Contour Yields More

Studies of wheat yields show that the grain drilled on the contour produces about three to five bushels more per acre than wheat planted in the ordinary way.

AMERICAN HEROES

BY LEFF

Because he scaled the walls of the fortification at Kasba-Mehdia, French Morocco, and from that hazardous position diverted the attention of the enemy with his rifle fire, enabling our troops to enter through the main gates of the fort, Pfc. C. L. Mohler was awarded the Distinguished Service Cross. He risked his life for you. How many more Bonds and Stamps can you afford, to help him? Figure it out yourself.

SOCIAL NEWS OF IN AND AROUND STILL POND

Sunday, we are celebrating Harvest Home. In its beginning this was service of thanksgiving that there was sufficient food, to be stored for the Winter. They thanked God, for sharing their foods with their less fortunate brethern, Sunday we are keeping this tradition by sending the fruits and vegetables to the Hospital at Chestertown and the Children's Homes. We are having Rev. A. W. Goodhand of Chesapeake City as the speaker at the morning worship hour. Rev. Goodhand was the beloved pastor of Still Pond Methodist Church, 1918-19 and we are sure you will like to meet with him again. Be sure and worship with us at this time. The Choir is busy rehearsing special music for this special occasion. The Rev. Elwood W. Cursey pastor of the Kennedyville Methodist Church will be the guest speaker for the evening services. Rev. Cursey needs no introduction as he has been with us a number of times and a welcome always awaits him here.
