COLONEL ENOCH GEARY, Commander of the Maryland State Police has organized in Caroline County a Safety Council whose chief function will be to help prevent motor accidents. The membership will endeavor to carry out the policy of the Council first by their own conduct on the road and second by reporting others who violate the vehicle laws. This effort by Colonel Geary to organize the citizens of Maryland into a civilian State police force was introduced in Chestertown when he talked before the American Legion and is to be a substitute for doubling the State Police force. The theory is good and in these days when theoretical legislation seems to dominate, it may work out but like every other new policy it has its drawbacks. Its success will depend largely upon the Council members as to whether they can report a friend as well as an enemy, and a Maryland motorist as well as an out of State motorist. If they try to be policemen without the authority carried in a badge it may turn out to be a very disasterous experiment.

IT IS GENERALLY felt throughout the State among proponents of the Chesapeake Bay Bridge that the Bridge Authority, appointed by Governor Nice, is either not sufficiently interested in the project or is not capable of swinging the project. It will be remembered that the Governor would not sign the Bay Bridge Bill until those named in the bill as the Bridge Authority agreed to resign so that he could name his own committee. This was granted him and in summing up it leaves the matter directly in the Governor's hands. If the authority has failed in its efforts then it rests directly on the shoulders of Governor Nice. It means that aside from securing the bridge, it is turning away from Maryland $7,500,000 of Federal funds much of which would have gone into the pockets of the unemployed.

DIPHTHERIA TREATMENT STARTED MONDAY

WILL CONTINUE AMONG SCHOOL CHILDREN UNTIL CHRISTMAS

Following the Schick testing of the children in the white schools during the past three weeks it was found that approximately one-fourth of those who had received the diphtheria immunization were positive and should receive the second treatment immunizing them against the disease. Beginning December 9th the schedule listed below will be carried on throughout the county. The doctors in the various communities have offered their services in administering the preventive serum. Mothers of pre-school children (between the ages of six months and six years) are requested to bring their children to the schools at the hours designated so that group may also receive the immunization against diphtheria.

'So the people in the church are going to have you arrested for riveting on Sunday?'

'Yes, I kept some of them awake all through the sermon.'

How many times has a Headache ruined your day's work—spoiled your evening's pleasure? Users of Alka-Seltzer say that Alka-Seltzer gives unusually prompt and effective relief from Headache. Try Alka-Seltzer for Acid Indigestion, Fatigue, Muscular, Rheumatic, and Sciatic Pains.

Alka-Seltzer contains an analgesic (Acetyl-Salicylate) for pain relief. Its vegetable and mineral alkalizers correct the cause when due to excess acid.

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL
And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect these to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food don't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.
