WE TAKE THIS opportunity to wish our friends a Happy New Year. 1936 promises much excitement in the news of the world with war clouds hanging over Europe, Africa and the Far East and a presidential election in this country. Indications are that the American public will learn every detail and many interpretations of the Constitution of these United States during the next ten months, but what ever may happen in this country or the world, our happiness and prosperity will depend largely upon how we apply ourselves in our work and play, our attitude toward our fellow men and upon our determination to look on the bright side of life and do that which is right.

DEPRESSION

'My brother used to make plenty of money until they started catching up with him.'

'Oh, was he—er—an unethical business man?'

'No, he was an auto racer.'

WAKE UP YOUR LIVER BILE—
WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.
