The Maryland tobacco crop, hit hard by unfavorable weather, is expected to yield only 600 pounds to the acre, according to the September 1 estimate of the Crop Reporting Service at the University of Maryland. Estimate of the total crop is 23,100,000 pounds, only a little more than the short drought-year crop of 1943.

When Your Back Hurts -
And Your Strength and Energy Is Below Par
It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.
You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urinations with smarting and burning is another sign that something is wrong with the kidneys or bladder.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

NAGGING BACKACHE
May Warn of Disordered Kidney Action. Don't Neglect It!
Modern life with its constant hurry and worry, irregular habits, improper eating and drinking, exposure, contagion, chemical, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and often times people suffer without knowing that disordered kidney action may cause the trouble.
After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.
Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes, a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.
In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning friends for more than forty years. Ask your neighbor! Ask your druggist! Get Doan's. Sold at all drug stores.
THE REASON DOAN'S ARE FAMOUS
