ORDER OF PUBLICATION
Evelyn Peacock Clark
vs.
Lee Clifton Clark
In the Circuit Court for
Kent County
In Equity No. 3375

The object of the Bill filed in the above entitled cause is to procure a Decree for divorce a vinculo matrimonii for the Plaintiff from the Defendant.

The Bill states:

1. That on the 14th day of July, 1939, she was married to Lee Clifton Clark, the Respondent, at Chestertown, Maryland, by the Reverend W. P. Roberts, and that thereafter she continuously resided with the said Lee Clifton Clark at Massey, Kent County, aforesaid, until May 1940.

2. That although the conduct of your Oratrix towards her husband, the said Lee Clifton Clark was at all times kind, affectionate and above reproach, the said Lee Clifton Clark did cruelly treat and humiliate your Oratrix, was frequently and for long periods of time intoxicated and did fail to provide her with the necessaties of life, as a result whereof your Oratrix was obliged to seek shelter and protection at the home of her father, G. William Peacock, at Massey, Kent County, aforesaid, and to obtain employment in order to support and maintain herself.

3. That by reason of your Oratrix having been obliged to seek shelter and protection at the home of her father, the said G. William Peacock, and to obtain employment to support and maintain herself, your Oratrix, does aver that the said Lee Clifton Clark, did, without just cause and against her desires, abandon and desert her during the month of May, 1940, and that it is his intention that the marriage relation no longer shall exist, and that such abandonment has been continuous since May, 1940, a period of time in excess of eighteen months, and that such abandonment is deliberate and final and the separation of the parties is beyond any reasonable hope or expectation of reconciliation.

4. That your Oratrix and the said Lee Clifton Clark have had no children born unto them.

5. That your Oratrix is now, and always has been since the aforesaid marriage, a resident of Kent County aforesaid; that the last known address of the said Lee Clifton Clark is 218 W. 9th Street, Wilmington, Delaware.

It is thereupon, this 15th day of September, 1943 ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 9th day of October next, give notice to the said Lee Clifton Clark, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 25th day of October next, to show cause, if any he has, why a Decree ought not to be passed as prayed.

UPLAND GAME SEASON NOW OPEN IN KENT

Squirrel hunting became legal in Kent County and other parts of Maryland Wednesday, ushering in the 1943 upland game season. At the Court House it was found only 185 County, 70 State and 14 Non-Resident licenses had been issued up until yesterday. The small purchase of tags is probably due to a shortage of shells, as the Federal Government does not expect to make an announcemet on the quantity each hunter will be able to secure until the first of October.

Every hunter must have a State hunting license in his possession. Mr. LeCompte, State Game Warden, warned. In addition, all persons over 16 who hunt migratory waterfowl must have an unexpired Federal migratory-bird hunting stamp which may be bought at the postoffice.

Shooting hours for wild water- be held at Hanson Hall Farm on Sepfore sunrise to sunset, the warden said.

Following is a summary of the game laws pertaining to the State of Maryland.

Every person who hunts in Maryland, regardless of age, must have in possession a Maryland hunting license and, in addition, all persons over sixteen years of age who hunt migratory waterfowl are required to have with them an unexpired Federal Migratory Bird Hunting Stamp validated by their signatures on the stamp These stamps, commonly called duck stamps, may be purchased at post offices for one dollar.

From where I sit . . .

by Joe Marsh

"Jeep Nerves"—that's what Dan O'Neill calls the jumpy way some folks react to the strain of wartime living.

Not that Dan blames 'em. When you work 12 hours a day and travel in crowded busses—live in trailers and put up with inconveniences—it's only natural to get tense and irritable.

"Folks must learn to relax," says Dan, "and take it easy."

And Dan thinks he has the formula. Soon as he's through at the shop he comes straight home, picks out the comfortablest chair and pours himself a tall, cool glass of beer.

Then he sips it—slowly and appreciatively—like good beer should be enjoyed.

And by the time that glass of beer is gone, Dan says his disposition is as good as new . . . and the day's work seems well worth tackling again tomorrow.

It's a real effective formula. I know; I've tried it!
