NORMAN FRISCO SURPRISES AT HARNESS RACES

Norman Frisco, owned by Arthur Lusby, of Kennedyville and driven by William Cole took both heats of the free-for-all trot at the harness races Saturday, held at Kent and Queen Anne's Driving Park. Norman Frisco winning was a big upset. He has been racing all the year without being in the win column. According to horseman, a young horse his age has trouble eating until he gets his second set of teeth. High Norman has been eating better lately and has picked up his normal strength.

Uncle Scott from Harrington equalled the track record set by Cinco Woolen, owned by Louis Everett, earlier in the season.

Horses back from the Circuit racing, and appearing here for the first time of the season added much interest to the racing.

With most of the crowd of 800 rooting for him, Cliff Lee owned and driven by Raymond East, took the second heat of the 3rd class pace after finishing fourth in the first heat.

J. Wirt Willis, of Wilmington, largest stock-holder in the local track, officiated as starter in place of Mr. Oscar Roe, of Sudlersville, who was too sick to attend.
