Editor's Lament

Getting out this paper is no picnic.
If we print jokes, people say we are silly;
If we don't they say we are too serious.
If we clip things from other papers, we are too lazy to write them ourselves.
If we don't we are too fond of our own stuff.
If we don't print contributions, we don't appreciate true genius.
If we do print them, the paper is filled with junk.
If we make a change in the other person's write-up, we are too critical.
If we don't, we are asleep.
Now, like as not, someone will say we swiped this from some other paper.
WE DID.

ORDER OF PUBLICATION
Evelyn Peacock Clark
vs.
Lee Clifton Clark
In the Circuit Court for
Kent County
In Equity No. 3375

The object of the Bill filed in the above entitled cause is to procure a Decree for divorce a vinculo matrimonii for the Plaintiff from the Defendant.

The Bill states:

1. That on the 14th day of July, 1939, she was married to Lee Clifton Clark, the Respondent, at Chestertown, Maryland, by the Reverend W. P. Roberts, and that thereafter she continuously resided with the said Lee Clifton Clark at Massey, Kent County, aforesaid, until May 1940.

2. That although the conduct of your Oratrix towards her husband, the said Lee Clifton Clark was at all times kind, affectionate and above reproach, the said Lee Clifton Clark did cruelly treat and humiliate your Oratrix, was frequently and for long periods of time intoxicated and did fail to provide her with the necessaties of life, as a result whereof your Oratrix was obliged to seek shelter and protection at the home of her father, G. William Peacock, at Massey, Kent County, aforesaid, and to obtain employment in order to support and maintain herself.

3. That by reason of your Oratrix having been obliged to seek shelter and protection at the home of her father, the said G. William Peacock, and to obtain employment to support and maintain herself, your Oratrix, does aver that the said Lee Clifton Clark, did, without just cause and against her desires, abandon and desert her during the month of May, 1940, and that it is his intention that the marriage relation no longer shall exist, and that such abandonment has been continuous since May, 1940, a period of time in excess of eighteen months, and that such abandonment is deliberate and final and the separation of the parties is beyond any reasonable hope or expectation of reconciliation.

4. That your Oratrix and the said Lee Clifton Clark have had no children born unto them.

5. That your Oratrix is now, and always has been since the aforesaid marriage, a resident of Kent County aforesaid; that the last known address of the said Lee Clifton Clark is 218 W. 9th Street, Wilmington, Delaware.

It is thereupon, this 15th day of September, 1943 ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 9th day of October next, give notice to the said Lee Clifton Clark, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 25th day of October next, to show cause, if any he has, why a Decree ought not to be passed as prayed.

When Your Back Hurts -
And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use *Doan's Pills*. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. *Doan's* have been tried and tested many years. Are at all drug stores. Get *Doan's* today.

From where I sit . . .

by Joe Marsh

At Jeb Crowell's the other day, we were havin' a glass of beer or two and talkin' about the kind of world there'd be when Peace came.

"Hear they'll have trans-Atlantic airplanes flyin' regular as taxi service," says Ed Carey.

"Yep," says Will Frost, "and television and plastic cars and air-conditioned homes and super-duper highways."

Finally, Doc Mitchell chimes in. "You know," he says, "we're talkin' about the future in terms of luxuries—like air-conditioned houses and television.

"But what really will shape tomorrow's world is what goes on in men's own hearts . . . like tolerance and understanding."

And from where I sit, Doc's right. Whether it's tolerance of another's politics or respect for a neighbor's right to enjoy a glass of beer occasionally, tolerance is a mighty good foundation for a peacetime world.
