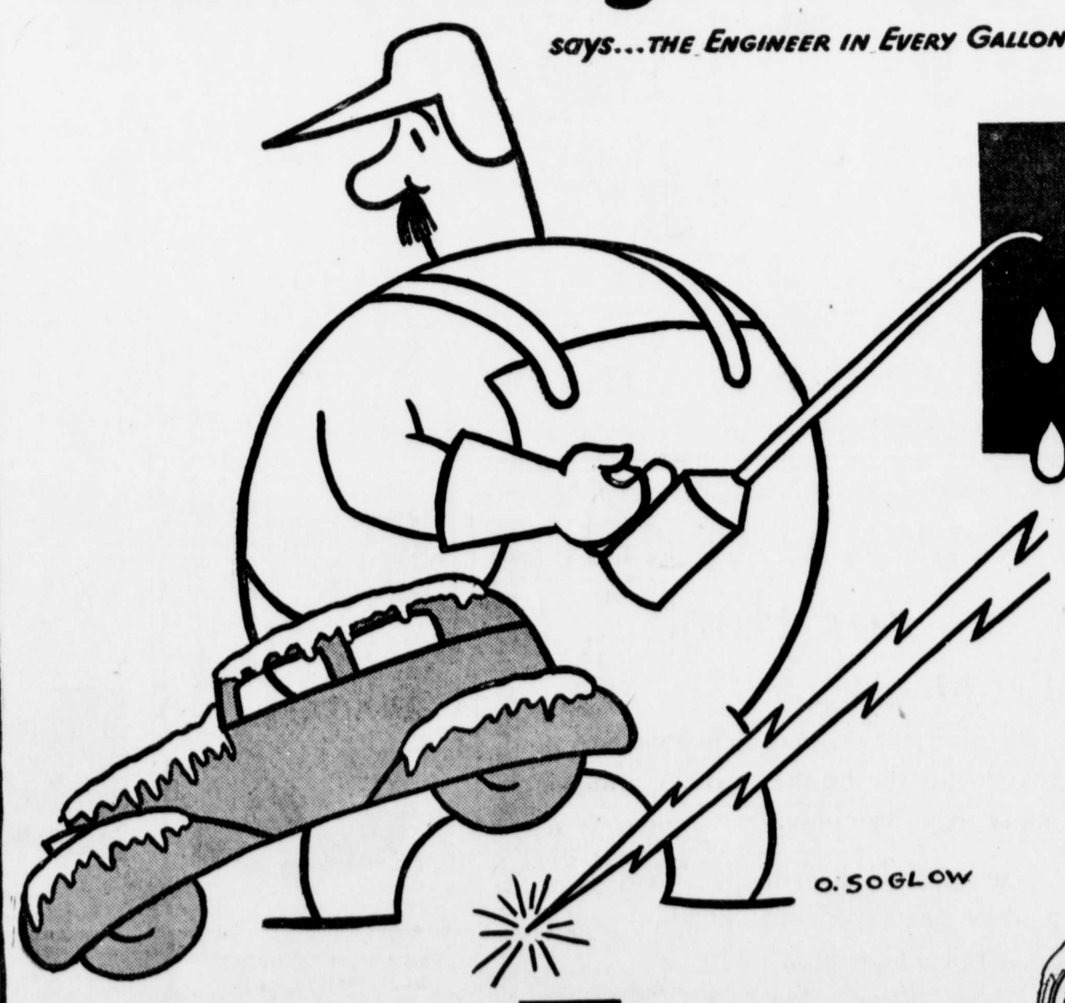

This is not a new business venture, merely the continuance of an old established firm in your midst; an old associate who is desirous of serving you as you should be served . . . . And we solicit your friendship and patronage.

The Bacchus Coal Co., Inc.
