The hatchery industry in Maryland has expanded greatly during the last few years, especially in 1942 and 1043. During the first seven months of 1942, more than 24,003,000 chicks were hatched in commercial hatcheries, and for the first seven months of 1943 the hatchery output was 31,757,000 chicks, an increase of over 32 percent in one year.

In wartime we may not always be able to get the kinds of fat we ike best. But, fats can be alternated one for another, so long as meals hold their satisfying, stick-to-the-ribs quality—one of the chief functions of fat in our food.

Accidents in farm homes in 1942 resulted in 7,500 fatalities; while rural non-farm home accidents accounted for about 3,500 deaths, according to the National Safety Council. Urban home fatal accidents took approximately 19,000 lives in that year.

I find that it eases my Aching Head, takes the kinks out of Tired, Aching Muscles and brings relief when I have Acid Indigestion.
The family says I am a lot easier to live with since I have known about Alka-Seltzer.
Have you tried ALKA-SELTZER? If not, why don't you get a package today? Large package 60¢, Small package 30¢, also by the glass at Soda Fountains.
