Dr. Chanaud Named To Dental Board

Governor Herbert R. O'Conor has just announced the appointment of Dr. Norman P. Chanaud of Centreville, Queen Anne's County, as a member of the State Board of Dental Examiners. He will succeed Dr. D. C. Blevins, of the same County.

The Governor selected Dr. Chanaud from a list of dentists certified by the Maryland State Dental Association as qualified membership. Under the Maryland law, providing for the appointment of the State Examining Board, the Dental Association submits recommendations and the Governor is free to pick one from the list.

In appointing Dr. Chanaud, Governor O'Conor continued to give representation to the Eastern Shore on the State Dental Board. Prior to the present State administration the State Board did not include a dentist from the Eastern Shore, but, when a vacancy ocurred, Governor O'Conor selected Dr. Blevins for the post. Dr. Chanaud will now complete the unexpired term resulting from the resignation of Dr. Blevins.

Dr. Chanaud had been honored by being selected President of the Eastern Shore Dental Association and as Vice President of the State Dental Association. For five years he served as secretary of the Eastern Shore group of dentists. Active in affairs of the Rotary Club, he has been prominently identified with civic undertakings in Queen Anne's County.

In announcing the apointment, Governor O'Conor paid tribute to the high professional standing and excellent qualities of Dr. Chanaud and declared that in this apointment the high standards of the State Dental Board would be maintained.
