WINNING ON POINTS

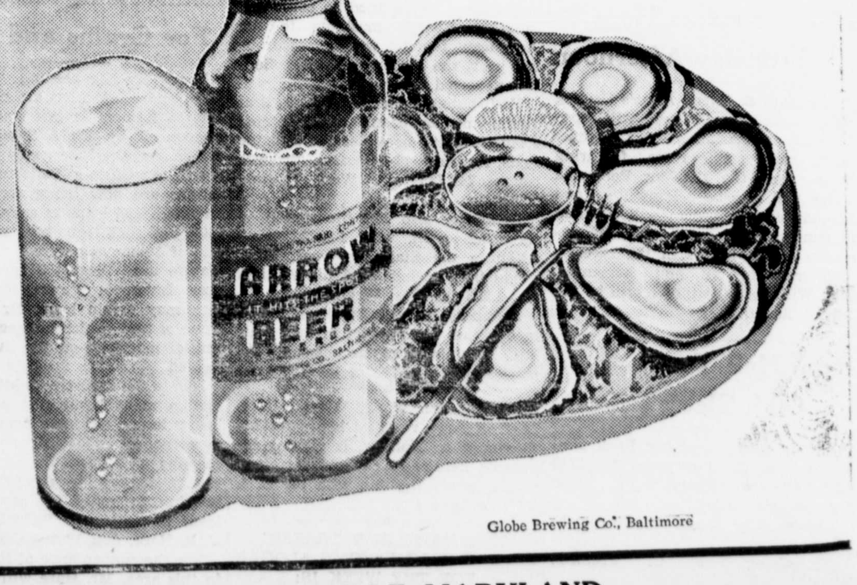

That's what Arrow is doing among those who favor good beer that is light and bright

There's a soundness to Arrow and a cheerfulness that is obvious in your first taste.

You get a light, bright flavor that tells you that somewhere there is a brewmaster who knew exactly what to do with fine malt and hops.

If you'd like to get on the high board of a full-bodied beer . . . try Arrow. You'll never know how good a beer it is . . . until you try it yourself. Do as your neighbor is doing . . . ask for Arrow every time.
